This is in anticipation of the Fall Season which Mr. Gallagher tells us is not only getting to Charlottetown some of the best pictures of the year, including "Mickey," "The Unpardonable Sin" and "Common Clay," but a greater number of Companies than during recent years; including the "Mac Edwards' Stock Company," "Gladys Klark Co.," "Klark Urban Co.," "My Honolulu Girl"—a splendid Musical Company organization and the spectacular production of "Uncle Tom's Cabin." Mr. Gallagher is determined that the Charlottetown theatres will continue to compare favorably with any on the mainland, and the improvements which the Scenic Artist is now effecting is only one of the several which can be expected.
