To all wise cigarette "Hunters"

You're "on the right scent" as soon as you begin to smoke "Black Cat" Cigarettes. You'll like their fragrance, their smoothness, their rich, mellow flavor, better than that of any other Virginia cigarette.

Black Cat

Cigarettes—10 for 10 Cents

are "leading the field." They "win the brush" every time.

And they always "ride straight line"—no secret adulterant—no tricky flavor—juspure, straight tobacco *and nothing else.* It's all a matter of fair play and *honesty.*

If the tobacco is honestly selected and honestly aged and matured—if an honest weight of tobacco goes into each cigarette, there is *no need* for adulterants.

"Black Cat" Cigarettes depend only on good tobacco and Nature's own mellowing process to please you. Join the hunt. Capture a "Black Cat" *today*—at any good tobacconist's.

REASONABLE ALLOWANCE MADE

(Toronto Presbyterian.)

A missionary recently returned to Toronto on furlough from active service, has a daughter four years old, who has a poor opinion of the children among whom she has been accustomed to live. She was sent upstairs the other day to make amends for some childish fault and on her return her mother asked, "Well, Mary, did you tell God you had been naughty and ask him to forgive you."

"Yes," she replied, "I did."

"And what did God say." And Mary replied.

"God just said, 'That's all right, Mary, there's lots worser than you.'"
