Use McCormick Machinery

McCormick farm machines have given best service for over seventy years. They are the best for you to use. You should see the McCormick Vertical Mower, the best on earth, the McCormick Hay Tedder by use of which it is possible to cut the hay in the morning, toss it with the hay tedder later in day and haul it to the barn or stack before night; the McCormick Self Dump Rake, has the greatest strength and rigidity with the least possible weight; McCormick Hay Presses; International Scufflers, preferred by all good farmers and truck gardeners.

THE CLIMAX

of perfection in farming means an elimination of the methods which make drudgery, which consume time, and which retard progress.

THE McCORMICK

eliminates all of these in that part of farming which pertains to harvesting grain and grass. Besides this, it does more—it brings to its owner contentment and satisfaction in his work, all of which creates vim and vigor, energy and enthusiasm; in other words, a new life on the farm.

The McCormick is a machine for practical purposes—it is the machine you want. Call and examine the McCormick line of harvesting machines.
