Could Not Lie On Her Left Side.

WAS TROUBLED WITH PAIN IN HER HEART FOR SIX YEARS.

Expected Her Friends Would Find Her Dead.

Mrs. C. Bondreau, Campbellton, N.B., was completely cured by

MILBURN'S Heart-and Nerve Pills.

She tells of her experience in the following letter: "I was troubled with a pain in my heart and weakness for six years. Most of the time I could not lie on my left side. I consulted a doctor but got no relief and was completely discouraged. I did not think I would live long and expected my friends would find me dead. A friend brought me a box of Milburn's Heart and Nerve Pills and I took them to my great relief, not thinking they would do me any good. I had not used half the box when I commenced to feel myself getting better and by the time I had taken two boxes I was completely cured and can recommend them to all sufferers from heart trouble."

RECORD IN STENOGRAPHY.

(San Francisco Chronicle.)

The statement recently published throughout the country that the reporting of the proceedings of the anthracite coal commission was the greatest job of shorthand transcription on record, is expected to be by local stenographers, and with good grounds. They claim that the world's record for any single job of reporting and transcribing was made in this city during the trial of the famous Craven-Fair case in 1897. The records show that the trial of this case lasted ninety-two days, while the coal commission was in session only fifty-six days. The record itself consists of 11,000 pages of typewritten matter, or 2,800,000 words, as against 10,057 pages and 2,500,000 words in that of the commission. Furthermore, while three reporters, who relieved each other at frequent intervals, were employed in Philadelphia, one only, George W. Smith, the official court reporter, took the proceedings in the Craven-Fair case. His only assistants were two typewriters, who transcribed from a graphophone into which Smith dictated from his notes during the noon recess and after court adjourned each day.

It is claimed, and with justice, that this feat far surpasses that of the stenographers in Philadelphia, who were reinforced by a corps of expert assistants, with the most approved machinery always at their disposal. Some idea of the magnitude of Smith's task may be gathered from the fact that on several occasions the day's session resulted in a transcript of over 45,000 words, all of which were reported, dictated, transcribed, indexed and arranged in seven separate parcels, bound and delivered to the several counsel in the case before 9 o'clock at night.

JUST A REMINDER

Lest You May be Deceived by Dealers Who Offer You Substitutes and Imitations of

Dr. Chase's Syrup Of Linseed And Turpentine.

Cough mixtures are legion. Nearly every dealer has some preparation of his own to offer.

Thorough cures for coughs and colds are rare, and when you find a medicine that you can rely on for such affections, as well as croup, whooping cough, bronchitis and asthma, you do well to stick to it.

Dr. Chase's Syrup of Linseed and Turpentine has by far the largest sale of any such remedy on the market, and as the demand increases by leaps and bounds every year we believe that this is due to the peculiar merits of this preparation.

You only need to be reminded that it is sometimes necessary to insist on getting what you ask for. Dealers have other preparations of linseed and turpentine put up to look as nearly as possible like Dr. Chase's and because of larger profits may try to induce you to try the imitation.

There is one way to be sure, and that is by seeing the portrait and signature of Dr. Chase on the wrapper.

Do not be contented to take any preparation offered you because it is "only a cold." Colds lead to the most fatal diseases, and you cannot afford to take risks with new and untried treatments.

From childhood to old age, from the time when croup threatens, the baby's life until the aged mother or father are victims of asthma, Dr. Chase's Syrup of Linseed and Turpentine is the most effective treatment obtainable; 25c a bottle, at all dealers, or Edmanson, Bates & Co., Toronto.

DON'T FAVOR A LAND GRANT.

MONTREAL, April 5.—The people of the Canadian West, both of Manitoba and the territories would not be in favor of a land grant to the Grand Trunk Pacific, although a bond guarantee might not be objectionable, was stated here to-day by Senator Kirochoffer, of Brandon, Man., who added however, that the Grand Trunk will ask for power to finance land grants, although this may have reference to grants from Provinces.

FEAR OF THE FUTURE.

Most people who dread the future are victims of some terrible disease. Mrs. W. Francis, 204 Colborne St., Kingston, was in a bad state with kidney disease. She had severe pains in the back and legs, was gradually losing flesh and felt a dread of the future. A friend recommended Dr. Chase's Kidney-Liver Pills and the result was a complete cure. There is no medicine more reliable, none so certain to produce a thorough cure. One pill a dose, 25 cents a box.

Wings—Yes; little Silmus carried off the honors at college.

Wags—I'll bet the honors didn't weigh much.

SPRING MEDICINE.

As a spring medicine Burdock Blood Bitters has no equal. It tones up the system and removes all impurities from the blood, and takes away that tired, weary feeling so prevalent in the spring.

Briggs—Did you meet any attractive people on the steamer?

Griggs—Oh, yes. Why, I was seasick all the way over with a most charming blond.

Glady's—So she married him just because he owned an 'auto'?

Penelope. Oh no, because he never got mad when it broke down.

Pinar's Linctant the Best Hair Restor

The essential lung-healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine—Dr. Wood's Norway Pine Syrup. Sold by all dealers on a guarantee of satisfaction. Price 25 cents.

The food value of a pound of veal is little more than half that of a pound of beef. Egg and lean beef have the same value in equal weight.

DOAN'S KIDNEY PILLS act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, diabetes, congestion, inflammation, gravel, Bright's disease and all other diseases arising from wrong action of the kidneys and bladder.

Why are you in mourning?

Oh, for my eyes.

I didn't know that you had lost any.

Milner's Linctant Cures Croup.

Bertha—I'm so sorry you asked me to say yes. To please me to refuse.

Will (cheerfully)—Oh, don't worry! Perhaps you know best what I'm occupying.

THE LADIES FAVORITE.

Lexa-Liver Pills are the ladies' favorite medicine. They cure Constipation, Sick Headache, Bilelessness, and Dyspepsia without griping, purging or distressing.

Give the world more sunshine and less moonshine.

Many people say they are all-nerve, easily startled, or easily irritated and irritated. Milner's Heart and Nerve Pills are just the remedy such people require. They restore perfect harmony of the nerve centres and give new nerve force to shattered nervous systems.

Some people's idea of economy is to save every dollar they get hold of so as to eat up the pennies they receive in change.

Milner's Linctant For Rheumatism.

Ellis—Is Bella a girl of high ideals?

Stella—I guess so; she's engaged to sit footer.

SUDDENLY ATTACKED.

Children are often attacked suddenly by painful and dangerous Colic, Cramps, Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, etc. Dr. Fowler's extract of Wild Strawberry is a prompt and sure cure which should always be kept in the house.
