Test the Urine...

It tells the state of the Kidneys—To make the Kidneys healthy use Dr. Chase's Kidney-Liver Pills.

The up-to-date physician ascertains the health of the kidneys by an examination of the urine. It is not necessary, however, to be an expert in order to tell if the kidneys are deranged. You can conduct an examination yourself.

Allow the urine to stand for twenty-four hours in a glass bottle or vessel. If at the end of that time it contains a sediment resembling bricks, you may be certain that the kidneys are sluggish and inactive, and that they are leaving deadly poisons in the system which will in time produce terribly fatal complications.

As an invigorator of the kidneys Dr. Chase's Kidney-Liver Pills are of inestimable value. They act directly and naturally, and make the kidneys, liver, and bowels regular, active, and healthy.

Dr. Chase's Kidney-Liver Pills positively, permanently and promptly cure Bright's disease, kidney and liver disorders, backache, lumbago, rheumatism, and all the painful and fatal complications of the filtering organs of the body. The sale of this great kidney remedy is enormous throughout this continent and Europe. The merit is proclaimed by scores of thousands of grateful cured ones. One pill a dose, 25 cents a box, at all dealers, or EDMANSON, BATES & CO., Toronto.

DROPSY

One of the most dangerous and repulsive forms of Kidney Disease is for which Dodd's Kidney Pills are the only certain cure. In Dropsy the Kidneys are actually dammed up, and the water, which should be expelled in the form of urine, flows back and lodges in the cells of the flesh and puffs out the skin. Remove the filth which plugs up the drain. Restore the Kidneys to health. There is only one Kidney Medicine

STRAWS

There is a world of wisdom in the saying "Straws show which way the wind blows." The many letters we are continually receiving from consumers and good housekeepers regarding the superior merits of WELCOME SOAP are only straws, but they show that the wind of public favor is blowing in the direction of the most pure and economical Soap in the market. We have been publishing some of these testimonials lately, could they go on indefinitely doing so.
