PASTORS FIGHT SUNDAY BALL
BLYTHEVILLE, Ark., May 26—Pastors here objected to the passage of a bill permitting Sunday baseball saying the voting was illegal and asked that another election be held. They demanded the right of being judges at the polling places.

Health cannot be looked for in a child that is subject to worms, because worms destroy health by creating internal disturbances that retard development and cause serious weakness. Miller's Worm Powders expel worms and are so beneficial in their action that the system of the little sufferers are restored to healthfulness, all the discomforts and dangers of worm infection are removed, and satisfactory growth is assured.
