Special train from Charlottetown to Summerside return fare 90c. 9-14d2t. —Death has once more visited Leng River carrying with it one of the best known and most respected residents of that place in the person of Isaac Murray Doughart. He was the son of the late William Doughart and Elizabeth Whitehead and was fifty years of age. His mother, an aged lady, one son William Benjamin aged five, one sister Mrs. David Proffitt, Margate, and one brother, John A. of Kensington still survive him. The deceased was a man of sterling Christian character and was a member of Long River Presbyterian Church. In 1904 he married Etta Bell, but she predeceased him two years ago. Seven months ago he was taken with Bright's disease and since all that medical skill and loving hands could do proved of no avail and the end came on Friday, Sept. 8th. The funeral, which was held on Saturday, was an exceptionally large one. The service was conducted by the pastor Rev. Mr. Sutherland assisted by Revs. John Murray and E. J. Rattee. The pall-bearers were: John A. Whitehead, Chas. Harding, Joseph Mallett, Wm. Taylor, Austin and Andrew E. Doughart. (St. John, N.B., papers please copy.)

There's just as much room for economy in buying coal as any other necessity of life. While Inverness Coal has more heat units to the ton than any other coal it costs no more than the common coal. The use of a little judgment or "horse sense" will tell any person that the coal with the greatest amount of heat-producing qualities is the most economical to buy. Inverness is properly screened coal—every particle of foreign matter is extracted, leaving nothing but a good, uniform standard of clean, screened coal. Buy the coal that will save dollars. 8-26drtf.

Cut Out Coal Extravagance

Have you read the Testimonials from the West regarding the ENTERPRISE BLAZER FURNACE. Then read this one also that you may see that this Furnace is not (like the Prophet) without honour in its own country. E. D. Bell & Co. Montague Bridge, P. E. I. In answer to your enquiry as to how I like the ENTERPRISE BLAZER FURNACE, installed by you in my store, would say it is giving every satisfaction. It uses less fuel to give the same amount of heat than the one formerly in its place. You can safely refer anyone in this vicinity who requires a furnace to me for a reference and recommendation for the BLAZER. Yours respectfully, Jas. St. C. Moore. If you dread the approach of winter with a poor heating apparatus, why not investigate the merits of the BLAZER? It will pay you. Sold by leading stove dealers, or circular on request. THE ENTERPRISE FOUNDRY CO, Sackville, N.B.
