AS A CEREAL

OR IN COOKING

it's FINE either way!

It's so handy to have a package of Kellogg's ALL-BRAN in the kitchen. Serve it as a cereal. Use it also as a wholesome ingredient in your muffins, breads, omelets, waffles, etc.

Kellogg's ALL-BRAN supplies "bulk" to aid regular habits. ALL-BRAN is also rich in vitamin B, as well as iron, an element of the blood.

Two tablespoonfuls daily will correct common constipation, due to insufficient bulk in the diet. In severe cases, with each meal. If not relieved this way, see your doctor.

The "bulk" of ALL-BRAN does not break down during digestion as does that of leafy vegetables, and is therefore more effective for furnishing the needed "bulk." It is a delicious laxative food... far better than patent medicines.

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
