National Appeal Will Help Raise Community Funds

(Canadian Press)

OTTAWA, Oct 30—Nation-wide appeals to aid in the campaigns to establish in the principal cities of Canada local "Community Chest" funds to be employed in the work of various charitable and philanthropic organizations will be heard during the week of Oct 30. The total Canadian objective is about $2,500,000.

Sponsored by the Federated Charities, these local campaigns will seek to confine to one appeal in the year multitudinous requests which express themselves in tagdays, house-to-house canvasses, etc. Having operated for a number of years in Montreal, Toronto, and other large centres, the "Comunity Chest" has been successful in raising large amounts of money for various local charities.

In the first place the Federation scheme cuts to the irreducible minimum the necessity costs entailed in administering charity; the central organization in the cities concerned is less costly to operate than the combined costs of independent organizations. Second, the Community Chest eliminates duplication of effort. Third, it enables the citizen to set aside a definite sum for charity and eliminates that irritation which even the best-intentioned citizens can not help but feel at frequent and irregular calls for contributions to vaguely defined causes.

Apart from what is generally characterized as public relief, that form of national aid expressed in cold statistics and questions in parliament, the Community Chest brings home to the individual his and her own sense of responsibility. Essentially the Community Chest is a challenge to the charitable senses of men and women.

In Ottawa, the local campaign has already begun in that the present year's objective of $150,000 has been lessened by $24,000, representing a surplus from the Citizen's Relief Committee of its last year's operations. With the sponsorship of leaders of state and church, the drive will start Oct 30.

In all cities where the Community Chest has operated its results have in past years proved satisfactory. Those vested with the responsibility of prosecuting the campaign expressed the hope and the confidence that 1933 will be even more successful than in the past.

That the public will be well-informed on the purpose of the campaign is attested by the employment of radio prior to and during the "Federated Charities Week." It is expected that addresses supporting the drive will be delivered by the Prime Minister and others. The securing of funds to aid the "submerged tenth" will be gone after in a bristling and business-like fashion, with everything concentrated on the one object.

PRODUCE

(Canadian Press)

MONTREAL, Oct 30—Prices of butter, eggs and cheese rose higher on the Montreal dairy and produce market today. The butter market was quoted at 19¾ to 20 cents a pound for no 1 grade in carlots or less compared with last week's closing quotation of 19½ cents a pound. Decreasing production and receipts have tended to lend strength to prices. Dealers now have to resort to storage supplies which are above the present market owing to the light arrivals of fresh stock. Receipts today were 82 boxes.

Fresh eggs continued scarce and graded shipments in carlots or less of Ontario eggs advanced to 40 cents a dozen for extras, 34 cents for firsts and 18 cents for seconds for graded shipments in carlots on less. Storage lots remained at 21 cents for extras, 19 cents for firsts and 15 to 16½ cents for seconds for carlots or less. Offerings were 223 cases.

Ontario cheese, which closed at 9 cents a pound on Saturday, firmed to 9 to 9¼ cents today while Quebecs were steady at 8¾ cents. Arrivals were 278 boxes.

The potato market held steady at 65 to 70 cents for Quebecs and 70 to 75 cents for New Brunswick green mountains in 80 pound bags.

RECEIVES WIDE PUBLICITY— The October issue of the Fur Trade Review, the oldest fur trade journal in the world, published in New York, contains the following: "The fur trade in all markets will be greatly interested in the formation of the Prince Edward Island Fur Auction Sales Company Ltd., of Summerside, P. E. I. This great market for silver fox pelts and other furs attracts buyers from all over the world each Winter. The establishment of this new sales company, it is believed, will serve a useful purpose both for the fox ranchers and the fur buyers. The fact that Daniel F. Meehan, well-known fur merchant and silver fox expert, of New York, is president and his associate G. R. MacQuarrie, of Summerside, vice-president and secretary is taken as assurance that the sales will be under able and experienced management. Both gentlemen have been in the fur business for many years and enjoy the confidence of merchants in all markets and of the numerous fox breeders of Prince Edward Island. The first sale will be held December 7th, 1933.

PRE NUPTIAL SHOWER—The home of Mr. and Mrs. H. J. Lamont, French River, was the scene of a prettily arranged miscellaneous shower on Oct. 24 given in honor of their daughter Emma, who is to become one of this season's brides. The drawing-room was nicely decorated for the occasion in green and white streamers, autumn leaves and bells. To the strains of Lohengrin's Bridal Chorus played by Mrs. Harry Underhill, the bride-to-be was escorted to the drawing-room by Miss Alexandra Keir and took her place in a gayly decorated chair under an arch of autumn leaves and bells. A nicely trimmed basket heavily laden with gifts was placed in front of the guest of honor, while Mrs. Wallace Adams and Mrs. Fred Bernard unwrapped the parcels and Miss Elsie MacKay read the humorous verses and good wishes and Mrs. Leslie Campbell presented them to the bride-to-be. When the gifts had all been opened Emma thanked the donors for their splendid gifts and good wishes in a very pleasing manner, after which all joined in singing "For She's a Jolly Good Fellow." A delightful luncheon was then served which was thoroughly enjoyed by all. The remainder of the evening was spent in dancing, music being furnished by Messrs. Roland MacKenzie and F. J. Kilbride, violinists, and Mrs. Elmer Parsons and Mrs. Wallace Adams, accompanists.

Boy Scout Work Subject Of Address At Rotary Club

At the Rotary luncheon yesterday Mr. R. C. Parent gave an interesting talk on Boy Scout work, taking as his subject "Baden-Powell's Recipe for Success." He traced the history of the Scout movement, of which Baden-Powell was the promoter and is now Chief Scout, being head of the Association of Boy Scouts and Girl Guides which has a membership of 2,160,000 in ninety-four countries of the British Empire and 250 on the Island.

About twenty-five years ago General Baden-Powell, famed as the defender of Mafeking, 1900 and subsequently organizer of the police force of South Africa, had a vision of bringing about a brotherhood of youth with the object of advancing international goodwill and peace. Now at the age of seventy-six he is feeling happy and satisfied at the success of his efforts.

The speaker made reference to the International Scout Jamboree at Birkenhead last year when fifty thousand boys were under canvas and at Austro-Hungary this year where there were twenty-five thousand "smiling faces and happy hearts."

The speaker then quoted the Boy Scout's "Creed," pointing out that all boys from eight years old upwards, healthy, crippled or blind are eligible for membership. Baden-Powell has written twenty books including "Rovering to Success" and from this work Mr. Parent quoted from a chapter "How to be happy though rich or poor." One of the secrets of happiness is making the best of what you have, looking on life as a game and the whole world as a playground, helping other people at all times, realizing that pleasure does not always mean happiness but is too often a distraction.

The speaker announced that the Boy Scouts, Charlottetown, Summerside and Montague, are holding an Apple Day on November 18th when by the sale of apples they hope to raise funds for camp equipment.

Rotarian Orrin MacGregor was in the chair and welcomed back Rotarian H. C. Rogers who has been absent through illness.

STREAM FLOW CONDITIONS IN THE MARITIME PROVINCES

OTTAWA, Canada.—The Dominion Water Power and Hydrometric Bureau of the Department of the Interior reports that the low water conditions which had prevailed in the Maritime Provinces since early July were terminated by rains during the latter part of August. In southern New Brunswick the August run-off was 77 per cent of the average for that month, low water continuing until the 24th of the month when heavy rains began. In south-western Nova Scotia run-off was nearly twice the normal owing to the heavy rains which commenced on the same date as in southern New Brunswick. Run-off in eastern Nova Scotia was only about one-quarter of the August average; this district was outside that affected by the heavy precipitation above referred to, although a number of rains occurred during the last 10 days of the month and stream flow increased.

ELDON WOMEN'S INSTITUTE

The regular monthly meeting of the Eldon Women's Institute was held at the home of Mrs. L. A. Ross on Tuesday evening, Oct. 24th, the President, Mrs. M. F. MacDonald in the chair. The opening exercises, "Institute Ode" and "Creed." Roll call was responded to by nine members and one visitor. The minutes of last meeting were read and approved. A pleasing feature of the meeting was a paper on Handicraft, by Mrs. J. G. Frizzell. Reports were received from the different committees. A bill presented for school work and ordered paid. Next meeting will be held in the Belfast Hall, business meeting at 7.30. Being the 10th anniversary of the Institute, a programme and supper will follow, each member bringing a guest. With the National Anthem the meeting adjourned. Lunch was served by the hostess.

During the year ended last March, imported linen yarn was distributed among the homemakers' clubs in Quebec by the Dominion Department of Agriculture at a nominal cost in order to demonstrate its usefulness.

FIRE CALLS—Yesterday morning about 9.30 the firemen were called out for a blaze at 34 Hensley Street, caused by a short circuit. Shortly after an electric washing machine commenced to operate, the wires started burning and an alarm sent in. Upon investigation it was found the cut out was bridged with a nickel. There was little damage.

LAID TO REST—The funeral of the late John Beaton was held from his late residence, Hunter River, on Sunday afternoon, October 29th to the People's Cemetery, and was very largely attended, despite the inclement weather. The service was conducted at the home by the Rev. Mr. Crabtree, of St. John, N. B., assisted by Rev. F. E. Boothroyd of the United Church. The pall bearers were as follows: Robert Silliphant, Donald Andrews, James Waye, John Spence, Daniel MacDonald and Hammond Bertram.

HALLOWE'EN PRECAUTIONS — The City Police Force will be augmented by a number of plainclothes men tonight to prevent the celebration of Hallowe'en being carried too far. It is expected that the R. C. M. P. will also co-operate. Innocent amusement by the younger folk will not be interfered with but the Police are determined to prevent a repetition of last year's actions. Owners of cars and trucks, and in fact all vehicles, are asked to house them safely when not in use tomorrow night. The Police have received instructions to place under arrest anyone found interfering with property.

GIRL GUIDE NEWS

Second Charlottetown Company Guides were congratulated on their very neat appearance by Miss McMahon, who visited last Friday's meeting and took inspection.

The Scarlet Tanager and Orchid patrol tied for first place in the hike game, each with 19 points out of a possible 20.

Around a very attractive artificial camp-fire, prepared by the members of the Orchid patrol, Miss McMahon told some interesting stories of crippled Guides and Chinese Brownies she had visited out west.

After the meeting a training class was held which was attended by practically all the Charlottetown Guiders and by a Guider from Montague.

Next Friday's meeting will be held from 6.30 to 8. The following Guides will receive their first service stars, having completed one year's service in the Movement: Sylvia Block, Sarah Forbes, June Foster, Avis Higgins, Marjorie Large, Pauline LePage, Delys Owen, Hilda Richardson and Pat Ritchie. The Oriole patrol will have charge of the camp-fire.

SCIENCE MAY RESTORE GIRL'S FEMININITY

OAKLAND, Calif., Oct. 30.—Scientific efforts to restore the feminine charm of a once pretty girl who has developed masculine characteristics, even to the extent of a mustache, were announced here by Dr. Theodore Schwarz, assistant director of Highland Hospital.

Dr. Schwarz said the patient, "Miss X," is 23 years old and presents a case of "extreme glandular disorder."

In addition to the mustache, he said, she has developed side-burns, "rigid" mannish muscles and masculine hands. Two years ago "Miss X" was "unusually girlish and pretty," he added.

The physician, who is associated with Dr. George E. Nesche, supervisor of the Oakland clinic, in the attempt to restore the woman's femininity, said her condition was due to an unbalance in pituitary and thyroidal glands.

SMALLEST PRINTED BOOK COMPLETED

WORCESTER, Mass., Oct 30—Completion of what is described as the smallest printed book in the world, a tiny volume of 28 pages of verses by the Persian poet, Omar Khatyam, was on view here today.

The book, so small its entire contents would barely cover half of an ordinary postage stamp, contains 46 quatrians of Omars poetry from a translation made several years ago by a Worcester man, Eben Francis Thompson, a student of Persian.
