"I was troubled for a considerable time with a very unpleasant, disfiguring rash, which covered my face and for which I used applications and remedies without relief. FIRST—a world-famed Talcum Powder—then a newer and better Shaving Cream—and now an ideal Dentifrice well worthy of the House of Mennen.

Mennen's is an antiseptic, agreeably flavored toothpaste. It does not scour the teeth, but by gentle action and emulsifying process cleanses and polishes. (Many tooth preparations simply scour the teeth, thus injuring the enamel.) Ask for

SUCCESSFUL PICNIC.—On the 15th August a successful picnic and bazaar was held at Egmont Bay Church under the auspices of the Mutual Assumption Society. The day was ideal and the attendance large. After High Mass in the morning the crowd repaired to the picnic grounds where a bazaar was held and also various forms of amusements. In the afternoon short speeches appropriate to the occasion were delivered by several orators. The officers of benevolence were held in the evening after which the crowd dispersed.—M.

McLean of Cardigan enlisted July 1915 in Halifax in the 66th Princess Louise Fusiliers and went to the front with the 27th Battalion, C. E. F. He was wounded in June last and was transferred to the County of London War Hospital, Epsom, England, suffering from a gun shot wound in the legs and had the left leg amputated. This young man is well known here, he worked a couple of summers on St. Dunstan's Cathedral rebuilding. A DELIGHTFUL AFFAIR.—The Wellington Women's Institute held a meeting on Saturday evening Aug. 12th, and decided to hold a picnic among themselves at the shore of Mr. John D. Lecky, on Thursday Aug. 17th, and invite their friends. To their surprise, the news spread, and many from the near parishes came for an afternoon's outing. Motor boats also arrived and offered to take the visitors for pleasure sails. This made the members get busy and with help they soon secured pleasant accommodations. Ice-Cream, home made beer, candy, oranges, and even a dancing booth were soon in readiness. The members opened their lunch baskets and all enjoyed the contents. The Institute wishes to thank those who helped to make the afternoon successful for all. The neat sum of \$20. clear profit was realized. Boat owners handed over the fees collected, and all goes to purchase knitting yarn and socks for Island soldiers.

The house was prettily decorated for the occasion, the ceremony being performed under an arch of green with hanging basket of pure white flowers. The bride received many beautiful presents from Island and Chilliwack friends, having taught school in both places for several years. Mr. and Mrs. Bayley will make their home in Chilliwack, B. C., where Mr. Bayley is a prosperous contractor.

An unique ceremony took place in Tignish on Sunday last, when a committee of the second largest Roman Catholic congregation in the Province presented Hon. Sir Charles Dalton with an address of felicitation on the high honor conferred upon him by His Holiness Pope Benedict XV. The presentation took place at the end of High Mass, and the whole congregation stood as a token of their appreciation. The recipient of the address stood inside the chancel rail in his robes of office; on his right stood the Rt. Rev. Monsgr McDonald, his pastor for upward of half a century, and on his left his well beloved Vicar Rev. A. J. McDougall. The address was read by Hon. Senator Murphy, M. P., who stood on the Chancel steps.

Sir Charles made a very feeling acknowledgement to the address, his reference of his worthiness of the high honor conferred upon him was modest in the extreme. In recounting the reasons why the Pope had seen fit to honor him, he gave credit to the precepts of the worthy man who stood at

Honorable Sir Charles Dalton, Knight Commander of the Order of St. Gregory the Great. The parishioners of the good old parish of Tignish—irrespective of nationality or politics—feel justly proud that His Holiness, Pope Benedict XV., deemed you worthy of receiving the public recognition of the Church itself, and that His Holiness has not hesitated to manifest his conviction by conferring upon you the coveted honor of Knight Commander of the Order of St. Gregory the Great.

It has been the habit of Popes in the past to give expression of their high appreciation of good works, performed by laymen, for the benefit of the Church and mankind in general—especially when these good works were for the advancement of education and the amelioration of human suffering.

You, Sir, have placed yourself in a position to merit this distinction and His Holiness has not been slow to recognize it.

For this, we, as members of this flock, do express our gratitude and high appreciation, inasmuch as you, a fellow parishioner, have deemed it fitting to donate for the Enhancement of Catholic Education and the amelioration of the suffering, a portion of the financial means with which you have been blessed.

Therefore, on this your first visit to your native parish—since receiving the Pontifical Decoration referred to—we wish to convey to you our congratulations, our best wishes, and, as said in ecclesiastical parlance, we may add

"Ad Multos Annos."

YOUNG SON DEAD.—Sincere sympathy is extended to Mr. and Mrs. John Birch, of Charlottetown on the death of their little son John Ernest, which occurred at four o'clock yesterday morning at the age of 5 years and 10 months. The deceased was a bright lovable child and was a great favorite with all his little playmates. His remains will be taken to Summerside for burial. (Summerside Pioneer please copy.)

SNAPS FROM THE 105TH REGIMENT.—Mr. James Paton, M. L. A., has received an interesting letter from his son Lieut. Roland Paton of the 105th Regiment enclosing one or two beautiful snapshots of life in camp in England. One particularly interesting photo is that of a French Digible passing over the camp. The heads of the boys of the 105th are seen gazing at the spectacle, and away in the air can be seen the flying machine, for all the world like a huge bug climbing a wall. It may be of interest to Guardian readers to know that Pte. Jarvis, who has just returned from the front, visited the regiment, and states that they enjoy a reputation for sobriety, discipline and efficiency. So that the reputation they made for themselves here and at Valcartier is being maintained in England.

RECEIVES STRIPES.—It will be interesting news to know that R. Dewar, Mill River, who was referred to yesterday as having been wounded, has received his stripes since going overseas and is now a Lieut. Sergeant, according to an official dispatch received this week by his father.

ST. PAUL'S CHURCH, City, was the scene of a quiet but pretty wedding last evening, when Lois Morlan, youngest daughter of the late Mr. James M. Hooper, was united in marriage to Mr. George Maxwell Richards of Carter & Co., Ltd., son of Mrs. Benj. Carter, City. The bridal couple left by this morning's train en route to Toronto, Niagara Falls, and other points, followed by the best wishes of their many friends.

his right hand, for the inspiration which had made him feel that his wealth had been conferred upon him that in a measure he was only the trustee and part of it should go to the uplifting of future generations in the way of education. Referring to his contribution towards the tuberculosis sanatorium which is today the pride of the Province, he wished to divest himself of all vain glory in the matter, and to say that there was one man who probably in his own way had done as much as he had and that gentleman was Mr. W. F. Tidmarsh, who happily was in the congregation on the occasion. A ceremony of this kind has probably never taken place on the continent of America before, and possibly never will again, and furthermore never will a man have the opportunity of standing inside the Chancel rail of his native parish to receive from the friends of his youth their appreciation of the high dignity conferred upon him by the highest dignitary in the Roman Catholic Church.
