Address, The Charlottetown Guardian, Charlottetown.

At the urgent request of a large number of farmers from many sections of Queen's County, Mr. Richards has decided to allow his noted horse "Baron Kelvin" to stand in Charlottetown, between certain dates during the season, as will be seen upon reference to the advertisement which we publish in this issue.

It is beyond question that "Baron Kelvin" is without a peer among Clydesdales in Canada today. As a show horse he has demonstrated his supremacy at the leading shows held in Canada and the United States.

The following are the prizes won by him since his arrival from Scotland in August last:—First prize and grand championship, Toronto Exposition, fall 1911. First prize champion and grand champion, Ottawa winter show 1911, where he met the best horses in Canada, First Ogdensburg, New York, champion and grand champion, also first for best heavy draft stallion all breeds competing. As a breeding horse he has proved very successful.

A yearling son imported from Scotland last summer won the championship in his class at several shows and a daughter of the same age was first last fall at important shows in Scotland. His pedigree represents the best and most fashionable in Clydesdale breeding. His sire "Baron's Pride" is unquestionably the best breeding Clydesdale in the world at the present time, and his dam—a noted mare—is by the famous breeding and show horse "Montrose Mac." Full particulars as to the breeding of "Baron Kelvin" is given in a card which may be had upon application to Lewis Huestis, Charlottetown.
