IF YOU ARE NOT WELL HERE IS YOUR KEY TO HEALTH!

Hattonford, Alta.—"Being run-down after the 'flu' I was in a weakened condition, had dizzy spells and shortness of breath, followed by faintness. The middle age period made things seem as though I'd never feel well again, but I was determined not to give up. Hearing of Dr. Pierce's famous Golden Medical Discovery I sent for a bottle, followed the directions, and soon felt less tired and faint, and finally I got back to my normal state. I have thanked God many times for the restoration of my health so I could remain with my family, and I gladly recommend this Discovery of Dr. Pierce's, for it is so pure, and worth a trial to any one who is run-down."—Mrs. Gertrude White, Crystal Springs Farm.

Golden Medical Discovery is put up in Dr. Pierce's Laboratory in Bridgeburg, Ont., and sold by all druggists in both tablets and liquid. Send Dr. Pierce 10c for trial package of tablets.

Write Dr. Pierce, Prest. Invalids Hotel, Buffalo, N. Y., for free medical advice.

IN MEMORIAM

Lines written by Robinson Warren, on the death of his loving wife who passed away May 8th, 1922.

I stood beside the dying form
Of one I loved so dear.
And watched with sorrow and alarm,
As death was drawing near.

How sad to say the last good-bye
And press the pallid hand,
As her spirit passed beyond the sky,
To a fairer happier land.

How sweet the thought when life is o'er,
And rest to us is given,
The vacant chair we'll see no more,
For there are none in Heaven

CANADIAN WOMEN AR ' SEEKING EMANCIPATION FROM HOUSEHOLD CARES!

It is interesting to observe that in running their homes, women of the Dominion show the same progressive spirit toward practical modern innovations that their husbands and brothers reveal in their farm and commercial activities. Striking evidence of their eagerness to save needless work and to practice more efficient household methods in presented by the widespread popularity of Congoleum Week. As an official of a large floor-covering campany, who was summing up the situation, said:

"While sharply reduced prices are in large measure responsible for the huge quantities of goods that are sold during Congoleum Week, there are other factors which are equally influential.

"In fact I feel that the chief reason for the tremendous sales lies in the desire of women to escape the time-wasting drudgery of old-time housekeeping—typified by the broom and rug-beater—for the ease and leisure which accompany the cleaning of a whole floor with 'a few easy strokes of a damp mop.' Canadian women are not going to cling to the customs and habits of past generations, if they can find something better.

"It is not surprising, then, that they flock to the stores of Congoleum dealers during the week that prices are reduced. The dealer is especially well equipped at this time to take care of their needs. He lays in a large and well assorted supply of goods—has attractive displays—every rug is fresh, perfect stock. And the sale is particularly timely for it comes at the house-cleaning season when women are more than ever anxious to get rid of shabby furnishings and replace them with bright new ones.

"Ask any housekeeper what she thinks is the easiest way to brighten up a room. She'll tell you it's new floor-covering. So when you realize that Congoleum Week enables her to save money on attractive, colorful floor-covering that will cut down her housework during hot weather, you can understand why these sales are welcomed with enthusiasm by housewives in all classes of homes."

Merchants in practically every province bear out this official's opinion. They say that any new product of gennine worth and real practical value is assured of a hearty welcome from Canadian housewives—the most progressive and up-to-date home-makers in the world.

IN MEMORIAM

MR. JOHN McLEAN.

In the early evening of Friday, April 11th, a very highly esteemed resident of Darlington passed peacefully away at the age of 69 years.

For quite a number of months the deceased had been feeling somewhat indisposed, but it was not until a few weeks before the coming of the end that his loved ones began to realize that his condition was serious. Some three weeks before his death he became quite suddenly worse. From this weakened condition he never fully rallied. He continued to grow gradually weaker until on the above mentioned date his spirit returned to the God who gave it.

Besides a sorrowing widow, Mr. McLean leaves to mourn the loss of a kind and loving father five sons and three daughters. The sons are Daniel, Archibald, Darlington, Angus, Stirling, Clarence and Wesley at home, and the daughters are Mrs. Albert Paul, Brookfield; Mrs. Walter Rackham, Hunter River, and Miss Janetta at home. Two other members of the family, Miss Annie and George predeceased their father by a number of years.

Mr. McLean was one of a family of four brothers and five sisters. The brothers were Malcolm, Brookfield; Murdoch, Washington, D.C., and John, Charlottetown; and the sisters were Mrs. Donald McLeod, Rustico Road; Mrs. Alex McPherson, Brookfield; Mrs. Alexander McLeod, Quincey, Mass.; Mrs. Kenneth McLeod, Brookfield, and Mrs. John Gillis, Glen Valley. Of these four survived the deceased. There are one brother, Murdoch, and three sisters, Mrs. Donald McLeod, Mrs. Alexander McLeod and Mrs. Alexander McPherson. Since Mr. McLean's death his sister, Mrs. Donald McLeod has passed away.

Mr. McLean was a man of splendid qualities, and will be much missed in the different spheres of life. He was always very active in helping in everything that pertained to the best interests of the community. His place in the Brookfield Presbyterian church will be hard to fill. For quite a number of years he was on the Board of Managers, and whatever task fell to his lot to do it was always well done. But while he shall be missed by all it is in the home that his loss will be felt most keenly. While he was everywhere a prince among men it was here that he was always at his best. To his home all worthy comers received a hearty welcome and no one needing aid ever called upon him in vain.

His loved ones will henceforth sigh, but to no avail, for the touch of a vanished hand and long, but in vain, for the sound of a voice that is still.

But while the home will be lonely without him and while all shall miss him sorely, yet knowing that for him all suffering, all sorrow, and all pain are forever past, none would be so unkind as to wish "his unbound spirit back into bonds again."

The funeral which was one of the largest ever seen in this section of the country was held on the afternoon of Monday, April 14. The service was conducted by Rev. R. H. Stavert, assisted by Rev. John Stirling and Rev. E. M. Aitken. The pall-bearers were Messrs. Ewen Campbell, A. W. Stewart, Alexander Campbell, Chas. E. McDuff, John A. McLeod and Gordon McLeod.

Quite a number of Orangemen marched in the funeral procession. An impressive service was held by them at the grave. Interment was in the Brookfield cemetery.

"I Suffered Terribly With Sore, Aching Back"

Mrs. Roland Ferguson, 194 Lake St., Peterboro, Ont., writes:

"For over two years I suffered terribly with sore back. I was almost mad with the pain, and had doctored with it until I was discouraged. Then my father, who is a firm believer in Dr. Chase's Medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I followed his advice, and am glad to say I was completely relieved of that torturing pain in my back. It is over a year since I used these pills, and I have had no return of the trouble, but always keep them in the house."
