HASZARD & MOORE

The Itch Fiend
That is Salt Rheum or Eczema, - one of the outward manifestations of scrofula. It comes in itching, burning, oozing, drying, and scaling patches, on the face, head, hands, legs or body. It cannot be cured by outward applications, - the blood must be rid of the impurity to which it is due.

Hood's Sarsaparilla
Has cured the most persistent and difficult cases. Accept no substitute for Hood's; no substitute acts like it.

Two Good Things to Take
A holiday and FERROL, both if possible, but if you cannot take a holiday you can at least take FERROL and that is by far the more important.

If you are overworked, fagged and generally run down a holiday will, no doubt, afford temporary relief. In like case

FERROL
will effect a permanent cure and restore normal conditions. A holiday is good, FERROL is better; the two taken together are simply irresistible. FERROL, being a scientifically prepared combination of Oil with Iron and Phosphorus, supplies everything that is needed to restore lost weight, renew flagging vim and energy and build up the system generally. Everyone can take FERROL in summer as well as in winter and it never disappoints.

KING TO SEE CANADA ALSO ROOSEVELT

This is the Story That Comes by Way of New York and It's Probably True... But the Trip Will Not be Undertaken Till Next Year.

LONDON, Aug 2.—There is a possibility that King Edward and Queen Alexandra may visit the United States, unofficially of course, sometime next year. It is one of the dearest wishes of both to see some of the modern wonders of America. They have practically seen the rest of the world. The visit to the United States, if made, would come after their visit to Canada next year, and that visit is almost a certainty.

The Canadian parliament's official invitation has been followed up by personal requests made by some of the great men, both of Canada and England, and it is understood that King Edward is very favorably inclined to go. The Queen, also of a sailor family, does not like sea voyages, but it is thought she will agree to go because of her anxiety to see something of the United States afterwards.

The King and Queen will, of course, travel to Canada in royal state, accompanied by a whole fleet of warships and by many private yachts. After making the tour of Canada they will go to Rideau Hall, Ottawa, for a two weeks' visit, or ostensibly a rest.

In reality, as the Earl and Countess of Chester, and with a small suite, they will travel in the United States. The visit while it will be incognito, will be fairly public, and on this account the British ambassador at Washington has already made enquiries of the state department whether such visit will be agreeable to the United States government.

If the visit is made the United States secret service, as well as the European police, who will accompany the King, will watch him and the Queen at every moment in as quiet a manner as possible. President Roosevelt will entertain the royal pair at the White House, and they will also stop at hotels, but at the houses of prominent Americans, who are identified with the English court.

In Washington they will of course, reside at the British embassy, Connelley, Duchess of Manchester, the Duchess of Roxbury, the Countess of Suffolk, Duchess of Marlborough and other Americans of England will journey to the United States, and either open their houses there or rent for a short period the necessary residences.

The visit promises to be a memorable one, and it all depends upon the decision as regards Canada. The American press has added their pleas to those of Canada so that the possibilities are very strong of the visit being made either in the early summer or early fall of next year.

RUSSIA, ARISE.

(Inscribed to Maxim Gorky.)
Rise Russia, to the great hour, rise, The dead are looking from the skies! And God's hand, terrible with light Preaching from the Arctic night, Writes on the North with torch of fire— Writes in one word the world's desire— Writes awfully the Word of Man Across the vast auroral span— Writes "Freedom!" that shall topple kings And shake to dust their treasonings.

Because the glib and the chain Scatter thy blood, a sacred rain; Because thou hast a soul all aflame Under the hoof-marks and the mire, Because thou hast a dream burned white By many sorrows of the night; Because thy grief has paid the price, Paid it in tears and paid it thrice— Therefore all great souls surge to thee, The brown white billows of one sea; Therefore thy spirit shall prevail, For in thy failure God shall fall!

This is the hour, awake, arise! A whisper on the Volga flits; A wild hope on the Baltic leaps, A terror over the Neva creeps; A joy is in the trail that goes Reddening the white Siberian snows; The cliffs of Caucasus are stirred With the glad wonder of a word; The white wave of the Caspian speaks, And Ural answers from her peaks, The Kremlin bells in all their powers Wait trembling for the hour of hours, When they shall cry the People's will— Cry Marathon and Bunker Hill.

EVERY MOTHER SHOULD KNOW.

that ozone (the coupon kind) taken with Celery King is the quickest and most reliable way to cure children of Colic, Coughs, Colds, Fevers, Chills, Summer complaints, and a hundred other ills, it destroys the germs that causes these troubles, and children never object to take Solution of Ozone—it is just like lemonade if a little sugar is added. To make a cure certain Ozone (the coupon kind) and Celery King, the well known laxative tonic, should be used together. We give Celery King free—one 25c package with each purchase of Solution of Ozone. Mothers need have no fear in using these two preparations, because Ozone (the coupon kind) contains no drugs nor alcohol—simply gas in pure form—and Celery King is made up of pure wholesome herbs, the best that money can buy. Always ask your druggist for Ozone (the coupon kind).

SUMMER RAILROAD BOOKLETS.

The most elaborate and beautiful of the seasons railway books is one issued by the Grand Trunk Railway System to celebrate the recent tour of His Royal Highness Prince Arthur of Connaught through the provinces of Ontario and Quebec. The cover is a decorative arrangement of lettering and coats-of-arms embossed in blue, red and gold. But even the artistic quality of this feature scarcely prepares one for the wonders of the illustrated contents. There are 52 pages of reading matter and time-tables, finely printed on heavy, rough, deckle-edge stock, while interspersed are 16 pages of reproductions in colors, printed on coated paper and pebbled. The result is an art exhibit of great attractiveness, the color work demonstrating the possibilities of modern processes—Profitable Advertising, Boston, July, 1906.

Beware of Mercury

You May be Using this Harmful Drug and Not Know it.

A favorite method of administering this deleterious drug is in cathartic pills. Beware of "quick-result" articles, they may do more harm than good. Drastic cathartics will weaken the strongest. With old people they are a positive menace to life.

Merely to restore normal bowel action and gently stimulate the liver is all that the wise physician recommends.

To keep the system pure and clean nothing is so efficacious as the vegetable pills of Dr. Hamilton, which are composed of such herbs as mandrake, butter-bell and dandelion; they contain not an atom of any substance that could injure even an infant.

By their certain action on the Liver Dr. Hamilton's Pills cause bile to be secreted which forms the stimulus that moves the bowels; this is nature's own method and the best one.

Mr. R. Hamby of French River, Ont., writes as follows: "I was inclined to bilious attacks and frequently was too ill to work. Most remedies purged and weakened my bowels, but Dr. Hamilton's Pills gently stimulated my liver and by strengthening the stomach made a perfect cure. My health has been splendid since I used Dr. Hamilton's Pills."

Get Dr. Hamilton's Pills from your druggists or storekeeper, 25c. per box or five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford Conn U. S. A., or Kingston, Ont.

Gasoline Engines.

We are agents for the celebrated Fairbanks, Morse Marine, St. Ignace and Portable Gasoline Motors, which are used by the Dominion Government in all fog alarm stations, not equipped with steam. These engines are built by the same firm as the world renowned "FAIRBANKS SCALERS."

We also sell "The Tuttle" Two Cycle Motor which has also a first class reputation it being extensively used in United States. Each of these engines have advantages for different situations. We have samples of each set up at our works, and will be pleased to show them working to intending purchasers, and will explain each part in detail, the great advantages these engines have over all others is ECONOMY IN GASOLINE.

Persons contemplating installing Gasoline Motors will gain reliable information by calling on or waiting us.
