THE ice boats crossed from both sides of the Capes on Saturday.

At the police court Saturday John Turner appeared for drunkenness, and was fined \$2 or ten days.

This afternoon at 3.30 in the W. C. T. U. rooms, there will be a mothers' meeting, to which young mothers are invited.

ASSIST in a good object and enjoy a pleasant evening by attending the Monument Fund Concert in the Kindergarten Hall, Feb. 26th.

THE Knights of Pythias natal day celebration has been postponed till Thursday 21st, on account of Rev. T. F. Fullerton's lecture on Tuesday.

THANKFULLY received at Falconwood one year's subscription to the Northern Messenger from Miss Alice Younker, Milton, also one year's subscription for the Christian Herald from Mrs. Wm. Simpson, Milton.

We feel safe in predicting a full house at Judge Fitzgerald's lecture on Monday for everyone must be interested in the history of his native town, or that in which he lives. The lecturer has collected a great deal of most interesting matter while Mr. Hazard's collection of pictures is the result of many years' collecting. The price of admission is practically nominal and the Kindergarten Hall is an ideal place for the purpose.

ON Saturday men were at work completing an enclosure on the telephone post at the corner of St. George and Richmond streets. Owing to the destruction caused by the storm a new box was ordered from Montreal, and the fifty wires burned off at the end of the cable will have to be soldered. Because of delay in the steamers the parts ordered in Montreal are yet at Pictou.

THE sudden death of Mr. Charles Dockendorff of North River, which occurred at an early hour on Saturday morning will be learned with regret by a very large circle of acquaintances and friends. When Mr. Dockendorff awoke he did not complain and apparently was in his usual health. His wife went to the kitchen to prepare breakfast and after a time noticed that her husband was longer than usual in getting up. She went to his room and was shocked to find that he had entered into that rest which is everlasting. On Friday Mr. Dockendorff attended to his duties as usual, but complained of a slight pain in his side. Heretofore it is attributed as the cause of his death.

A PLEASANT affair is reported for Grand Forks, when Mr. Richard Gillespie, formerly of Prince Edward Island, was united in marriage to Miss Maggie McLellan, late of Glengarry, Ont. The ceremony was performed by the Rev. Mr. Cook, in the Presbyterian church at Grand Forks, after which the wedding party had dinner at the Portland hotel there. Miss McLellan was supported by Miss Arndt, and Mr. Alex. McLellan, brother of the bride, assisted Mr. Gillespie through the ordeal. After a visit to Pawsan, the happy couple will live on 10 below Lower D's covey on Dominion creek. The fair bride is connected with the McLennans so prominent in political and athletic circles in Ontario, and came to the Klondike with her brothers last fall. Mr. Gillespie is a fine specimen of an Atlantic Canadian and has been in Yukon for five or six years. He has mining interests on Dominion, Eureka, and Bonanza creeks. The Sun wishes the young couple joy and prosperity. Yukon Sun, Dec. 29. [The Mr. Richard Gillespie referred to above is a son of John Gillespie Clyde River.]

DARNLEY NOTES.—Darnley in common with other parts of Her Majesty's dominions express regret at the death of the Empires most illustrious Queen—The late rain and snow storms have done considerable damage to the telephone wires in this part of the country. Communication between Darnley and Malpeque has been interrupted, but is in working condition at present. Alderdeen Division is still in a very progressive condition strengthened by the installation of some of the most popular and influential citizens of Darnley. At present we have a journal in connection with the Order which is read fortnightly and is proving quite a help in the way of entertainment. There appears to be a good temperance sentiment an expecting great things after the prohibition act comes in force.

Quite a number of our citizens assembled in the hall on Saturday evening for the purpose of being entertained and listened to Mr. F. B. McRae's interesting and instructive lecture on the South African campaign, but as the roads were in a deplorable condition the lecturer failed to arrive and the wide awake Darnley boys at once entered into a discussion about the advisability of starting a Farmer's Club in the locality it would appear that by the many able speeches that were rendered that we have enough men in this locality capable of carrying to a successful issue an order of this kind—We are glad to learn that Darnley Bridge is to have an extensive repairing in the coming season as it is very essential to the welfare of the people of this part of the country.—Capt. Thomas Read, Minnigash is visiting friends in Darnley Mr. George F. Thompson is slowly recovered from his severe illness—Mr. John McKay is at present suffering from an attack of inflammation.

A POOR BREAKFAST.

Very Few People Eat a Good Breakfast.

"All I want for breakfast is a roll and a cup of coffee."

The remark is heard not only in hotels restaurants and lunch rooms but it is the usual breakfast order in the home circle as well. After a twelve hours' fast it would seem that the first meal of the day should be a hearty, substantial one, and if we all lived natural, unartificial lives, it would be so but none of us do, hence breakfast is a mere pretence.

Says a latter day philosopher: "During many years of active business life, I never remember having eaten a good substantial breakfast, but supposed it was of no importance until I began to lose appetite for lunch and dinner."

My physician told me I was a victim of nervous dyspepsia and must take rest and recreation as no medicine would reach the trouble, but this advice I could not follow as my business affairs would not permit it, and to get relief I resorted to medicines and prescriptions and it was purely accidental that I hit upon one remedy which did the business. While in a drug store one evening I noticed a number of people buying Stuart's Dyspepsia Tablets, a widely advertised preparation for stomach troubles, and the price of example was too much for me and I bought a fifty cent package.

I took a tablet or two after each meal, and in a week my appetite picked up. I began to feel my old ambition for work returning and could eat a good breakfast because I wanted it and from that time to this I take Stuart's Dyspepsia Tablets as regularly as I take my meals, not because I now have any trouble with my stomach, but because I don't want to have it.

A fifty cent box of Stuart's Dyspepsia Tablets will last me a month and keep my digestion in good order, and I know of no better investment a business man can make.

Try one can of Oak Brand Condensed Milk and you will decide whether it is better and cheaper than a cow. Ask your Grocer for it.
