Dodd's Kidney Pills

are the only medicine that will cure Diabetes. Like Bright's Disease this disease is incurable until Dodd's Kidney Pills cured it. Doctors themselves confess that without Dodd's Kidney Pills they are powerless against Diabetes. Dodd's Kidney Pills are the first medicine that ever cured Diabetes. Imitations—box, name and pill, are advertised to do so, but the medicine that does cure

Diabetes

is Dodd's Kidney Pills. Dodd's Kidney Pills are fifty cents a box at all druggists.
