### Soldiers Are Invalided Home

(By The Canadian Press)

Invalided home after serving with  
 the Canadian army overseas, several  
 hundred soldiers are on their way  
 to homes all across Canada.  
 Some ailments and motorcycle  
 accidents accounted for most of the  
 casualties.

Most of the motorcycle casualties  
 were injured in the "battie  
 of the Nortons" on the 11th of  
 August, 1918, when an English  
 motorcycle, less seemed to  
 slip most in this engagement.

Cpl. S. Hoger, of Regina, Sask.,  
 was injured in what he called the  
 "battie of a Triumph"—another  
 motorcycle. A delayed action  
 bomb and a motor trolley combined  
 to make him a casualty.

The bomb went off and the  
 very swing into my motorcycle," he  
 said. The accident happened a  
 year ago, and Cpl. Hoger's side was  
 badly injured.

Pte. Kenneth King, of Engle-  
 hart, Ont., said he was going  
 to the front, but I haven't," he  
 said. Asked if they were glad to be  
 in Canada again, one group chorused,  
 "We'd be glad to be here!"

A group of Nova Scotians wanted  
 to know all about provincial base-  
 ball and boxing. They said they  
 enjoyed reading The Canadian  
 Press news overseas.

The Canadian Press News is a  
 weekly newspaper compiled in  
 Canada especially for men of the  
 Canadian armed services overseas.

In the group of Nova Scotians  
 were Pte. C. R. Bennett, Kentville,  
 and Pte. J. G. MacIsaac, Halifax.

 in Canada again, one group chorused,

Anticipates New  
 Taxation Grievance

OTTAWA, July 18—(CP)—Fin-  
 ance Minister Hiesey anticipated a  
 new taxation grievance in the  
 House of Commons today but at the  
 same time said there was nothing  
 to be done about it.

He said it had been necessary to  
 amend proposed income tax rates to  
 give an incentive to married women  
 to remain in employment. For tax-  
 ation purposes the married woman  
 earning more than \$660 a year will  
 be considered a single person while  
 her husband will be treated as a  
 married person.

"I do not want to raise grievances  
 for people," said Mr. Hiesey, "but of  
 grievance now is the single woman,  
 who sees working beside her  
 married woman who has a husband  
 to support her, and whose husband  
 is getting an allowance on the as-  
 sumption that he has a home and  
 is supporting his wife when actu-  
 ally she is not supporting her, be-  
 cause she is working.

"We cannot help it; we have to  
 get those people to work and keep  
 them at work; so we had to make  
 that change."

IS RESCUED FROM RIVER

FREDERICTON July 19—(CP)—  
 Cpl. J. G. Mallory, Woodstock,  
 N. B., was recovering tonight fol-  
 lowing his rescue from the St.  
 John River by other soldiers Sat-  
 urday. Unable to swim, he stepped  
 beyond his depth while bathing. He  
 was unconscious when brought to  
 shore.

Under the new Waste of Fuel  
 Order in Britain all artificial light-  
 ing of shop windows and show  
 cases must be discontinued.

Plucky Coastguardsmen, in a tiny boat that's dwarfed by surging seas,  
 are shown, above, rowing from their own vessel in the foreground to  
 the rescue of seamen aboard a big tanker ahead that is sinking after  
 being torpedoed by an Axis submarine in the Atlantic.

### Forest Fires Under Control

HALIFAX, July 19—(CP)—Aided  
 by a change in weather conditions,  
 fire fighters were reported tonight  
 to have subdued most of the forest  
 fires which raged uncontrolled in  
 various sections of the prov.

At Debert military camp, four  
 bulldozers ploughed deep furrows  
 along the main Truro-Moncton, N.  
 B. highway while hundreds of sol-  
 diers ringed the burning area, armed  
 with shovels, fire axes and  
 boughs. The fire, which broke out  
 Friday along the Masstown Road  
 in the camp area, was checked by  
 Saturday morning only to break out  
 afresh in the afternoon.

Details from almost every unit in  
 camp and a nearby air force base  
 fought the spread of the fire in re-  
 lays, with food and water being  
 brought out to the men. The area  
 cleared by the bulldozers prevented  
 the flames jumping the main high-  
 way and tonight the area was con-  
 sidered burned out.

### Tobruk Has New Name?

(By Harry Crockett)  
 (Associated Press Staff Writer)

WITH THE BRITISH ARMY AT  
 ALAMEIN, Egypt, July 19—(AP)—  
 The Germans have renamed Tobruk  
 and now call it Rommel in honor  
 of the field marshal who captured it.

British officers learned of this  
 today from one of Rommel's staff  
 officers who was captured in the  
 last 24 hours. An order changing  
 the name, signed by Marshal Goer-  
 ing, was found in the possession of  
 the captured officer.
