On Tuesday morning in Summerside the children had pictures taken and the grand reunion in the evening. It was a most joyous and happy occasion and all had a wonderful time. Those from a distance left for their homes on Thursday. —O

FORMER ISLANDER DIES IN MONTREAL—Word has been received by friends in this Province of the sudden passing of Joseph H. Rattee at his home in Dartington Avenue, Montreal, on Saturday, June 20th, 1949, at the age of 49 years. The deceased was the son of the late Rev. E. J. Rattee and Mrs. Rattee and spent his boyhood days in Malpeque, where his father was pastor of the Presbyterian Church, now Church, for many years. The deceased entered the service of the Bank of Nova Scotia at its Westmount branch in 1915. He subsequently served in several other branches throughout Canada. He had been assistant manager of the main branch in Montreal. He later served as manager in Barrie, Ont. and Sydney, N.S. He was appointed to his present post in time. While in Barrie, Mr. Rattee became a member of the Masonic Order of Corinthian Lodge No. 96, A.F. & A.M. His funeral service was held from the Church of the Assumption, Park Avenue, and was largely attended. The service was conducted by Rev. Mr. Addie. Burial was in Mount Royal Cemetery with full Masonic honors. There are left to mourn his passing: Rev. E. J. Rattee, his wife, Ruth Elder of Montreal; his aged mother, Mrs. E. J. Rattee; one brother, George, and two sisters, Miss Beattie Rattee and Mrs. H. T. Gresham, all of Montreal. In their sad bereavement the sincere sympathy of many friends in this Province is tendered, as the deceased is kindly remembered by all. Those who wish to contribute will know and understand why those hard things were best.

PERSONALS —Mrs. R. Bates and son Donald, Montreal, Que., are visiting Colebrook, N.B., the guests of her parents, Mr. and Mrs. Robert Oulton. Mr. Bates will join his family later on in August.

FERRY SERVICE (Continued from Page 1) convenience, confusion and handicaps.

1. The railway car-ferry service between P.E.I. and New Brunswick, operated by the Canadian National Railways, should be run by a Department of the Federal Government. The Board suggested the appointment of a "P.E.I. ferry commission" with administrative powers and authority to "resolve all problems that might arise in connection with the service."

2. Minimum freight rates should apply on Maritime potatoes so as to encourage their production.

3. The policy of limiting freight rates on coal must be continued in the public interest. (Coal was not included in the general 21-per-cent rate increase authorized by the Board of Transport Commissioners last year, but the Board allowed the carriers to put in smaller increases on this product.)

4. The Federal policy of absorbing freight charges on feed grains from the west into the Eastern Canada should be continued.

5. Rates on lumber and other forest products in the Maritimes should be made as low as possible to give this industry access to the highly competitive Canadian market.

6. The C.N.R. should be asked to complete a branch line from Harwood Ridge, N. B., to Minto, N. B., to serve coal operations in the South Minto field. As presented in the brief said, operators in that area have to pay abnormally high freight charges on coal because of the transportation setup.

P. E. I. Rate Zones For Prince Edward Island, the Board proposed the equalization of freight rates as between its two rate areas, known as the "outer" and "inner" zones. Rates from the outer zone, the brief said, were higher than on hauls from some other Maritime points with the same mileage.

"The compact characteristics of Prince Edward Island lend themselves to the existence of one zone on long-haul traffic," the Board declared. "There is not a substantial difference in the quantity of traffic originating in the two zones."

Of the P.E.I. car-ferry service between Borden, P.E.I., and Cape Tormentine, N.B., the Board said there has been "considerable discontent" for some time over its

From Prince County

The Tignish Aces gave Grand River a rather bad mauling last Sunday blanking the newly organized Grand River boys 25 to 0. Much of the credit for this victory goes to Reg Harper who allowed only one hit in nine innings. He hit one issued one free ticket. Mel LeClair's triple in the fifth inning was the longest base-hit of the Tignish barrage.

Hard luck seems to be dogging the footsteps of the Aces, however. Frank Arsenault, their third baseman and right fielder, had the misfortune to be struck by a pulley in his mill and at last report was in a serious condition. He will be definitely lost to the team for the rest of the season. Frank was one of the best players on the Tignish team and his mates are unanimous in attesting to his co-operation and popularity as a member of the team. Everyone will be wishing for Frank a speedy recovery.

It is pleasing to report that Miss Vera Williams has returned to her home in Alma. All wish her a speedy recovery.

His many friends regret to hear of the illness of Mr. Fred Rennie at his home in Alma. All wish him a speedy recovery.

Primary Function Of this isn't a real band of smoothies or astigmatism has certainly got us on the ropes. The remaining outfielders could be George Pope, Howard MacFarlane, Bobbie Barron, who could also take his turn at short, or second base, D. R. Morrison and Layton Schurman. Cokey Grady and Mark Delaney would be available for infield duties or pinch hitters. With a bit more experience with the willow both these boys will be distinct threats in the batter's box.

We'd like to see that line-up play Dleppie. Perhaps it could be arranged even if the boys couldn't all be got together for term registration. There certainly would be difficulties in registering this team. Gordie MacKay, Bemie Grady and Alan Stewart have all made the grade with Curran & Schurman, catchers or outfielders. A. Stewart and J. Murphy, pitchers and first basemen; (we don't know if either Stewart or Murphy ever played the first sack but we wager they could handle it. They have the height too). Bemie Grady, second base; Gordie MacKay, short stop; Tanton Landry, third base; if this isn't a real band of smoothies or astigmatism has certainly got us on the ropes. Rate Disadvantages

Mr. Matheson, who began reading his long brief on Tuesday, was still under questioning by commission counsel Frank M. Cover, K.C., of Halifax when the Board wound up its Nova Scotia sessions late today. The examination was to be continued by Mr. Cover and other counsel at Fredericton.

They were questioned particularly by C.P.R. senior counsel Sinclair of Montreal over a statement in the Maritime Board's brief that there were rate disadvantages in the Maritimes for the fishing, mining, agriculture, forestry and manufacturing industries.

C.J. Morrow of Lunenburg, N.S., vice-president and secretary-treasurer of National Sea Products Ltd., biggest fish processing and distributing company in the Dominion, declared the fishing industry was getting increasing competition.

However, he agreed with Mr. Sinclair that Maritime producers could get their fish into Montreal at lower freight rates than their competitors in British Columbia. But he would not agree with the lawyers that proposed restrictions on the entry of Canadian fish into the United States was due to cheaper costs in Canada.

It was partly correct, Mr. Morrow said, but the embargo was aimed primarily at the production of Icelandic and other southerly fish. While Canadian fish production costs were "somewhat lower" than those of the U.S., Mr. Morrow said, it was not always possible to lay down Canadian fish in the U.S. more cheaply than the American product, because of the transportation costs involved.

LETTER BRINGS REPLY

MONTREAL (CP)—Deputy fire chief Leo Lussier had heard of it, but never before seen it. Responding to an alarm from a fire box, his crew found John Gunn, 80, trying to mail a letter. Lussier pointed to a mail box 20 feet away and returned to the fire station.

SPECIAL SERVICES

AT Geddie Memorial Church

Services to mark the re-opening of Geddie Memorial Presbyterian Church after re-decorating will be held on Sunday, July 17th.

Building was begun on the present church in 1836, and the first service was conducted by the Rev. John Geddie, D.D., in 1838.

Last autumn a new foundation was constructed and much credit is due to the members of the congregation for the work done at that time, and also for re-decorating the building which was carried out entirely with voluntary labor.

The services on July 17th, will be held at 11.00 a.m. and 7.30 p.m. Mrs. Alfred MacKay will be the soloist in the morning, and the men's choir of Long River and Geddie Memorial will render special music in the evening.

The Minister will conduct the services.

Emsdale and Vicinity

Mr. and Mrs. James Todd of Summerside, are visiting at the home of Mr. and Mrs. Chas. G. Dunn.

Mr. and Mrs. John Weeks, of Summerside, were recent visitors to Emsdale.

Mr. James Adams and party of U. S. A. are visiting Mr. and Mrs. George Adams.

Mr. and Mrs. John McKenna of Rumford, Maine, are guests at the home of Mr. and Mrs. R. A. McKenna.

Mr. and Mrs. Daniel Horne and Mr. and Mrs. Alton Horne of Worcester, Mass., are spending holidays with Mrs. Elsie Horne of Rosebank.

It is pleasing to report that Miss Vera Williams has returned to her home in Alma. All wish her a speedy recovery.

Friends of Miss Ella Rennie are pleased to know she is convalescing following her recent illness at the Western Hospital.

Over fifty children are in attendance and these are very enthusiastic over the good times they are enjoying.

"SHAGGY" HALF OF DOUBLE BILL AT CAPITOL, SUMMERSIDE

"Shaggy" which opened yesterday at the Capitol Theatre, is Paramount's contribution to the list of great animal stories that moviegoers have loved on the screen. It is a notable addition to that list "Shaggy" will take his place in the hearts of film fans along with "Lassie," "Gallant Bess" and others.

This is a wonderfully warm and human story of a boy and his dog, set in the awe-inspiring beauty of the great outdoors, and brilliantly filmed by the color camera.

"Shaggy" tells of a dog labeled "killer" and of the boy who believed in him and fought for his vindication. Interverwen throughout is a conflict between that boy and his new mother. The story moves along at a gripping pace, now heart-warming in its beautiful simplicity, now thrilling in its many exciting outdoor sequences. It is climaxed by a savage battle between dog and mountain lion—a death-struggle which brings all-around reconciliation in its happy conclusion.

Heading the human cast of "Shaggy" are George Nokes, a delightfully competent eleven-year old; Brenda Joyce, cast as the woman who comes between George and his dad, played by Robert Shayne.

Mr. and Mrs. Edgar Bastarache who have been spending their honeymoon on P. E. Island left on Tuesday morning for their home in Montreal. While in Borden they were guests of Mr. and Mrs. Arthur Sexton.

Mr. and Mrs. John Ledgard of Regina, Sask., arrived in Borden on Monday evening to spend two weeks with Mrs. Ledgard's parents, Mr. and Mrs. Colin Love. They were accompanied from Montreal by Miss Joyce Love who will also spend her holidays at her home here.
