Blackhawks, Red Wings, Eagles Victors In Last Night's N.H.L. Games

(C. P. By Guardian's Special Wire)

MONTREAL, Feb. 21—Chicago Black Hawks drew up into a tie for second position in the American section of the National Hockey League at the Forum here tonight with a 3-1 victory over Montreal Canadiens before a crowd of about 5,000 fans. The win put Chicago on an even basis with Boston Bruins, who were idle.

A lucky goal by Wildor Larochelle early in the final period robbed Lorne Chabot of what would have been his eighth shutout of the season. Chabot, who played a brilliant game in the Chicago nets, was caught napping on a long shot from near centre ice that took a queer hop a few feet in front of the net and bounded over Chabot's out-stretched stick.

With only 13 men in uniform, the Hawks waited for the breaks which were not long in coming. Tommy Cook picked up a neat passout from Louis Trudell and shoved it past Cude as the latter dove, to open the scoring. The Hawks went into a two-goal lead 10 minutes later when Doc Romnes tallied on an identical play with Art Coulter after the latter had rounded the Canadien net with Paul Thompson's relay. Bill Kendall tallied in the third period after Larochelle got Canadiens' lone goal.

RED WINGS 3, MAROONS 1

DETROIT, Feb. 21—Detroit Red Wings tonight won their first game in 13 starts, defeating Montreal Maroons 3-1 in a National Hockey League game crammed with almost as much fighting as there was hockey playing.

Four major and one match penalty, one of the greatest lists of long term banishments in the League's history, were inflicted, the game threatening to get completely out of hand in the last period when Earl Robinson, Maroons' right winger, was sent from the ice to stay after fighting with a spectator. He had traded punches with Herb Lewis, Detroit left winger, a few seconds before, both taking major banishments.

In the second period big Lionel Conacher, Maroon defenceman, and Doug Young, Detroit rearguard, fought desperately, efforts of players on both teams and the referees being necessary to separate them. Conacher rained blows on Young's face.

Jack Adams' new front line of Johnny Sorrell, Syd Howe and Eddie Wiseman collected all Detroit's goals and was the standout line on the ice with Sorrell getting two and Wiseman one. Howe also had two assists.

The game was drawing near its close when Conacher counted on a hard shot.

NEW YORK, Feb. 21—St. Louis Eagles, driving to get out of the National Hockey League cellar, recorded their ninth victory of the season and their third over New York Americans, by 4-3 tonight, when a thrilling last period comeback overcame an early deficit.

With the A's leading 3-2 and Pete Kelly in the penalty box, Irving Frew and Joe Lamb broke free of an American rush. Red Dutton tried too hard to cut off Lamb's shot and took the puck with him into the net as he made a wild dive to save.

The Amerks were all out trying to regain the lead when Glen Brydson slipped away to score the winning counter lass than three minutes before the finish. It was the second goal for Brydson. Kelly scored the first one for the winners. Oliver, Carr and Chapman tallied for the sliding Amerks.

HURD WINS SKATING CH'SHIP

Wins First Place In Four Out of Six Events—Succeeds Herb Flack.

(By John Mosher, Canadian Press Staff Writer)

(C. P. By Guardian's Special Wire)

SAINT JOHN, N. B., Feb. 21—The twinkling blades of Alex Hurd, Kirkland Lake, Ont., carried him to the North American indoor speek skating championship at a meet opening here last night and concluding tonight. He won first places in four out of the six events for senior men and finished second in another, Hurd was the 1933 titleholder and now succeeds Herb Flack, Toronto, who secured only a second place in one final at the meet just ended.

Frank Stack, also of Kirkland Lake, is runner-up to Hurd.

By placing first in one event and second in another Lela Brooks, Toronto, succeeded Kit Klein, of Buffalo, as senior ladies' champion. Miss Klein did not attend the meet here. Flossie Hurd, Kirkland Lake, sister of the men's champion, became runner-up to Miss Brooks and Lillian Hallsworth, 14 year old Toronto girl, was third in the standing.

Lamar Ottsen, St. Louis, placed third in the 880 and whether he would be awarded third or fourth place for the five mile event remained to be determined by the judges. Some thought Stack had flashed across the line ahead of the St. Louis star.

Ernie Wedge, Detroit, won third position in the three-quarter mile tonight. The other United States entrant, Allan Potts, of Brooklyn, N. Y., failed to place in any of the finals last night and tonight.

Betty Gray, Toronto, retained the girls' intermediate championship and Orel Duffey, Toronto, captured the boys' intermediate title by a wide margin. Entrants in the other events for younger skaters were local.

Flue Causes Delay In Playdowns

(C. P. By Guardian's Special Wire)

KENTVILLE, N. S., Feb. 21.—Influenza has caused a delay in the playdowns for the Nova Scotia interscholastic junior and senior hockey championships. Games scheduled between Kentville and South Shore champions cannot be played until danger of spreading the disease is passed.

Public health authorities barred the hockey rink here to schoolchildren early in the week, while Lunenburg and Bridgewater health boards will not allow the Kentville teams to play there fearing they might spread the cantageous disease.

Along The Sidelines

(By Pat Power)

JUNIOR ABEGWEITS took their first step in defence of their last year's crown last night when they eliminated the hustling Royals team from further competition for this year. In defeating the blue and white clad team however they have banished as scrappy an aggregation as appeared on local ice this season. Banded together at the start of the season, with little or no experience and fresh from school ranks, the youngsters averaging hardly seventeen years of age have come along the trail that leads to hockey greatness in a convincing manner. That they gave their older and more experienced opponents a mighty tough battle is evident and should they stick together next season should find them a formidable squad. Judging from the players' attitude last night this latter fact is quite probable.

A lot of the credit for their smart showing, however, should go to "Chick" Williams, their coach. Taking them over early in the season, "Chick" has gone about his work in a quite efficient manner and results speak for themselves.

• • •

ABBIES KNEW MORE hockey than Royals, and this plus experience weighed heavily in their favor. They will have the best wishes of Island fandom as they start into the Island finals with Summerside, a team of which little is known. They may not be as strong as the team that caused a big upset last year but it is a safe bet that they will prove worthy representatives as they start out to uphold the honor which is now theirs.

• • •

INTERMEDIATE ABBIES are certainly proving their worth in Island circles and on their past three performances now loom as the team to beat for the title. Last night's victory at Alberton was surprising considering the two hard games players had with Summerside on successive nights and that two of the team are suffering from painful injuries. But it just goes to show what a squad can do when they have enough intestinal fortitude to carry on with the odds seemingly against them.

• • •

HOLMAN'S VICTORS, with a one-goal lead tucked away, leave today for Montague where tonight they meet the Primroses in the second game of their total-goal series. The undefeated City team is facing a tough assignment but that they will go down fighting is quite evident from the attitude they are taking on their crucial batle.

• • •

IT WOULD BE a quirk of fate should they meet elimination tonight after piling up such an enviable season's record, for then they would find themselves out of the running after suffering only one defeat all year. Tough would in no way describe such an outcome.

• • •

TREMENDOUS interest is being shown in the game and a special train is being talked of quite strongly. City League officials when quizzed on the matter stated that should they get sufficient reservations by noon today, at least 75 being needed, the train would be run, leaving here at 5 o'clock at approximately $2.00 return. Anyone desiring reservation is kindly requested to phone R. T. Holman's store early.

• • •

CHES CAMPBELL, jeweller, has revived interest in the three team Midget Hockey League by donating a beautiful trophy for competition. The Canadiens, north end representatives, are at present leading the league with five points, closely followed by the 2nd West End Rangers with three points. The Eastern team has at present no games won. It is proposed, however, that in the playoffs to commence next week the second and third place teams meet in a three game series with the winner meeting the league leaders in a five game playoff.

• • •

CHES, FORMER member of the Maritime champion Abbies, while not in a playing role any more, is still taking keen interest in the game, and his thoughtful act is highly appreciated.

ABEGWEITS ELIMINATE ALBERTON

Regals Concede Second Game To Local Team Following 4-2 Loss.

The Intermediate Abegweits successfully hurdled another barrier last night on their way to an Island intermediate championship by disposing of the Alberton Regals 4-2 in a hard but cleanly fought game. The Regals conceded the round to the Abegweits, preferring not to play the second game due to injuries received by two of their players in last night's encounter.

Gordon "Shag" Stewart was the detonating cap that set off the fireworks, scoring no fewer than three of his team's four goals. The Regals played close-checking hockey for the most part with the result that at the end of the second period the count was deadlocked, 2-2. In the third period, however, the Regals wilted under the Abbie attack, Stewart banging home two counters to put the game on ice.

The Western champions now await the result of the Holman-Primrose game tonight, which decides the Eastern title.

Summerside Commercial League

The Commercial Hockey League wound up its regular schedule Wednesday night before a large crowd of excited fans. The Post Office stalwarts finished two and a half games ahead of the second place C. N. R., while the Barbers and Banker-Lawyers held third and fourth positions respectively.

Next week the play-offs begin for the Gaudet Trophy emblematic of Commercial League supremacy.

In the first game of the evening the Post Office nosed out a 3-2 win over the rampant Lawyer-Banker sextet. Getting away to a two to nil lead in the first canto, on goals by "Busher" McKay and McQuarrie, the Post Office played defensive hockey throughout the second period. Late in the second period Groom led the groan and loan men ganging attack in which he notched their first marker.

Early in the third period Warren put the stamp sluggers two up on a neat pass from McQuarrie. Carver made it 3-2 when he rammed home Delaney's rebound. The Lawyers made desperate attempt to tie the score in the closing minute of the game but the P. O., heavy checking defence broke up most of the plays.

Post Office: Goal, Arnett; defence, McQuarrie, Rogers; forwards, Crue, Warren, Howatt, Peters, McKay.

Lawyer-Bankers: Goal, Downing; defence Keyes, Groom; forwards, Sullivan, Delaney, Sharpe, Somers, Carver.

Referee—Preston Noonan.

C. N. R. TEAM DEFEATS BARBERS

Playing heady defensive hockey and taking advantage of the breaks the C. N. R. emerged victorious over the speedy Barber squad by a 4-3 score; to take undisputed possession of second place standing.

After a scoreless first period Bowness carried the puck around the net to whip a back hand shot past the Barber net minder. A minute later Steele tied the count with a blazing blue line drive. Rankin put the Smoke Eaters one up when his drive glanced off a defenseman into the net. The final period had hardly got under way when Gallant tied the count up again. Dewar attempting to clear for a ganging attack slashed the puck into Clow's stick, the rebound coming to rest in the twines, again putting the C. N. R. one up. Bowness gave the railway men a two goal lead when he went in close to fool Dewar. The Barbers threw caution to the winds in a desperate attempt to close the gap. Hemming the Smoke Eaters in behind their blue line they rained shot after shot on the redoubtable Lyle whose brilliant work saved the C. N. R. time and again. Just before the final gong Noonan drove a hard shot from the corner which glanced off a skate into the net making the count 4-3 for the C. N. R.

Lineups:—

C. N. R.: Goal, Lyle; defence, Nicholson, Rankin; forwards, Bowness, L. Hickey, Clow, Began.

Barbers: Goal, Dewar; defence, Steele, Peters; forwards, Davidson, McFarlan Blacquiere, Noonan, E. Hickey, Gallant.

Referee: Alonzo Perry.—S.

Junior Abbies Capture City Title From Royals; Score Of Third Game Is 3-1

Junior Abegweits, overcoming the battling opposition offered by Chick Williams' Royals last night, captured their second straight victory in the Junior playoff series and with it the City title, Royals' defeat being their last chance of extending the series to four games after the first tilt had ended in a 1-all deadlock.

But the winners failed to show any superiority over their opponents last night. Easily the fastest game of the series, Royals outplayed the Abbies in the first and third periods and only for some stellar netminding by Price in the Abbie cage in the first period might easily have counted three times. Rugged bodying by McLennan of the losers was the feature of the opening twenty minutes and this player's efforts slowed the Abbies up considerably.

Seeing the way the tide of battle was swinging Abbies came out in a different mood for the middle frame. Their faster skating ability and more experience soon made its presence felt and they controlled the play. The period was nearly half gone when the opening score was realized. McInnis, pivoting a three man Abbie attack, fought his way alone through the rearguard and while off balance drove a hard sliding shot that slid into the cage, Langille falling just a second too soon. McLennan, throwing his stick in a vain attempt to stop the puck, was plastered with a five minute penalty on the play and it took the winners just 60 seconds to make it 2-0. With every man inside the Royals' zone "Salmon" Blanchard slammed the rubber back to Macklin from a face off at the side of Langille's citadel and the husky young rearguard whistled one high into the left hand corner. For the balance of the period Royals had many close calls but stood off their opponents' attacks notwithstanding a penalty to McCallum right after McLennan had returned to play.

The third period produced fiveman attacks by the losers right from the opening whistle. They kept the pressure on but the Abbies drifted the puck ice-length at every opportunity. For seventeen minutes this kept up and then the Royals were rewarded with a well-earned counter. Wilf Whalen carried behind the Abbie net on a lone attack, passed out in front and Higgins, rangy winger, lost no time in picking his spot to beat Price cleanly. "Bunk" Fitzgerald, ace of the red and black team, got the counter back shortly after. Cruising around the Royals' line he poke-checked the puck away from an opponent trying to organize a gang attack and then went in unmolested to have Langille at his mercy. Little playing time was left and the counter took a lot of pep out of the losers' attacks.

LINEUPS

Royals: Goal, Langille; defence, McLennan, McClintock, Whitlock; forwards, Jay, Whalen, Carmody, S. McClintock, Higgins, McCallum.

Abbies: Goal, Price; defence, Simpson, Macklin, Mathieson; forwards, McInnis, Cousins, Darragh, Blanchard, Fitzgerald, Saunders.

Referees—Jackie Kane, Bill Ryan.

SUMMARY

First Period

No score.
Penalties: Simpson, Fitzgerald.

Second Period

1. Abbies, McInnis (unassisted) 9.10.
2. Abbies, Macklin (Blanchard) 10.10.

Penalties: McLennon (5 min.), McCallum.

Third Period

3. Royals, Higgins (Whalen) 17.14.
4. Abbies, Fitzgerald (unassisted) 18.40.

Penalties: None.

BABE RUTH'S FUTURE IS UNCERTAIN

(A. P. By Guardian's Special Wire)

NEW YORK, Feb. 21—Babe Ruth's baseball future remained today just where it was when he returned to New York from abroad yesterday—floating around high in the air.

The latest recruit to the list of $1 per year men fished out his new document from a stack of mail, gave a contemptuous snort and then left his apartment for a visit to his barber.

The Babe did not go near the big brewery of Col. Jacob Ruppert, Yankee owner, nor did he telephone, although he said he might give the Colonel a ring when he returns next week from a hunting trip in Northern New York.

Colonel Ruppert said he expects the Babe around for a chat soon. The colonel also made it plain that he will give Ruth no assurance that if the latter signs a Yankee contract it will be as a regular and not as a pinch-hitter and occasional performer.

"What Ruth will do on the ball club is up to Joe McCarthy," said the Yankee owner. "He's managing the club, I'm only the owner."

Ruth hinted on his return yesterday that he might change his mind about going back with the Yanks, but declared very positively that he did not relish a pinch-hitting role.

MARCUM IS HOLDOUT

(A. P. By Guardian's Special Wire)

FORT MYERS, Fla., Feb. 21—Connie Mack led his Athletics' pitching and catching men into spring training camp today, but one prominent member of the twirling troupe was conspicuous by his absence.

Just what delayed Johnny Marcum, husky right-hander from Eminence, Ky., in arriving with the rest of the battery candidates could not be learned, but it is known that he has not yet returned his signed contract to the club's offices.

"Perhaps he's sore," was Mack's supposition. "I haven't had any letter to give me any other clues."

Abbie Sisters Win From Bluedots

Abbies Sisters defeated the Blue Dots in a regular league fixture last night at the Y. M. C. A. to the tune of 23-4. The Abbie Sisters had control of the play throughout and were never seriously threatened.

McGee, Sherry and Grant were the chief scorers for the winners, while Ayres and Barbour scored for the losers.

HAMILTON STAR FOR MAROONS

"Toe" Blake, Centre Player, Joins Old Team Mate.

(C. P. By Guardian's Special Wire)

HAMILTON, Ont., Feb. 21.—Hector "Toe" Blake, star centre player of the Hamilton Tigers, signed a contract today to finish the season with the Montreal Maroons of the National Hockey League. He left today for Detroit, where he will join his new team.

Blake has been one of the big factors in the Tigers' drive this season toward the Allan Cup, emblematic of the Canadian title. The team will enter the Ontario Hockey Association playoffs badly weakened by Blake's jump to professional company.
