THE IMPROVED RUPTURE CURE

OF CHRONIC DISEASES and RUPTURE by DR. CLIFF. Diploma registered in United States and Canada. Send Stamp for information, or call at Ch'town, Friday Saturday and Sunday.

Charlottetown P. E. Island Canada Nov. 24th, 1896.

My Dear Dr. This is indeed my day of THANKSGIVING for after suffering for the past 12 years with the most aggravating form of Rupture as all my friends in Charlottetown well know which could not be operated by any means, YOU HAVE POSITIVELY and PERMANENTLY CURED ME WITHIN 60 DAYS, as you guaranteed to do, no cure no pay, in spite of all my unbelief. My wife and I are now stronger than the other. I DID NOT LOSE A DAY from my work in Rattenbury's Pork Factory, and instead of suffering any pain, ALL MY PAINS WERE RELIEVED FROM THE FIRST. I CAN NOW RELAXE THAT YOU ARE SUCCESSFUL ON MEN, WOMEN AND CHILDREN, with no chance for failure, if your orders are obeyed, no case could be worse THAN MINE. You are a successful Physician, and I will gladly prove the truth of this testimonial to anyone enclosing a stamp for reply, or by word of mouth or personal investigation. ALL SUFFERERS SHOULD KNOW THAT THEY CAN BE CURED, TO BE CURED. Your fee is a mere bagatelle to the amount I have thrown away on good for nothing trusses.

Respectfully Yours, FRED L. ROE.

Mr. Roe is about 40 years of age, a man of family and well known in Charlottetown. DR CLIFF HAS CURED MANY CASES, including a woman of double rupture and a child of 18 months, of hernia from birth, of which facts corroborative evidence can be sent at any time. DR CLIFF IS AT CHARLOTTETOWN every Friday, Saturday and Sunday; at Pictou, Revere Hotel from Monday noon to Tuesday noon; at New Glasgow N. S. CITY TAXES.—The defaulter's list has been held over for the purpose of giving citizens time to pay up. Those still owing city taxes are requested to call and have their names taken off the list and avoid publication.

THE lower part of this city seems to be quite busy in the shipping line lately. This was particularly noticeable on Thanksgiving Day. While in other parts of the town, the holiday was generally observed, about the wharves there was an appearance of business activity no doubt due to the near approach of the closing of navigation.

THE people of Souris are considering the advisability of establishing an electric lighting system in that village. Parties from this city have been there making arrangements for the forming of a company to carry out the work. The streets now have the oil lamps which do not satisfy the enterprising people of that place and the result of the new improvement is expected to prove favorable in having a plant installed, which it is probable will be run by water power.

THE late Mr. John Stumbles, whose death is recorded in another column, came to this Island from Plymouth, England, 54 years ago, and engaged in business which he continued until a year ago, when he was stricken with paralysis from which he never rallied. He passed peacefully away yesterday at eleven a. m. He leaves a widow and three daughters viz., Mrs. (Rev.) R. McArthur, Mrs. W. C. Turner and Miss Florence Stumbles. Deceased was a man of exemplary character, a good citizen and much respected by all his many friends.

At this service the children bring their gifts for the poor, anything in the shape of clothing, boots or shoes, orders for groceries, coal or cash. The children meet in the school at 2.30 sharp. SCHOOL OF COOKERY.—We learn that there is a possibility of a school of cookery being started in Charlottetown in the near future, probably after the first of the year. This enterprise will be managed by the Light and Power Company in order to teach all the late developments in cooking, particularly the use of the gas range. Such schools have been carried on in other cities and the result has been of great benefit to all concerned. Classes will be formed for married ladies, young ladies and special classes for cooks and domestics. Instruction will be given by a professional demonstrator and no doubt the school will be favored with a large attendance as no fees will be charged.

When you're offered an article your first question [after you're sure its good] is "how much." When PRICE SPEAKS and goes into partnership with quality —it takes a front seat.
