

**Everyone with a Tender Skin Needs Baby's Own Soap**

In Baby's Own Soap vegetable oils, carefully purified and naturally fragrant, take the place of animal fats and strong chemical perfumes used in other soaps. That is why "Baby's Own" should be used if you want to keep your skin as beautiful as it was intended to be.

The rich creamy lather of Baby's Own Soap thoroughly cleanses the skin and leaves it soft, cool and fragrant. Do not accept substitutes and beware of highly scented and colored soaps.
