Two More Bodies Recovered From The S-51

BROCKTON, Mass., Oct. 2.—Two campaigners who have raced all the way over the Bangor and Brockton circuit this summer cleaned up in split heat hard driven races at the Brockton Fair today.

At the end of September the four leaders in the number of races won were Peter Buskirk, Crawford, Ribbon, Cand and Counterpart. Up to that date Pitman had won twelve out of fourteen starts with Peter Buskirk. He still has a number of engagements.

Another victory was added at Windsor but at Springfield Escotillo with Johnny Campbell in the only took his measure. From that week Pitman had a first money campaign with Peter Buskirk. His route took him to Northampton and Greenfield after which he made a sweep in the Orange County Circuit.

Crawford proved the leader among the trotters on the mile tracks this year. His winnings will not amount to so much as Todd Hart, Trumpet or Thompson Dillon because he was not sent for the larger purses but when it comes to counting races he has the edge on all of them.
