NIGHT COUGH

You know it! It begins with a tickling, irritating sensation in your throat. You cough to clear the throat. In a moment there it is again!

A minute's peace, then again you cough, and so on until you cough your throat sore, and by the time the cough is sufficiently allayed to permit you to sleep, you are thoroughly worn out. This kind of experience is particularly trying to old people.

Peps make this sort of thing quite unnecessary.

Put a Peps pastille on your tongue and allow it to slowly dissolve. Healing fumes are then liberated, which mingle with the breath and are carried to the remotest parts of the air passages and lungs, allaying the irritation and soothing the inflamed membranes, thus ending the cough and making sleep possible.

Peps are also best for bronchitis, laryngitis, asthma, sore throat and colds. Try Peps at our expense. Send this advertisement and 1c. in stamps, return postage, to Peps Co., Toronto, and receive FREE TRIAL PACKAGE. All dealers, 50c. box.

Salts if Backache And Kidneys Hurt

STOP EATING MEAT FOR A WHILE IF YOUR BLADDER IS TROUBLING YOU

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and you must relieve them, you must relieve your bowels; removing all the body's urinous waste, else you have headache, sick headache, dizzy spells, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grape and lemon juice combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for renal troubles. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

For Chest Colds and Croup Colds in the Back, Spasmodic Croup and any congestion, inflammation or pain caused from Colds, use Grove's O-Pen-Trade Salve. It opens the pores and penetrates the skin. Its stimulating and Healing Effect soon gives relief. 35c per box. If your Druggist hasn't any, send 35c in postage stamps to B. G. Medicating Company, 183 Spadina Ave., Toronto, and a full size box will be mailed to you promptly.

FEW APPLICANTS AMONG IMPERIALS FOR GRATUITY.

OTTAWA, Jan. 22.—It is stated by the Militia Department that applications for war service gratuity by ex-members of the Imperial Forces, who come within the provisions of the order in council passed on December 1, 1919, following the report of the special committee of the House of Commons, are coming in very slowly. Only 5,098 applications have been received, whereas it is estimated that there must be approximately forty thousand men entitled to the gratuity. It is pointed out that, under the regulations, all ex-members of His Majesty's forces, who were bona fide residents in Canada at the outbreak of the war, and who returned to Canada after are bona fide residents in Canada at the date of application, are entitled to war service gratuity in varying amounts according to the amount of gratuity already paid, or to be paid to them by the Imperial authorities.

SHORTAGE OF COAL MAY CAUSE PARIS SUBWAY TO SUSPEND OPERATIONS

PARIS, Jan. 23.—It is feared that a suspension of the operation of the subway in Paris may be necessitated owing to the shortage of coal, which has been intensified by the dockers' strike at Rouen, which is preventing coal from reaching Paris by water. An important meeting of the ministry of public works will be held tomorrow to consider measures to be taken to keep the subway going.
