## ULTIMATUM TO WINNIPEG STRIKERS

POLICEMEN AND RED SECTION MUST SEVER CONNECTION.—SITUATION STILL GRAVE

(Special to the Guardian.)  
WINNIPEG, June 9.—Policemen who have been performing their duties under sanction of the Red section of the community have received an ultimatum from the police commission ordering them to sever their connection with the strikers, according to Mr. W. J. Bulman, President of the Canadian Manufacturers' Association, who arrived in Toronto from Winnipeg yesterday. This ultimatum, Mr. Bulman says, was to expire at seven o'clock last evening, but a wire which he received yesterday announces that they have requested an extension of time until noon today. Mr. Bulman makes no attempt to disguise the gravity of the situation which has existed in that city during the past month, notwithstanding efforts of the strikers to gloss over their actions. He says it is a fact that they have attempted to set up a Soviet government along the approved Russian lines, and are still persisting in the effort. Neither is the movement to be attributed to the foreign population of the city, while there are a great many foreigners mixed up in it, said Mr. Bulman, the leaders are not foreigners.

## SHORT SHRIFT FOR GERMANS

Germans May Get Less Than One Week in Which to Sign Peace Treaty.

(Special to the Guardian.)  
PARIS, June 9.—The Council of Four, with Premier Orlando of Italy absent, held another short session at the White House this morning on the reply to the German counter-proposals. While no agreement has been reached by the Allies on the reply to the counter proposals it is believed that M. Clemenceau and Premier Lloyd-George will come to an understanding before the end of the week, perhaps Wednesday or Thursday. Nearly all the commissions to which were entrusted consideration of the different German proposals are ready to report, and it is expected will turn in their conclusions tomorrow afternoon. The adoption of a general report by the council, it is believed, that a compromise will be reached on the time to be given the Germans to decide whether they will sign the treaty. It is known that M. Clemenceau desires to hold the Germans to a short interval, perhaps no more than twenty-four hours, while Mr. Lloyd-George favors giving them a week for consideration of the council's reply.

## Interesting Lecture On War Experiences

The lecture by Capt. the Rev. G. C. Taylor last evening in Zion Hall was as expected, thrillingly interesting. There was a large attendance. Mr. F. J. Nash, president. Mr Taylor gave a graphic and most interesting description of the many battles in which the Canadians took part, their splendid conduct in action as proved by the fact that they never attempted an objective which they did not attain. The lecture was brimful of interesting personal reminiscences showing the tragedy and the glory, the joy and the pathos of the world's greatest war. Before the lecture a most enjoyable programme was presented, consisting of a solo by Mr. Arthur Bruce; duet by Miss Dorothy Davis and Mr. Lee Dingwell; reading by Miss Agnew and a solo by Miss Lawson. ## BOYS OF 85th WELCOMED HOME

STATION THROWN UPON ARRIVAL OF THE TRAIN AT MIDNIGHT

## A HEARTY WELCOME

An Outline of the Glorious Record of This Splendid Fighting Unit.

Although it was mid-night when the train from Borden reached Charlottetown last evening with about 140 Prince Edward Island members of the 85th Battalion, the station was thronged with citizens to welcome the brave boys who had fought so gloriously in the cause of liberty and justice.

Upon their arrival they were escorted to the Market Hall where the ladies of the G. W. V. A. had the usual spread of good things prepared, after which addresses of welcome were delivered by the Premier, the Mayor and others.

A list of those who arrived will appear later. The officers who arrived last evening were Captain Wylie Allan, of Covehead and Lieut. Lowther, Kensington.

Captain Wylie Allan went over with the 105th, afterwards was attached to the 16th Machine Gun Company. He was wounded in the latter part of 1916. Recovering he was sent to the Machine Gun Depot and later went to France as a Lieutenant of "C" Battery, 4th Machine Gun Battalion. In 1919 he received the Military Cross and later was promoted to Captain.

Lieut. Horatio C. Crowell, of the 38th Battery, C.E.F., writing of the 85th Battalion in the Halifax Chronicle, says:

From Vimy Ridge to Honelle River is the battle history of the 85th Nova Scotia Highlanders. From the 10th of February, 1917, the date on which the Battalion sailed for France from England, to the 6th of November, 1918, is a short time measured in months. Measure it in events, and there is an achievement of great deeds that make the most sluggish heart thrill with pride. Conspicuous among the battalions which contributed to Canada's marvellous record in the war, is the 85th Nova Scotia Highlanders. It was a battalion that represented a province. It represented every element of life in that province. It emphasized in its one thousand men, all the glorious traditions of its province, all the best in the present life of the people from which it sprung, and embodied in its manhood the idealism of democracy toward which its people ever progress.

## THIS AIL BIRD WILL GET HIS

THE SOCIALIST WHO BETRAYED EDITH CAVELL, THE BRITISH NURSE.

## HE WAS A JAIL BIRD

Entered the Service as a German Spy and Betrayed Many.  
PARIS, June 9.—Gaston Quien, a Socialist known as Luc, who, it is believed, played a prominent part in the betrayal of Miss Edith Cavell, who was executed by the Germans at Brussels in October, 1915, will be placed on trial next month. A long preliminary inquiry conducted by Captain Grebault, of the sixth military court, established that Quien was serving a sentence in the jail at St. Quentin in 1914, and was liberated when the Germans first took the town. It is said he entered the German service as a spy and got employment in Miss Cavell's hospital at Brussels. Soon after he began to work there Miss Cavell was arrested and executed. Quien was afterwards sent to Switzerland as an invalid. Sixty witnesses have been called in the trial. They include Princess Maria of Croy, who also was denounced to the Germans by Quien and Madame Bovard, who was tried at the same time as Miss Cavell.

Had the Spirit of Victory.  
When we first saw the 85th Highlanders in the line they were attached to the Brigade as working parties, doing the drudgery—but learning. From the very first, these Highlanders from New Scotland demanded respect, won friendship, and gained the

## ADMISSION OF GERMANY INTO THE LEAGUE OF NATIONS IS NOW BIEN CONSIDERED.

TERMS MAY BE MODIFIED

Four Conditions Enunciated to Which Germany Must Submit.

(Special to the Guardian.)

PARIS, June 9.—Premier Clemenceau, Lord Robert Cecil and Col. E. M. House, have re-examined the terms under which nations, other than the founder members, may be admitted to the League of Nations. Their report, which modifies somewhat the covenant so as to render the admission of Germany easier will be submitted to the Council of Four today.

It is understood the conditions recommended for Germany's admission are, first, the establishment of a stable government; second, the signing of the peace; third, the loyal execution of the peace treaty as proposed; fourth, the condition relative to Germany's abolishing compulsory military service was omitted on Premier Clemenceau's suggestions, as it was considered that the treaty sufficiently provided for Germany's disarmament.

PARIS, June 9.—The peace conference commission on colonies, prisoners of war, responsibilities, and the labor, military and naval clauses of the treaty in their reports to the Council of Four, the Echo de Paris says it learns, urged the rejection of the German counter proposals as far as the several commissions are concerned.

## Good Work of Rev. Mr. Fulton Appreciated

At the fourth meeting of the Quarterly Official Board of the Methodist Church, Charlottetown held during the past week, very satisfactory returns were received from the different departments of the church.

The Recording Steward reported the sum of \$6579.14 from envelope and plate collections and an expenditure of \$6519.84, leaving a credit balance of \$659.30 on the year's transactions. The reports from the Sabbath School, the Ladies Aid, the Missionary Societies and other church organizations gave evidence of very favourable results from the year's work.

The total amount raised for all purposes this year amounted to \$11,200.00. The following resolution was unanimously adopted and presented to the Rev. Mr. Fulton, the retiring pastor:

Whereas the full ministerial term of the Rev. Robert G. Fulton as pastor of the Methodist Church in Charlottetown closes with the present ecclesiastical year.

Be it therefore resolved, that this Quarterly Official Board places on record its high appreciation of his faithful and earnest service during the period of his official relation with this church and congregation.

With his keen business ability and wise counsel, he ever sought to promote the best interest of the church's work in all its departments. Under his pastorate, the interior of the church was painted and re-seated, and a new up-to-date heating system was installed in the building. The cost of this work amounted to about ten thousand dollars. In this large undertaking, as chairman of the different church improvement committees by his good judgment and wide experience, Mr. Fulton rendered valuable service in placing our Methodist Church in Charlottetown in its present splendid and attractive condition.

As a citizen he entered heartily into every movement for the improvement of the community, and for the moral and spiritual welfare of the people.

In connection with his efforts as a member of the Commission for the better enforcement of Prohibition in this province, Mr. Fulton bestowed much time and thought, and with his clear vision, strong force of character, and decisive action, he gave material aid to his fellow-commissioners in the important and responsible duties they are called upon to discharge for the betterment of the whole community.

In the removal of the Rev. Mr. Fulton to his new field of labour, this Quarterly Board earnestly prays that the blessing of Almighty God may rest upon him and his family and that he may have large success and prosperity in the work to which he has consecrated his life.
