Thin Weak, Nervous Headaches, Indigestion

Was Easily Worried and Excited, and Generally Run Down. Marked Benefit From Use of Dr. Chase's Nerve Food

Thinness and nervousness usually has been very marked, and I can recommend it to persons who are thin, weak and nervous. Paralysis, locomotor ataxia and even insanity result from neglect to heed the warnings which tell of an exhausted nervous system. Nervousness, irritability, frequent nervous headaches, tendency to worry, indigestion; such are the danger signals which come to warn you of approaching trouble. While Dr. Chase's Nerve Food is frequently successful in curing nervous prostration, partial paralysis and locomotor ataxia, it is wise to avoid these very serious diseases by keeping the nervous system in good condition at all times. Dr. Chase's Nerve Food will help you as nothing else can. Fifty cents a box, 5 for \$2.50, all dealers, or Edmanston, benefit obtained from this food care Bates & Co., Limited, Toronto.
