Tom Longboat Former Marathon Winner Dies

BRANTFORD, Ont., Jan. 10.—(CP)—Tom Longboat, lanky Ontarian Indian, has finished his last race.

The end came Sunday after a long illness to the 61-year-old Marathon runner whose powerfully muscled legs brought him fame and fortune—from his beloved Ojibwa Reservation, near here, to Europe. He was called the "greatest runner of them all" in the hey-day of his career 40 years ago.

Although his achievements on Marathon courses belonged to another generation, his name was known to present-day youngsters. Not only was he a top performer, he was an Indian about whom was wrapped up all the glamour of a fleet-footed "brave."

No other runner of the day received the publicity given Longboat. He had a cigar named after him. He was the kingpin amongst marathons and he wore his crown at a jaunty angle.

He cleaned up \$17,000 as a professional and he died with only the louse given him by proud Canadians when he won the famous Boston Marathon in 1907. In recent years his familiar six-foot figure, topped by snow-white hair, was a daily sight in Toronto. Tom was laborer with the Toronto Street Cleaning Department.

Born on the reservation, where funeral services will be held tomorrow, Longboat flashed to Canadian fame in 1906 when he came from obscurity to win the Hamilton 10-mile road race around Hamilton Bay.

He didn't stop until his reputation was world-wide. He won the Boston Marathon the next year and was a "sure winner" for Canada in the 1908 Olympic Marathon but suffered a sunstroke and was forced to quit after taking a long lead.

Longboat had his revenge later. He met the man who defeated him in a professional race at New York's Madison Square Garden. This time it was the big Indian who won.

Among his victims as a professional was England's Alfie Shrubbs, who now lives at Bowmanville, 40 miles east of Toronto.

In the First World War, he went overseas as a runner with an infantry battalion. In the last war he was a member of the Veterans' Guard stationed at a military camp here and was retained as a guard after the area was turned back to the Six Nations who owned the land.

Longboat never worried much about anything, except when he was running. He was never in a hurry and talked slowly and gently.

His face was lined, but it was more from laughing than worrying.

Ross And Paris Win Decisions In Boston Bouts

BOSTON, Jan. 10.—(AP)—George Ross, 154½, of Halifax, out-struggled Wilfred Miro of Hartford, Conn., and Havana, Cuba, to win a 10-round decision tonight before 1,825 boxing fans at Boston Arena.

The pair continued their activities through the first few rounds to mauling and wrestling tactics in which neither gained much of an advantage.

The Nova Scotian, Canadian middleweight champion, snapped out of these tactics at the start of the seventh and slugged Miro with several harsh swings to the body. Ross continued on the aggressive most of the remainder of the route to earn the decision.

Miro also took several hard jolts to the head in the seventh, one of them cutting him over the left eye. Ross suffered a similar injury about the same time.

Percy Parris, 129½, of New Glasgow, N. S., was awarded a somewhat unpopular decision over Dom Sala, 129, of Boston, in the 10-round semi-final. Sala suffered a cut eye in the final round of this repeat engagement between the two. They drew in the previous encounter.

Local tennis have made some creditable showings against Maritime hoop squads in exhibition encounters during the past few years, and have proved that there is plenty of basketball material on the island for outside competition, with every reason to believe that they can hold their own in the immediate rank. In any event they have made the major step forward in entering such competition and this column is 100 per cent behind the movement and is wishing them a successful season.

With the Island Physical Fitness Basketball League now launched into full swing for its January schedule, it looks like both Charlottetown and Summerside hoop fans are going to be in for some keen competition from now on. With the two C.I.L.E. teams, Prince of Wales and Saint Dunstan's, scheduled for the regular scheduled play this week to complete the six-team league, it will add considerable interest to the series and will certainly make it tighten down to close play.

The collegians will play their first scheduled games this Wednesday night at the Summerside airport, in a doubleheader in which Schurman's meet S.D.U., and P.W.C. clash with the R.C.A.F. hoopers. The Charlottetown Recce squad are at present leading the league by breaking their first place tie with Ray's Millionaires here Saturday night when they met out a terrific 51-61 drubbing, to leave last year's Island champions trailing in second position by one game.

Despite previous interfering circumstances such as weather conditions, changing of schedules etc., it looks like the Central Section Hockey League is finally ready to get underway. Tonight's game between Abbies and Amherst Ramblers scheduled for 8:15 at the Forum ought to give local hockey fans a real top-notch evening of entertainment.

It was learned with regret yesterday that Charlie Archer, well known manager of the Charlottetown Forum, was taken ill suddenly yesterday morning and was admitted to the Prince Edward Island Hospital where he will undergo treatment for the next two months. This column extends best wishes to Charlie for a speedy recovery. Mr. Archer's son, Claire will take charge of the Forum management during his father's absence.

Jim (Toronto Globe and Mail) Colman says: "Not long ago we read in the public prints where Lester Patrick, vice-president of Madison Square Garden, had suggested that each team in the National Hockey League should play through a schedule of 87 games. Although we must appear to be brass in questioning the judgment of a man who has been engaged in the hockey business for nearly half a century, we would offer the opinion that, as things appear at this minute, some of the boys in the NHL will be lucky to be alive at the conclusion of the current 60-game schedule. Here they are at the half-way point in the present schedule—and already, five or six of the top stars look as if they need emergency blood transfusions."

In case that you have forgotten, Knobby Warwick of the Boston Bruins is the leading goal-scorer in the league this year. However, you would have ignored Warwick as a rookie substitute from the Hershey Bears if you had watched him in action against the Toronto Maple Leafs on Wednesday night.

His play was dull and listless. Although his facial contortions emphasized the fact that he was trying to skate, he lacked speed and he wasn't his usual robust, pesterful self around the Toronto net. The same was true of Ed Sandford, who was leading the league in scoring points earlier in the season. He was so inept against Leafs that, after the game, the penalty time-keeper was heard to ask: "Was Sandford on the ice tonight?"

"The answer seems to be obvious. The players are overtired as a result of the league government scheduling too many games in too short a period."

With the recent forming of an Island Amateur Basketball Association to be affiliated with the Canadian Amateur Basketball Association, it looks like local hoopers are planning on getting into the game in a big way and mean to enter into Maritime play and possibly Dominion competition as well. The teams which will be eligible to enter into outside competition as the representative team from the Province will be either the Charlottetown Abegweits or the Summerside Flyers, depending on course on who will win out in a playoff series between these two teams which will get underway a little later on in the season for the Island title.

Central Section League Opens Tonight As Abbies Play Amherst Ramblers

St. Mary's In 6-4 Victory Over Arrows

HALIFAX, Jan. 10.—(CP)—Halifax St. Mary's threw two periods of blinding speed at the slipping Dartmouth Arrows tonight and came up with a 6-4 victory in a Maritime Senior Hockey League game.

With both teams sporting strong lineups, the game is expected to be a fast, wide open encounter, and the fact that these two teams have already met earlier this season in exhibition encounters and are fully aware of one another's style of play and capabilities, should add an extra keenness to tonight's tussle. The fans, too, who saw the smooth working band of Amherst pucksters outskate the Abbies for two periods here a few weeks ago, only to have a comfortable lead turned into a tie score by a terrific third period onslaught by the hard skating local boys, know that they can expect to see plenty of keen competition and any amount of thrills and spills before the night is over.

In addition to the fact that both teams will be anxious to take an early lead in the league standing by winning out tonight, the Abbies also have a special axe to grind to atone for the 10-4 drubbing they look at the hands of the Ramblers at Sackville in a return exhibition match following their 6-6 all tie game here. So, with all facts considered, tonight's affair should be one that hockey fans can't afford to miss.

As far as can be learned at time of writing, Amherst will be using the same lineup as when they played here last, with the exception of defenceman G. Poirier who has been sidelined with an injured ankle.

The following are the lineups: Amherst: Goal, D. Poirier; defence, Gaudet, C. Ripley, St. Peter; forwards, Gallant, Keefe, Carter, Legere, Davis, Agnew, Power, Mitchell, Robinson, Babin, Cormier.

Abbies: Goal, Weeks, Davis; defence, Poirier, P. MacDonald, Gallant, K. Carmichael; forwards, Higson, Strain, Perry, Carver, Dowling, LeClair, Beer, Douglas, Jay.

T. OF C. SHOW JAN. 19
NEW YORK, Jan. 10.—(AP)—Chickie Bogard, former matchmaker of the 20th Century Sports Club, today was named matchmaker of the Tournament of Champions. Bogard's first show will be held Jan. 19 at the Manhattan Centre in midtown New York, provided the T. of C.'s application for a New York license is approved by the Athletic Commission. The promoter said they planned to apply for a license this week.

St. Joseph at Amherst. 22—St. Joseph at Springhill. 27—St. Joseph at Charlottetown. 29—Amherst at Springhill. 30—Amherst at St. Joseph. Feb. 3—Charlottetown at Amherst. 6—Springhill at St. Joseph.

Bentley And Conacher Tied In Scoring

(By The Canadian Press)
Linnemates Roy Conacher and Doug Bentley of Chicago remain deadlocked at the top of the National Hockey League's individual scoring race today after picking up three points apiece in two weekend engagements. Each has 15 goals and 26 assists for 41 points. Meanwhile, all other sharpshooters high up on the list found the going tough. Only Detroit's Syd Abel improved his position. He topped Boston's Grant Warwick, who was held scoreless.

The leaders: G A Pts.
D. Bentley, Chicago 15 26 41
R. Conacher, Chicago 15 26 41
J. Conacher, Chicago 16 16 32
A. Detroit 16 15 31
Warwick, Boston 17 13 30
Mosenko, Chicago 14 14 28

Dunc McIntyre Leads Scoring In A-P-C League

(By The Canadian Press)
STELLARTON, N. S., Jan. 10.—Husky Dunc McIntyre of Sydney, N.S., winger with Antigonish Bulldogs, leads the point-getters in the Antigonish-Pictou-Golden Hockey League with 54 points, seven more than scored by veteran Tie Williams of Pictou Maripiacs.

McIntyre, a product of Sydney minor leagues, is a student at St. Francis Xavier University in Antigonish and plays hockey in his spare time.

He led the scoring race in the Nova Scotia Intercollegiate Hockey League the last two seasons but is ineligible for intercollegiate competition this year. Intercollegiate rules do not permit a player to play for two different teams in any sport during a season.

McIntyre's 34 goals make him the top sniper while teammate Irving McGillibon, in third place with 43 points, tops the assist column with 25 helpings.

Top seven scorers are: G A Pts.
McIntyre, Antigonish 34 20 54
Williams, Pictou 26 21 47
McGibbon, Antigonish 18 25 43
Hunter, Stellarton 17 24 41
Leger, Stellarton 19 18 37

At What Age Will You Go Bald?

Nature Warns You When Hair Loss is on the Way

Look in a mirror, and picture yourself 5 years from now.

If you see signs of thinning hair now—hair that looks drab and dull—if you see dandruff, take warning!

Dandruff often warns you of thinning hair, unhealthy scalp. This is because your hair traps dirt, dust and grime from the air. These combine with scalp oil, dried skin and perspiration to form a waxy accumulation of dandruff lying tightly on your scalp. Your hair is choked off from nourishment it needs, may become dull, lifeless and thin out.

For healthy, good-looking hair, you should dissolve away all dirt and dandruff from your scalp. Use Fitch Dandruff Remover Shampoo, the only

shampoo guaranteed to remove dandruff.

Fitch works right down into the thousands of tiny hair openings in your scalp. It leaves your scalp antiseptically clean, able to breathe freely, so your hair can be healthy, lustreous, alive-looking.
