

It is reasonable to suppose that all intelligent men and women read newspapers. It follows, therefore, that the number of newspaper readers is approximately identical with the reading population.

FORMER KAISER RESIGNED TO FATE, NOT SO HIS WIFE

Mrs. Hohenzollern is Believed to Favor Attempt to Seize Throne and Make Wilhelm Ruler of the Reichstag.

(United Press)
BERLIN, Aug. 14.—Ex-Kaiser Wilhelm has resigned himself to his fate. Not so his followers, and, according to the belief of many strong monarchists, not so his wife, Herminie. Advocates of the Hohenzollerns, or at least advocates of the monarchical idea, are extremely diligent for a return of the monarchy and they are, to put it mildly, displeased that Wilhelm now shows no interest about again mounting the throne in Germany. Some quarters believe his wife, ambitious to an extreme, would like to be a second Zita and force

him to attempt to become again the ruler of the Reich. The monarchists are not despairing, though they realize that never in the world's history has a dethroned dynasty returned to power if it resigned itself to its fate, as Wilhelm is doing. Such followers as Wilhelm still has, accuse him of too great indifference and to much laissez-faire toward the question of the fall of the Hohenzollerns, was almost 300 years long ruled as the Kurfursts over the mark Brandenburg, who 200 years ago set upon their heads the kingly crown of Prussia, and 50 years ago assumed the kaiserly power over a united German Reich. It may be said that the Kaiser party is more Kaiserly than the Kaiser himself. The Kaiser lost many ardent supporters when he wed Princess Herminie so soon after the death of his faithful Kaiserin, Augusta Victoria. Some said it showed a lack of piety; and a posthumous infidelity toward the woman who, for 30 years was his true and sacrificing companion. Others, however, say that the Kaiserin herself probably would have approved this outcome, for she realized the weakness and helplessness of Wilhelm II, a cripple from birth as the result of an operation on his mother at that time.
