

A Sure Reward When Paine's Celery Compound is Used.

The Only Medicine That is Able to Call a Halt to All Wasting and Dangerous Diseases.

If sick people—young and old—acted with greater promptness and decision, suffering agony and misery would be vastly reduced.

To delay the work of regulating and bracing the nerves and purifying the blood is a serious mistake.

When the blood is sluggish, impure and poisoned, when the nervous system is unbalanced, when digestion is deranged, and the appetite poor and variable, be assured your condition is critical, and calls for instant attention before the hot summer weather brings its many added dangers.

At this time the use of Paine's Celery Compound will do a marvellous work for every rundown, sick and diseased man and woman. Its life-giving work first commences with the blood, which is made clean and pure; then the nerves are quickly set in order, digestive organs are fully restored, the appetite is made natural, sleep is refreshing, and the dependent heart is made light and joyous.

It is well to bear in mind that Paine's Celery Compound owes its origin to the most distinguished physician that this North American continent ever produced, and his great and worthy prescription is publicly indorsed by our best medical experts.

If all disheartened sufferers will start promptly with Paine's Celery Compound they will be astonished and delighted with the speed with which this wonderful remedy is able to call a halt to wasting and dangerous diseases. It is now making tens of thousands well and strong for the hot and sickly summer weather.

SCHOOL GIRLS' NERVES.

Many a pale, weak school girl suffering the evil effects of an exhausted nervous system, and thin, watery blood, has been fully restored to the vigor and buoyancy of robust health, by using Dr. A. W. Chase's Nerve Food. The healthful glow on the cheek and the brightness in the eye tell of the building up process which is taking place in the body.

"And did you crush him with a look, as you said you would the next time you met?" "Why, no; I rather think I only mashed him."—Indianapolis Journal.

WEARY OF EXPERIMENTING.

With salves, suppositories and ointments and dreading a surgical operation scores and hundreds have turned to Dr. A. W. Chase's Ointment and found in it an absolute cure for piles. The first application brings relief from the terrible itching and it is very seldom that more than one box is required to effect a permanent cure.

Women, as a rule, have very poor memories, but they never forget the people who say nice things about their clothes.

RHEUMATISM CAN'T EXIST.

When the kidneys are kept healthy and vigorous by the use of Dr. A. W. Chase's Kidney-Liver Pills. It is uric acid left in the blood by defective kidneys that causes rheumatism. Dr. A. W. Chase's Kidney-Liver Pills make the kidneys strong and active in their work of filtering the blood, and thus remove the cause of rheumatism. One pill a dose, 25 cents a box.

The love of woman passes all comprehension, and a man's love of her often does likewise.

A Fashionable Disease.

La grippe is the most prevalent disease of the day, affecting nearly 25 per cent. of our people. Griffiths Menthol Liment applied to the back and chest and a few doses taken internally is a positive and quick cure. It is pleasant to take and clean to apply, and will cure in a single night. Try it. 25 cents at all druggists.

There is more than one kind of smokeless powder that is fatal to mankind.

A QUERY ANSWERED

Anxious questioners ask, "Is there no sure cure for corns?" We are glad to be able to tell these sufferers that Putnam's Painless Corn Extractor will relieve them in a day, and extract corns without pain. It never fails.

PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing, at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. I also have several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revers.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Russ, and Campbell.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tupper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Mutch's; and Cliff. At Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaforth, and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists. The rivers and streams team with trout, the bays with mackerel, while game of almost every description abounds.

N. B. - Visitors to Prince Edward Island, who desire full information regarding hotels and boarding houses, trains, boats, livery stables, etc., and how to reach the different seaside and country resorts, fishing places, etc., can obtain the same by writing to or calling on Messrs Johnson & Johnson, Druggists, Prowse Block, Charlottetown, and Mr. D. K. Currie Water St. Summerside, where all information will be cheerfully given free of charge.

All hotels and farm houses having accommodation should register at the above places at once, stating charges, nature of accommodation, locality, and such matters as tourists would like to know about.

"FOR THE SAKE OF FUN, MISCHIEF IS DONE."

A vast amount of mischief is done, too, because people neglect to keep their blood pure. The mischief appears in eruptions; dyspepsia, indigestion, nervousness, kidney diseases, and other ailments. This mischief, fortunately, may be undone by the faithful use of Hood's Sarsaparilla, which cures all diseases originating in or promoted by impure blood. A TORONTO MUSIC DEALER.

His wife suffered from weak heart action and nervousness.

Milburn's Heart and Nerve Pills cured her.

The wife of Mr. A. R. Taylor, the enterprising dealer in musical instruments, whose place of business is 192 Queen St. East, Toronto, was for some time troubled with weakness and palpitation of the heart and general run

down health. Milburn's Heart and Nerve Pills have been the means of strengthening her heart, toning her nerves and invigorating her system.

In the following statement she gives an account of her case: "For some time I suffered a good deal from palpitation and weak action of the heart and nervousness, so much so that I got terribly run down in health. I could get nothing to do me much good until I tried Milburn's Heart and Nerve Pills.

"The improvement they have made on me has been truly wonderful. I feel stronger and healthier in every way than I have for months. My heart does not bother me any more and my nervous system has been toned up and invigorated. I consider there is no remedy equal to Milburn's Heart and Nerve Pills for people who have any heart trouble or are weak and nervous and I never fail to recommend them to my friends."
