—FAREWELL GATHERING—Friends and neighbours of Mr. and Mrs. Peter MacIntyre gathered at their home in New Annan to bid them farewell before their departure to their new home in Kensington. A fitting address was read by Mrs. John Walker showing Mr. and Mrs. MacIntyre's esteem in the community, and a presentation of two beautiful rugs by Mr. Alden Moase, to which Mr. MacIntyre

replied thanking the community on behalf of himself and Mrs. MacIntyre. The evening was very pleasantly spent in games music and dancing after which a dainty luncheon was served by the ladies.

—ACCEPTS CALL—The Presbytery of P. E. I. has been notified by the Pictou Presbytery that Rev. William Verwolf has accepted the call to the Summerside Presbyterian Church and will sever his connections with his church in Durham the last Sunday in November and will commence his ministry at Summerside on December 5th. The induction service will in all probability be held the previous Friday Dec. 3rd.

—PRO SIDE WINS DEBATE—A very interesting debate and one that might make farm wives sit up and take notice, was held in Ep-

worth Hall on Wednesday by a group of the Y. P. Society of Trinity United Church. The debate was "Resolved that a wheelbarrow is of more use to a farmer on a farm than a woman." On the pro side was, Miss Connie Denny, leader, and Miss Helen Morrison. On the Con side Miss Lottie MacCallum and Miss Geraldine Darby. Mr. W. Spindle was the judge and Mr. Vernon MacQuarrie critic. Mr. Alison MacDonald presided. Very good arguments were used on both sides, but Miss Denny's statements in favor of the wheelbarrow, as the most useful thing about a farm and costing very little, proved very con-

clusively that the pro side had put up the strongest argument and the case for the wheelbarrow was won.—S.
