ROYAL COMMISSION ISSUES REPORT

OTTAWA, Sept. 8.—The Dominion Royal Commission, of which Sir George Foster is a member, has just issued the last of its publications dealing with the trade, conditions and resources of the overseas Dominions. This report deals with the evidence taken by the Commission in the Maritime Provinces of Canada just before the outbreak of the war last year. Prominence is given to the evidence taken in the Maritime Provinces relating to the need of a fast mail service between Halifax and the United Kingdom ports and to the desirability of improved imperial cable communications. It was pointed out forcibly before the Commission that although the Halifax route was much shorter, the New York ships were much faster, so that mails were distributed in Canada two days earlier by the New York routes one to two days could be saved with fast ships between Liverpool and Halifax and mails for Australia and New Zealand could be carried on an All Red Route across Canada. An imperial subsidy was suggested, based on the speed of the steamers.

The proposal for improved cable facilities, as reported by the Commission, was that one of the existing cables across the Atlantic Ocean be leased and linked up with the Pacific cable by a Canadian land line.

New Maternity Ward

A new Maternity Ward of four beds has been opened in the P. E. Island Hospital.

Cases will be admitted through the members of the medical staff at the rate of \$5 per week which includes all Hospital expenses.

Applications for beds should be made as early as possible to the Lady Superintendent.

HAPPENINGS OF THE WEEK

The past week has been one of exceptionally delightful weather, more like the opening days of summer than the first touch of autumn as evidenced by the leaves which are beginning to turn. These beautifully clear, bright days and cool balmy evenings have been enjoyed to the fullest extent in picnics, boating and general out-of-door life.

The school children have felt the days very long after their holidays but are gradually getting down to the regular school work and the attendance is larger than ever in the three public schools.

Labor Day was glorious in weather and quietly celebrated here, except for the fine labor parade in the morning and sports in the afternoon. The business section was very generally closed up and the day was observed as a public holiday throughout the Province. Many people went away from the city for the day, while quite a few left on Saturday for the week-end afforded by the holiday.

From a social point of view this week has been a quiet one except for the informal outdoor picnic enjoyed from day to day. Those outings included a number of private luncheons at the Golf Links given in honor of visiting friends.

The Summer Resorts have closed after a most successful season under the superintendence of Miss Curren, who left yesterday for Montreal. Miss Curren has made a most favorable impression and won for herself a wide circle of friends who anticipate her return to Holland Hall next season.

Major A. A. Bartlett, Mrs. Bartlett and Miss Bartlett have moved to the city from their summer cottage at Holland Hall and will spend the winter at Mrs. Crookill's.

The many friends of Mr. S. W. Crabbe were delighted to learn that he was out driving this week and everyone looks forward to his full recovery to health and strength.

Among the visitors who are being entertained by their friends this week are Mr. Justice Harris and Mrs. Harris of Halifax who are guests at Mrs. Crookill's home.

Mr. and Mrs. Ralph Pearson have returned to Ottawa after a delightful two months visit at Brackley Beach.

On Labor Day the St. James Tennis Courts were fully occupied during the entire afternoon and a warmly contested tournament was enjoyed by the members. Tea was served on the courts to over fifty guests, the hostesses being Mrs. K. J. Martin, Miss J. Martin, Miss K. Irving, and Miss H. Gates. This energetic club this season had their three tennis courts rearranged, copper netting and other improvements being added and they are now in splendid condition. It is understood the young ladies of the club are to give a tea on Monday afternoon next in order that outsiders may have the pleasure of a try out on the courts and quite a large number will no doubt be in attendance.

The Tennis Courts in Victoria Park were the scene of many pleasant parties this week and early and late the young people indulge in singles or doubles as the members assemble. Tea this afternoon is to be served by the Miss P. Bell, Miss K. Beales and Miss A. Gordon.

Mr. Will Dean entertained a party of friends yesterday at a delightful sail in his large and commodious motor boat. Mr. Dean has been host during the past summer months to several similar parties and his guests have greatly enjoyed the scenery of the East and West Rivers while not a few have revelled in the beauties of Bonslaw when the tides have permitted.

Mr. Dean is an ideal host and his thorough knowledge of the rivers and the management of his motor, leaves his ample time to mingle with his friends and give them the history of the surrounding scenery, which to strangers especially, is most entertaining.

Miss Gladys Lavie who has spent a delightful holiday in this city, coming here from Edgehill College, Windsor, sailed from New York this week on route to her home in England. Miss Lavie was a genuine favorite, especially in the young social circles, while her musical talents were appreciated by young and old. Her safe arrival is eagerly looked forward to by her friends here.

Mrs. Douglas Cameron and Master Irving Cameron returned to Ottawa this week. They spent the summer months at Brackley Beach.

Mr. James B. Hegan has been enjoying a vacation in St. John this week renewing old acquaintanceship.

Miss Lucy McNutt, Charlottetown, who was visiting in Malpeque, entertained a few of her friends at a motor sail Tuesday afternoon. Among the guests were Mrs. Preston McNutt, Mrs. McNeill, Miss Fannie McNutt, Mr. and Mrs. Ernest Ramsay, and Mr. Robt. McKenzie.

Rev. T. W. Murphy, rector of St. Paul's church, accompanied by Mrs. Murphy and little daughter are at present in Toronto visiting with relatives and friends.

LONDON, Sept. 9.—Premier Radeslavov of Bulgaria stated in an interview with the Sofia correspondent of the Post that an agreement for the cession of Dedeagach railway to Bulgaria by Turkey has been concluded and that occupation of the ceded territory will begin ten days hence in presence of Bulgarian and Turkish officials.

LET US BE FAIR

Sir.—As the Patriot and the Liberal Candidates are charging and condemning the last Liberal Conservative Government in power in this Province previous to 1891, with being reckless in the expenditure of the public monies and consequently having to withdraw \$200,000 from the amount at the credit of the Province at Ottawa to pay off the debt which the Government was owing at the Banks, let it not be forgotten that our present capable and able jurist, Sir William Wilfred Sullivan, was Premier of the Province at that time. The Farmers were paying no taxes, and the money was spent in other useful purchases by them. This necessitated the withdrawal referred to, but did the Province as a whole lose anything by it? The answer certainly must be, no, as about that time or shortly after this amount of \$200,000 was withdrawn lessening our capital by \$100,000 a year. The Sullivan Government through the efforts of its leader had an additional subsidy of \$20,000 a year placed to the credit of the Province at Ottawa, so the Province was really \$10,000, a year better off for all time in consequence of the withdrawal. But if the House of Assembly of that time, with a Government Majority is to be censured for passing the bill enabling the Government to take the \$200,000 from Capital, why is not the Legislative Council with its Liberal Majority and the present leader of the Liberal party, Mr. Benjamin Rogers, its leader at the time, censored also for passing the bill in the Legislative Council as all bills had to pass both houses to become law. The Patriot charges loss of revenue on \$100,000 for 20 years, \$200,000, but why is it not honest enough to give the other side and give credit for \$20,000, for 20 years, and it would get \$400,000. Let it

then deduct its \$200,000—and it would get a balance of \$200,000 in favor of the Province for all time. As the Patriot and its writers seem to have very little regard for the truth during the election campaign I would ask you to kindly give space to this letter in the Guardian.
I am, Sir, &c.,
OBSERVER.
Kings County, Sept. 7.

HALIFAX EXHIBITION.

Sept. 8-16.
