LONDON, July 14.—A report from Wales says that Lloyd George's health is giving serious concern. The Premier is suffering a relapse, it is stated, due to his strenuous work in Paris but it is expected that a rest will quickly restore him to his full strength. Several cabinet ministers spent the week end with the Premier in the hope of reaching a decision on state matters of immediate importance.

MEDICINAL ROOTS, HERBS, BARKS AND BERRIES

And other alteratives, tonics and health-giving ingredients that are recommended in the best medical books, are combined in Hood's Sarsaparilla. It builds up the blood, improves the appetite, invigorates the digestion, tones the stomach and gives nerve strength so as to promote permanent good health. Has merited and held the praise of three generations. You should give it a trial. As a gentle thorough cathartic many recommend Hood's Pills.

Coastwise Shipping Might be Paralyzed

NEW YORK, July 14.—Several coastwise steamers have been prevented from sailing and others due to leave will be tied up unless they are able to replace striking firemen, water-tenders and oilers, who struck yesterday for a wage increase of \$15 a month. Officials of the International Seamen's Union, with which the strikers' organizations are affiliated, estimated that 3,000 men are directly affected and that they would be joined by the seamen, cooks, stewards, engineers and mates. Should the claims of the union men not be made good about 40,000 men will walk out paralyzing coastwise shipping.
