Yours hurriedly,

Now we will close out everything in the Eyeglass and Spectacle line at SLAUGHTERING PRICES! Come at once if you want a fine pair of Glasses at prices never heard of before. I will remain and make all tests free until the entire stock is SOLD OUT. Come early and get your pick. You know what you paid for them before we came here, and you know what you will have to pay after we have closed out.

BACKACHE

Weak, Lame, Aching Backs, the Result of Sluggish, Inactive Kidneys.

Backache is in reality kidney ache. The kidneys become clogged, and falter in their work of filtering the blood. Backache is nature's warning that the kidneys are on strike, and that the blood is going through the system laden with foul poisons, which will cause Bright's disease, dropsy, diabetes, rheumatism or other equally painful and fatal complications.

Prudence tells everyone suffering with backache to get their kidneys right. The experience of tens of thousands of people tells them that to accomplish this there is no means so successful as the use of Dr. Chase's Kidney-Liver Pills—the world's greatest kidney cure.

Dr. Chase's Kidney-Liver Pills cure permanently by making the kidneys healthy, active and vigorous. They are purely vegetable, act naturally and directly on the kidneys, and are wonderfully efficacious. As a prompt and positive cure for kidney disease, liver complaint and all the complications of these filtering organs, they are unapproached by any remedy ever discovered.
