PRESIDENT Schurman of Cornell, Ithaca and the entire faculty are determined that not only habitual drunkenness but the slightest imbibing to excess at Cornell shall disappear, and offenders will hereafter be summarily dealt with. The recent action of Cornell's faculty in appointing a committee on student discipline has been the result of disorderly conduct on the part of undergraduate. Hard drinking became habitual with a few, and an effort was made to stamp out the evil. The general faculty was unable to handle the matter, for the reason that each special faculty had the power to deal with any case of misconduct within its own department. The new committee will have charge of all cases of discipline.

OBITUARY.—The sympathy of the friends and neighbors of Mr. John Alexander Dingwell of Grand River, Lot 56, in the loss he and his family have sustained in the death of Ethel Blanche at the early age of sixteen years was manifested by the unusually large attendance at the funeral on the 9th inst. She was a bright and interesting girl and a diligent and attentive Sunday School pupil having been awarded two diplomas by the general assembly of the Presbyterian church, for memorizing the Shorter Catechism and scripture verses. The heartfelt sympathy of the whole community goes out to the parents and other members of the family in their sad bereavement. She is lost to them but not to God, lost to earth but enjoying the fellowship of Angels in Heaven, gone from toils and troubles of this world and entered into the everlasting peace and happiness of the better life.

Enthusiastic Converts

There are Thousands of Them Who Believe as This Woman Doer.

Mrs. Ira Knowlton, of Butte, Montana is a most enthusiastic convert to the virtues of Stuart's Dyspepsia tablets as a cure for stomach trouble. She says: "I had poor digestion nearly all my life. It

now seems to me that for years I never knew what it was to be hungry, to have a good natural appetite.

"I was troubled with gas in stomach causing pressure on the heart with palpitation and short breath. Nearly everything I ate soured on my stomach, sometimes I had cramps in the stomach which almost resembled spasms.

Doctors told me I had catarrh of the stomach, but their medicines would not reach it and I would still be a sufferer had I not, in sheer desperation decided to try Stuart's Dyspepsia Tablets.

"I knew they were an advertised remedy and I didn't believe anything I read about as I had no confidence in advertised remedies, but my sister living in Pittsburg wrote me last spring telling me how Stuart's Tablets had cured her little daughter of indigestion and loss of flesh and appetite and I hesitated no longer.

"I bought a fifty cent box at my drug store and took two of the large tablets after each meal and found them delightful to take, being as pleasant to the taste as a caramel candy. Whenever during the day or night I felt any pain or uneasiness in the stomach or about the heart I took one of the small tablets and in three weeks it seemed to me as if I had never known what stomach trouble was.

"I like Stuart's Dyspepsia Tablets in the house and every member of our family used them occasionally after a hearty meal or when any of us have a pain or ache in the digestive organs."

Mr. E. H. Davis of Hampton, Va., says: "I doctored five years for dyspepsia, but in two months I got more benefit from Stuart's Dyspepsia Tablets than in five years of the doctors treatment."

Stuart's Dyspepsia Tablets is the safest as well as the simplest and most convenient remedy for any form of indigestion catarrh of stomach, biliousness, sour stomach, bloating after meals, sympathetic heart trouble.

Stuart's Dyspepsia Tablets is not a cheap cathartic but an active digestive remedy containing the pepsin and distaste which every weak stomach lacks and they cure stomach troubles because they digest the food eaten and give the weak, abused overworked stomach a chance to rest and recuperate.

Stuart's Dyspepsia Tablets are sold in every drug store in the United States, Canada and Great Britain.
