SPORT BRIEFS

(Continued from Page 7)

season and the wonder is that they fared so well in the playoffs after the winter they put in." Wouldn't that Jazz you?

A New Brunswicker, Lt. D. O. White had the honor of being fifth in the Kings Pr. shoot at Bisley. Another Canadian, Sgt. Major N. J. MacLeod of Toronto finished two places ahead of White, capturing third place.

What a feeling of elation must have passed through the veins of Cadet Officer Woods, twenty five year old chemistry student of Nottingham University when last Saturday he won the highest honor of marksmanship the British Empire can offer, the Kings Prize, which carries with it the N. R. A. Gold Cross and Badge and \$1,250.

Athletic superiority is not confined to any race. It is a case of individuals. The wonderful endurance of the Frenchman Schecher when he won the world's longest and hardest race, the annual bicycle tour of France last Sunday after having completed 4,233 kilometers in less than 148 hours is an instance. Frenchmen have not been regarded generally as possessing great endurance. Italians won second and third places. Nearly one million francs were divided in prizes which in our money would be about \$40,000.

The greatest thoroughbred the American turf has ever seen is probably Man-O-War, but the performances of Equipoise is bringing him into the limelight as a worthy successor. He is being referred to as the greatest handicap horse of the American turf. His winnings already total \$294,830. The greatest amount any horse has ever won in America was the \$376,744. of Sunbeam.

The American all-star athletes who are touring Europe made their presence felt in their first appearance at Stockholm, Sweden, where they won four of the five events of the day's program. Glen Cunningham came within three-tenths of a second of equalling the world's record of 1000 metres, beating the Swedish Erik Ny in a fast sprint to the tape. Ralph Metcalfe, negro sprinter, Johnny Morris, Louisiana hurdler and Ivan Fuqua, Indiana middle distance star, scored the other victories, before a crowd of 14,000 people who packed the Olympic Stadium to see the Yanks compete against picked athletes of seven nations.

The stable of His Majesty King George, has enjoyed one of its most successful seasons this year. On Tuesday The Abbott won the Sussex Stakes from a field of seven. King George was not present, being attending the opening of the world's largest dock at Southampton. It has a capacity for a ship of 100,000 tons. We believe about 50,000 is the present largest.

A few years ago it was all book-making in England, but Winston Churchill had an act passed legalizing the Pari-mutuals or totalizers as they are called. The betting record at Ascot was broken recently when the sum of \$1,100,000. was taken in three days racing. Sir Clement Hindley, chairman of the Totalizer Syndicate when informed of the amount said—"This is very good news indeed a very hopeful sign and most satisfactory." Will the anti-bettors say amen to this? We wonder!

At the Portland, Oregon, Multnomah Stadium which is 5-16 of a mile, the greyhound Cannon established a record by circling it in 32.2-5 secs., better than a two minute clip for a mile.

THE BACK STRETCH

(Continued from Page 7)

the stables at the request of the horsemen. The dust nuisance became so bad that this step was necessary. Everybody is quite satisfied and agreeable with the change.

The races at Georgetown on Wednesday uncovered a new performer that gives great promise. Lady Lee, a free-legged pacer which took a record of 2:20 1-4 in the third heat and looked as though she could pace seconds faster. She is by Land League out of a Directum Patch mare and was bred, is owned and has been given her education by George McGuigan, St. Mary's Road. Mr. McGuigan, we understand, was the recipient of plentiful advice and suggestions regarding tactics, etc., during the race, that is during the intermission, but he pursued the even tenor of his way and as Auctioneer John McDonald says "She paced as flat as a pancake!"

Land League, the sire of Lady Lee, was brought to Prince Edward Island around 1923 by the late Hammond Kelly, who purchased him at the November Auction of the Old Glory Sale. He was then a four year old and had a bad scar on his hip where he had been through a fire. He was a well built individual with a slashing style of trotting, a son of Morgan Axworthy, a good sire for his limited opportunities, who was exported early to Germany and has been successful there. His dam was also the dam of Zombore 2:03, a former star on the Grand Circuit.

We had some interesting clippings in the mail last evening from Ollie McNeill, Kelliker, Sask., a brother of "Wells" who visited here recently. They referred to the racing at Portage La Prairie, Manitoba, July 12th, where the 215 Pace stake was won by Hal McCarthy in straight heats, best time 2:08 1-4. The 2:20 Pace was won by Peter Inworthy in straight heats, best time 2:10 1-4 and the Named Pace by Becky Wottan, best time 2:11.

Hal McCarthy is one of the fastest pacers in Western Canada, taking a record last year of 2:07 over a half mile track and winning eight races, his campaign extending down into Wisconsin and other parts of the U. S. A.

Another clipping Ollie sent along contained a cut of a horse hitched to a cart made from the back seat of an automobile with automobile wheels and wagon shafts attached. It is called the Anderson Cart. Seated in it is old Chief Eagle Foot, who was attending the Cree Indian sports that day near Regina.

The combination Firemen's Tournament and Horse Races at Fredericton drew an enormous crowd, with great racing. The track must have been lightning fast, as Darcy Grattan was very close to Billy Strathmore in the Free For All where the first heat was stepped in 2:04 3-4, equalling the track record held jointly by Single G. and Ruby P. Just six days prior to that race Darcy Grattan seemed to be to a drive in 2:09 1-4 at Northam to stave off Marjorie M. so tracks make a big difference, don't they?

Tease 2:09 1-4 must have shown a different brand of speed from anything exhibited on this circuit as according to newspaper accounts she was a close second to The Outlook in 2:10 3-4 for Johnny Conroy.

Ed Acorn has been selected as starter for the races in connection with the Provincial Exhibition, Charlottetown, August 22-24. Last year a great many people criticized the management for bringing a starter from abroad when Ed was handling the meetings here to the satisfaction of horsemen and the public. The only reason for making an outside selection was that it was felt the horsemen from the other side might consider him more impartial, but talks with them showed that this was not the case and that they would have been delighted to start under him.

"Montague are out with a good program for Wednesday, August 9th and the McIntyre boys and all connected with the track deserve a record crowd as they have left no stone unturned to put their plant in shape for fast performances. Last year a new track record of 2:10 was made by Hush, who incidentally was the only provincial bred horse to enter the 2:10 list. It will take some stepping to "bust" Hush's record, but as the surplus yardage has been cared for and the track is now just regulation, it may be done.

Colonel Aubrey, that 2:10 2-5, is moving around the country on a trailer attached to an auto. He is as cool as a cucumber and seems to like that mode of locomotion.

This week he visited Charlottetown, Georgetown and Montague and Friday returned to Alberton. He is meeting with great success in the stud, which is as he deserves, for a gamer and better race horse never faced a starter in this province.

New Annan for ever! Countless thousands associate New Annan with horse racing and "Big Jim." On Wednesday next the annual New Annan races will be held and with the good entry list of high class horses racing will be the order of the day. Other amusements will make good the slogan "Never a dull moment at New Annan."

The Canadian pacing siallon, Grattan Bars 1:59 1-2, who won three \$25,000 stakes in as many weeks a few years ago, has a son, Iron Bars, racing on the Grand Circuit. He took a record of 2:03 1-4 in the 2:30 Pace at Toledo recently. On the same day Guy the Tramp, another Canadian pacer, won the handicap Pace with a 60 foot handicap, best time 2:03 1-2, equal to about 2:01 1-2 from scratch.

The Old Glory sale, which is an institution almost in that it has been conducted for so many years, of Fasig-Tipton Company, will be held as usual in New York the week of November 26th. They will sell the entire crop of foals of 1932 from Walnut Hall Farm, over 100 in number, and in addition all the Hanover Shoe Farm foals as well as hundreds of other horses.

The average time made by the trotters down the Bay State Circuit this year was 2:10 1-2 and for the pacers 2:09 1-2. Lyman Brustie was the leading race winner with twelve to his credit.

Will Eaton, who marked Protect or in 1:59 1-2 and The Marchioness in the same notch as three year olds, is thinking of shipping his horses to Europe to race and sell. He has two two year olds and a good three year old. He formerly trained in Russia for the late Czar.

In the 2:13 Trot at Toledo when Vansandt trotted the first mile in 2:01 equalling the world's record for four year old trotters, Arthur Mower 2:03 1-4 is described as having done "the high and lofty tumbling act" but not before he had crashed into Kashmary, throwing her driver to the track but fortunately not injuring him. Nunco Welsh, who drives a truck for the Rogers Hardware Co., took care of Arthur last year when he was very successful, heading a lot of summaries.

Hush 2:10, who has been temporarily on the shelf due to cracking an ankle in training, is now working nicely again and we all hope that he will be ready to start at the Exhibition.

Starter Acorn's bell will be sounded at two o'clock three weeks from Tuesday. Not much time before the Big Meet. The entries will close with Secretary Boulter next Saturday, August 5th.

The harness race meeting at Rockingham Park, N. H., will be the most ambitious attempted in America for many years. It will run for sixteen days. Most of the events will be one heat, or what is known as dash affairs. This is to enter to the speculative tastes of the public who have been educated into Pari-mutuals recently by three weeks of running races at the same plant, where \$1,200,000. were wagered through 82 machines. Special trains will run from Boston and other points with low fares, and Mr. J. W. Jones, Bunbury, who visited the track one race day, states there was a hundred acre field filled with automobiles. Mr. Jones made it a point to speak to farmers while on his trip through New England States and found everywhere evidence of more hopefulness and predictions of good times ahead.

Irving W. Gleason of Philadelphia is the owner of Vansandt 2:01, referred to previously in these columns. He had owned numerous champions heretofore, notably Peter Manning 1:58 3-4, holder of the world's trotting record and forty years ago owned Hal Pointer 2:04 1-2, at that time a star whose name was on everybody's lips. At the Toronto meeting one of his trotters, Calumet Anne 2:03 1-2 won and he is also the owner of King Ben (C) 2:04 1-4, the fastest mile stepped by a three year old, this year. He is in the Walter Cox stable and is looked on as a good candidate for the \$50,000. Hamiltonian Stake.

Now that you have digested the above, let us tell you something really startling. Babuset, daughter of Longset, that raced at Saint Peters recently and was not in the money, startled the railbirds, in fact made them gasp and look at their watches three or four times, by parading the last quarter of a slow mile in 30 3-5 secs. What trotting!! She was driven by her new owner, Well McNeill. If this baby's tendencies hang out, she should be a good prospect in the Maritime Bred Troop.

Another good workout was that of May Tell, mile in 2:15 1-2. At the end of another mile she stopped a quarter in 32 1-4 secs. She will 2:12 this year.

Joe the Great separately timed while working with May Tell was in 2. 15 3-4.

Office Boy—A gentleman has called, sir. He would like to know the secret of your success.

Boss (cautiously)—Is he a reporter or a detective?

When Tommy gave up training and driving harness horses, Mr. Gleason also gave up the sport, but having been an active owner since in his teens he found himself at a loss and to keep his peace of mind he again joined the ranks of owners and is having a lovely time this year watching them win.

Years ago The Harvester 2:01 was one of the leading advertised sires but his get did not prove very formidable in the real fast classes on the Grand Circuit. The other day at Toledo one of them, Abe Harvester, beat a capable field of seven, nearly all of which carried much faster records than he did, winning the second heat in 2:03 3-4 which earned him the distinction of being the fastest of the get of the one time champion.

A curious thing about his winning was that he had made 84 starts previously and the best he was ever capable of was 2:08 and he had been defeated by horses not nearly as high class as the ones he raced against at Toledo.

This is a good description of how he won: "Few figured him as a possible winner. However, the cool and invigorating ozone wafted in from the Lake Erie on that delightful evening seemed to have a most beneficial effect on this honest gelding. He bravely marched to the front in the opener and paraded the crowd home. Then in the second covered up until heading into the lane he soon got into an open space and had the most steam just getting up in time to land the verdict in 2:03 3-4 by a nose." Bill Duffy writes that line in the American Sportsman. He can't be beat.

Peter Poley 2:08 1-2, record taken at Skowhegan, Me., recently, now carries the same record as his full sister Gwendolyn Aubrey 2:08 1-2. Both were bred by Hedley T. Fulton, Upper Slewacke, N. S., now the owner of Darcy Grattan 2:02 1-2.

Two trotters owned by Ed M. Stout, Pontiac, Mich., and full brothers, started in the same race at Toledo Saturday, July 15th. Calumet 2:04 1-4 won, while Byron McElwain 2:05 3-4 dropped dead while engaged in the race.

Sensational workouts were the order of the day Thursday and Friday at the Charlottetown Driving Park track. There was the Lucky Lady one referred to before, then to show the quality of the McNeill Stables still more convincingly Addie McGraw stepped the last half of a 2:17 mile in 1:02 4-5. By far the best trotting performance over the oval this year.

Now that you have digested the above, let us tell you something really startling. Babuset, daughter of Longset, that raced at Saint Peters recently and was not in the money, startled the railbirds, in fact made them gasp and look at their watches three or four times, by parading the last quarter of a slow mile in 30 3-5 secs. What trotting!! She was driven by her new owner, Well McNeill. If this baby's tendencies hang out, she should be a good prospect in the Maritime Bred Troop.

Another good workout was that of May Tell, mile in 2:15 1-2. At the end of another mile she stopped a quarter in 32 1-4 secs. She will 2:12 this year.

Joe the Great separately timed while working with May Tell was in 2. 15 3-4.

Office Boy—A gentleman has called, sir. He would like to know the secret of your success.

Boss (cautiously)—Is he a reporter or a detective?

The Provincial Boy Scout Camp at Brudenell Point (Camp De Roma) was concluded on Friday, the 21st inst., on which date the Scouts were replaced by a number of Wolf Cubs, who remained in camp until Monday the 24th inst. The camp site is an ideal one for Scouting, portions of it being heavily wooded, and bathing facilities being excellent. For the use of this beautiful camping ground we owe our thanks to Mr. Wm. Stewart of Montague and Mr. Henry Parker of Georgetown.

The camp was visited by Mr. J. R. Burnett, Provincial President; Rev. G. T. Spriggs, Provincial Commissioner; Mr. J. W. Murdoch, Vice President for King's County; Mr. Wm. Stewart and Rev. Mr. Gibson of Montague, and a large number of parents and friends, all of whom expressed themselves as being pleased with the camp, and the manner in which it was being carried on.

Present at camp were four Scouts from Summerside, four from Montague and forty-two from Charlottetown.

Scouting activities were carried on successfully, the number of tests passed and badges awarded being very high; every Scout in camp winning awards of some kind. An outstanding instance was the winning by Patrol Leader Gordon Hyde, 3rd Charlottetown Troop, of the following: Ambulance, Fireman, Friend to Animals, Camper, Electrician, Healthymen, Missioner, Entertainer, Camp Cook, Carpenter.

The two first named have to be passed annually, and are special King's Scout Badges. During camp 13 Scouts passed Scout Pace, 12 Second Class Cooking, 14 Firelighting, 4 First Aid, 4 First Class Hike, 5 First Class Swimming, 8 Swimmers Badge, 4 Rescuer's Badge, 1 Fireman, 1 Entertainer, 2 Carpenter, 3 Healthymen, 2 Missioner, 1 Entertainer, 2 Electrician, 8 Athlete and four were invested as Tenderfoot Scouts.

The daily programme was varied and consisted of devotional exercises, passing of tests, hikes of various kinds, games, swimming, tracking, star talks, nature talks, etc. The day's activities were brought to a close by the "Camp Fire," where song and story, stunts and talks by the leaders helped to pass a pleasant hour.

The food, while plain, was plentiful and of good quality, and was excellently prepared by Mr. Simon LeBlanc, the genial camp cook. Each patrol, consisting of eight or nine Scouts and a leader, was quartered in a large sleeping tent, and had, in addition, a shelter for its dining table. It also had its own cooking fire, wash place, latrine, etc., and was in all respects independent of other patrols.

On Sunday the Roman Catholic Scouts attended Mass at Georgetown, going and returning by motor boat, all the arrangements being made by Mr. Jas. Lightizer. The remainder of the Scouts attended a Scouts Own in camp, a simple service of prayer and praise

followed by a short address. Being unable to hire tents from the Department of National Defence as formerly, we had to depend on the kindness of private individuals and are gratified to the following gentlemen who kindly helped us in this respect: Dr. C. H. Beer, Mr. Russel Beer, Mr. Vernon Rodd, Mr. J. R. Burnett, Mr. E. J. Hallett, Summerside.

Although the price charged was much lower than usual, it was sufficient to meet expenses, and all bills were paid immediately on breaking camp. In addition to ordinary expenditure, a quantity of permanent equipment was purchased.

A very complete and up to date First Aid Kit was presented to the camp by Mr. Harry G. Rogers of Charlottetown. This splendid gift is very much appreciated. Scout Master Niall Burnett and Patrol Leaders Gordon Hyde, Ralph Smith, Harry Pineaue and Ralph Stewart remained over to assist at the Wolf Cub Camp.

An unusual and important event took place at daybreak on Monday when Niall Burnett was invested as a Rover Scout. The investiture followed a lengthy Vigil by the candidate the previous night.

Twelve Wolf Cubs from Zion Church Pack took advantage of the first Cub Camp to be held in P.E.I. This camp was of an experimental nature and proved very satisfactory both to the Cubs and the Provincial Council.

It was held on the same site as the Boy Scout camp from Friday afternoon, July 21, to Monday afternoon, July 24. The camp was under the leadership of Mrs. R. C. Parent as Akela or Old Wolf with Miss Ruby Campbell as Baloo or Old Bear, Mrs. Wm. Warren as Baghera or Panther and Miss Mildred Thompson, R.N., as the White Brother.

Mr. Wm. Warren, Camp Chief of the Boy Scout camp, and R. C. Parent, assistant, with 5 of the younger Boy Scout leaders remained for the Cub camp and gave a great deal of valued assistance. The 12 Cubs were formed in 2 sixes, Blacks and Reds. Barry MacLaren, Sixer of the Reds, had under him the following Cubs: Gordon Gay, Norman Larter, Neil MacNevin, Fulton Froud and Roy Whitlock.

Donald McClure, Sixer of the Blacks, had with him Cubs Everett MacLeod, Wilbur Rice, Russel MacKinnon, Wellington and Philip Compton. Each morning there was a special inspection when the Six who was the more efficient received the Cub Flag to be held in their possession for the day.

Every night a prize was given to each boy in the Six who won the most points for all activities during the day. Activities included hiking swimming, games, red flower (camp fire), programme, etc.

The Cubs spent an enjoyable and profitable time and it is most likely that the Cub camp will become an annual event.

Meet ME at the FAIR

The Great Big Provincial Exhibition

OF 1933 OPENS AT CHARLOTTETOWN, P. E. I. Monday Evening, August 21 Closes Friday Evening, August 25

THIS YEAR'S EXHIBITION WILL EXCEL ALL OTHERS IN ALMOST EVERY PARTICULAR THE GREATEST PREPARATIONS HAVE BEEN MADE TO HAVE IT SUCCESSFUL AND TO PLEASE THE PUBLIC.

The entries in live stock will be the largest we have ever had. The Main Building will be beautifully decorated and will house thousands of exhibits of interest to everybody.

Every man, woman and child in Prince Edward Island should make this their holiday. Recreation is more essential to health than medicine. Our Exhibition gives recreation and education from the moment of opening to the hour of closing. It will be one grand, big continuous show with pleasing entertainment for young and old. Among the many features is the biggest Vaudeville Program for years.

THE FAMOUS HUSTREI FAMILY

One of the greatest acts in American vaudeville. The sensation of Europe before coming to America. The high wire thriller. Three reckless dare-devils toy with eternity far above the heads of the spectators.

CARLOS COMEDY CIRCUS

Two separate and distinctive acts. Act one a riotous comedy offering the fastest, biggest and best comedy that has made a hit in indoor and outdoor vaudeville. Exhibited in 28 States of the Union after a most successful European tour. Five people, four ponies, two bucking mules, dogs, etc.

CAPT. CHARLES' LEAPING HOUNDS

A splendidly spectacular animal production. The thoroughbred kings of dogdom. Every dog lover in the Province should see these wonderfully intelligent and highly trained animals.

THE FAMOUS ACTON FOUR

One giant, two male midgets and one lady. Presenting acrobatics and comedy in two acts.

Our Big Horse Racing Program

3—Days Racing—3
Tuesday - Wednesday - Thursday
TEN CLASSES
Over \$4,000 in Purses, Prizes and Premiums

- FREE FOR ALL TROT AND PACE.
- 2:13 TROT AND PACE.
- 2:16 TROT AND PACE.
- 2:19 TROT AND PACE.
- 2:22 PACE
- 2:25 PACE.
- 2:15 TROT.
- 2:19 TROT.
- 2:25 TROT.
- 2 YEAR OLD TROT AND PACE.

LYNCH'S NEW IMPROVED 1933 MIDWAY

The greatest Midway that will tour the Maritimes this year. It takes on special train of 12 cars to transport it to Charlottetown. Great fun for the kids and older folks too.

Special Single First Class Fares, Good leaving Tuesday, and Returning any Time up to Thursday Evening. At all Stations on Prince Edward Island.

POPULAR PRICES

The aim and object of the Provincial Exhibition is to cater to the masses. Through arrangements with the Civil and Provincial Governments, for whose co-operation we are very grateful, we are again placing our prices at the lowest figure of any Exhibition in the world.

Admission to Main Gate 25c daily, 15c evening. Special concessions to children.

\$1.00 sees the whole show on race day.

\$2.50 buys a season ticket good mornings, afternoons and evenings of entire show and is transferable.

JAMES PATON, President J. W. BOULTER, Secretary
