WAR IS BEING WAGED ALL THE TIME

Between the disease germs in the air you breathe, the water you drink, the food you eat, and the corpses in your blood that are the forces of good health. Keep these forces strong,—don't allow yourself to run down. Take Hood's Sarsaparilla, the medicine for the blood, stomach, liver and kidneys that has the approval of three generations. If a laxative is needed take Hood's Pills—they are equally good.

When Your Stomach Goes on a Strike

Every other organ of your body is apt to go on a sympathetic strike, and there'll be no way to arbitrate the trouble until you satisfy the stomach's demands.

When you have no appetite,—when food doesn't taste right,—or if you can't digest what you eat, its time to treat the stomach.

Our Digest Tablets is just what you need.—We also carry all kinds of stomach remedies.
