

PIMPLES SO BAD ASHAMED TO GO OUT

Also Terrible Rash on Arms. Itched and Burned. Used Cuticura. Eruption All Disappeared.

Cross, Ontario.—For a long time I suffered from pimples and blackheads the worst way and I got a terrible rash on my arms. When I got in bed at night and got warm I would have to scratch my arms till blood came. The pimples all came to matter fester and then they broke leaving lots of little marks on my face. I was ashamed to go out with my friends. They also itched and burned until I could have torn my face and arms. I could not sleep at night and I rubbed my arms till they bled. "I thought I would try the Cuticura Soap and Ointment. I found great relief and in a short time my pimples and eruption all disappeared." (Signed) George W. Key, Aug. 10, 1914.
