# Fall Millinery Opening

We wish to announce to the public that we will hold a  
**Grand display of artistic fall millinery on Saturday 28th, commencing at 9 a. m. and continuing all day and Evening**

It has been our custom here-to-fore to have a formal Opening in the fall season, as our immense stock of Furs, and other heavy goods, necessarily take too much space to do so conveniently.

On this occasion however, we wish to introduce to the Charlottetown Ladies MISS TURRILL, our new milliner, who will we feel sure, be able to give the ladies something above the ordinary in millinery ideas.

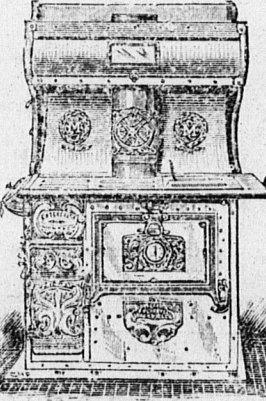

Certain it is, that we have procured, in millinery materials, the newest and best that this broad Dominion affords, and as Miss Turrill comes recommended from the largest millinery concern in Toronto, we have no doubt whatever, that she will carry our acknowledged millinery supremacy, to a still higher notch, if possible.

We extend a most hearty invitation to each and all to come.
