Our car is safe until Spring!

HOW SATISFYING to know that, no matter how low the mercury drops this winter, the family car will be safe from freeze-ups. And that is the guarantee you obtain, in writing, when you choose "Prestone" anti-freeze.

No need to look at the thermometer again—no need to have the anti-freeze mixture checked repeatedly. "Prestone" anti-freeze does not evaporate in mild weather—requires no periodic additions.

Here's true economy—particularly at the new reduced price!

CO-EDS DENOUNCE CORSET COMEBACK

NEW YORK, Nov. 20—(CP)—There won't be any waist-pinched co-eds wearing bustles around the campus of Hunter College for a while. Eighty-four per cent of the co-eds answering a questionnaire termed wasp-waist corsets as "unnatural, unhealthy and instruments of torture." Others recommended them "only for their enemies." The average waistline of the girls measures 25 or 26 inches. Bustles, they say, are "clumsy, uncomfortable and hideous."
