## Western Young People Hold Leaders School

Congressional, State Election In U. S. Today

The Western Young People's Leaders School of the United Church was held at the Summerside High School on Friday, November 11th.

There was a large attendance from nineteen Prince County Societies. The school was conducted by Rev. Mr. Barker, of Bedeque and Mr. W. N. Jenkins, of Lower Bedeque. The other 'A Study of the Life of Jesus Christ' was read by Rev. F. M. Young, of Tryon. The courses demanded study periods totalling eight hours, during which time the candidates will be given Leaders Training Certificates.

During the recreation periods Miss Margaret Pitman, National Convener of Recreation, led the group in many enjoyable games. Mr. Alder Lead took charge of the several worship periods in a very capable manner. He also gave a timely talk on the materials available to Young Peoples societies and also of methods of using this material.

On Saturday afternoon the school was treated to an entertainment put on by some of its talented members and staff. A comedy act by Rev. Norman Thomas and Mr. Kier Douglas; readings by Mrs. N. Thomas; solo by Miss Mary Muttart. Another interesting programme, "Hymn Appreciation" was given by Mr. Barker in which he explained what went into the making of a good hymn from a tune and a story. His remarks were illustrated with selections by the Bedeque Young Peoples choir.

The closing session was held at 7 p. m. Sunday evening with Mr. Ralph Wallace presiding. After the evocative period which was interspersed with two musical selections, an anthem "Rejoice the Lord is King" by the Young Peoples choir, a prayer was read by Mr. Barker. The bride received many beautiful gifts of silver and other lovely things that would please the heart of any bride-to-be. A little bride and groom Mr. and Mrs. Lewin's own little daughter, Carlotta and Master Gordon Bell brought in the gifts. The presents were opened by Miss Mildred Schurman and the verses read by Rita Gassle. Miss Effie Jeffery also assisted with the gifts, presenting them to the bride. ## INQUEST AT SUMMERSIDE ADJOURNED

An inquest into the death of Cedric Walsh, 21, who was fatally injured little more than a week ago when a car in which he was a passenger smashed into a telephone pole opened at Summerside yesterday. Coroner Dr. W. B. Howatt, presided. At the conclusion of evidence by several witnesses the inquest was adjourned until Wednesday, Nov. 9th. Mr. L. G. Lewis represented the Crown. The jury were L. A. Gore, for the Crown; George MacPherson, T. Morrison; D. F. MacNeill; Claude Kenny Sr.; Arthur Morris and C. C. Dickie.

The first witness was Albert Jay Jordan, who stated that he had arrived at the scene of the accident which occurred near Bedeque on October 29th, shortly after 10 p. m. in which he was riding on his side in the right hand ditch, the accident happened at a sharp left turn out of Centreville, going to Borden, the witness who had not been in the car for eight miles or ten miles previous to the accident, stated he helped to remove Lloyd and Cedric Walsh from the car. At first he thought Cedric was not hurt but on examination found him to be breathing. He noticed a person working around Cedric and someone said "look here" and Cedric's head was under the bottle was broken and empty. "We threw the teddy away in the field" the witness considered the man a good driver and had been in a number of accidents there. He considered Walsh was driving very carefully.

The next witness called was Dr. J. Simpson, who stated he had performed an autopsy on the body of Cedric Walsh and found that death was due to a fracture of the skull and hemorrhage of the brain as a result of a blow of great violence.

Percy Bowness called stated that he lives right across the road from where the accident occurred. He was sitting in the house with Walter Hamill when about 11 p. m. he heard a crash and went out, helped Lloyd and Cedric Walsh out of the car, and then Cedric Walsh. Felt Cedric's heart but could feel no movement, there was just slight evidence that he was breathing. He heard the doctor had been sent for. The witness corroborated the evidence of Jay about finding of bottle. He did not smell any liquor off passenger.

Vernon Muttart, Carleton, the next witness called, stated that a Ford roadster had passed him after the accident. He was driving at about 40 miles per hour when the car passed. Verified the previous witness evidence about position of car etc.

The coroner confirmed evidence of Mr. Bowness and others. Lloyd Walsh, brother of the deceased, was the next witness. He testified he was a mail driver. He had been driving the car since 8 p. m. on October 29th, had been driving the mail with the car. Breaks were good. Witness stated he had had two drinks of rum and a bottle of beer. He had had the car for a week and had bought the drinks and also bought a teddy. The witness said he thought the accident was due to the car being loose. The nuts were loose earlier in the evening and were tightened up. After the accident he found the nuts were loose. He stated it was not until Wednesday, Nov. 9th, at 10 A. M.

That Body of Ours

(Continued from page 1)

And they are no longer young. Many of these are not eligible for either pension or assistance under the existing legislation.

The Legion is sensible to the fact that it is no easy task for any Government in these troubled times, and they never yet have made an unreasonable demand, and have never sought to embarrass those in authority. But, at the same time, they have, and intend to, in as far as they can, safeguard the interest and welfare of their comrades and their dependents.

But there are many individual cases which are not, and some of them possibly cannot be covered by legislation, and it is for these that we hold annually our Poppy Day Campaign, our one appeal to the public during the year. This campaign is well organized, well advertised, and thanks to the public well patronized.

"When you buy a wreath or a poppy—The Flower of Remembrance—this year you are assisting employment in this country, for these wreaths and poppies are made in the Velcraft Shops in Ontario, Canada, and worn by disabled veterans. The proceeds of the sales are devoted entirely and strictly to the relief of needy veterans and their dependents.

What I tell you that the Charlottetown Branch, through this means, last year raised and spent on relief \$800.00, you may realize just how great is the need. Mr. Goodwin went on to appeal to the Rotary Club for assistance in making the Poppy Day Campaign a success.

The program for Wednesday was specially devised for Remembrance Week. Past District Governor Walter S. Grant was in the chair, and the speaker was L. W. Goodwin, President of the Charlottetown Branch of the Canadian Legion, who made an eloquent appeal on behalf of the Poppy Day campaign.

The guests were J. A. Reardon, Charlottetown, F. O. Archibald of Halifax (father of Rotarian Archibald) and members of the Executive of the Fishermen's Union, who were introduced by Past District Governor Percy W. Turner, Secretary of the Union. They are as follows: President, James B. Macdonald, West St. Peter's; Vice-President, Napoleon Arsenault, Mount Carmel; Directors: Queen's County W. E. MacInnis, Rocky Point; Prince, Earl MacRae, Tignish; Kings, Robert MacKenzie, St. Peter's.

Rotarians Harry G. Rogers, Saint John, and Dr. T. B. Acker of Halifax were warmly welcomed. The musical program included a solo "Land of Hope and Glory" by Rotarian Jack Sterns, also the songs "The Long Long Trail" and "Pick Up Your Troubles" and "Tipperary."

Two speaking tours that have taken him from the Atlantic to the Pacific showed him tendencies in various sections to stir up sectionalism, and to create a danger of "Confederation" with loose talk. Dr. Manion said he blamed no individual.

The Conservative Leader is here for the official nomination for the London federal by-election Nov. 14 to elect a successor to the late Major Fred Betts, Conservative. Dr. Manion will be the official Conservative candidate. Nomination papers for him and for E. O. Hall, co-operative commonwealth federation candidate, were filed with the returning officer today. There is no official Liberal standard-bearer.

LONDON, Ont. Nov. 7.—(CP)—A vote for the Co-operative Commonwealth Federation is a vote for Socialism in Canada. Hon. Dr. R. J. Manion, National Conservative leader, said today in addressing Western Ontario Conservatives in annual meeting here.

Dr. Manion, nominated today as his party's candidate in the Nov. 14 federal by-election in London, will be opposed by Everett O. Hall, London collegiate teacher, who carries the C. C. F. colors.

Third fourth and fifth parties in Canada are creatures of discontent, said Dr. Manion. They increase only when conditions are bad. The Conservative party is commended to reform within the framework of the present parliamentary and economic system. The C. C. F. and other minority groups want to unsettle the system.

"The C. C. F. is socialistic. We're not. We want to bring about reforms within the parliamentary system, within our economic order and with the preservation of our present freedoms. The socialists—and I'm not criticising them for it—would unsettle these things but people should know for what they are voting."
