

NO PERSON likes to wait very long to have repairs attended to. Often great inconvenience and serious damage or loss is sustained by not having work attended to at the proper time. We not only do our work promptly but we do it properly. Our workmen are experienced and we guarantee satisfaction.

For Bell Hanging, Gas Fitting, Sheet Iron and Tin Plate work we are unequalled.

Rheumatism
What is the use of telling the rheumatist that he feels as if his joints were being dislocated?
He knows that his sufferings are very much like the tortures of the rack.
What he wants to know is what will permanently cure his disease.
That, according to thousands of grateful testimonials, is

Hood's Sarsaparilla
It promptly neutralizes the acid in the blood on which the disease depends, completely eliminates it, and strengthens the system against its return. Try Hood's.

The drug store of Mr. A. W. Reddin, is beautifully decorated with spruce, and this together with the great variety of perfumes, etc. which are displayed on show tables, gives the store a very picturesque and Xmas like appearance. Mr. Reddin exercises good taste, and has a great deal of experience in buying perfumes, and has always enjoyed a large share of the Xmas trade in this line. The quality and beauty of the goods together with the moderate prices, will, we feel certain Mr. Reddin the same liberal amount of patronage this year, which has always attended him in the past.

Quarterly Board of the Margate Circuit (Methodist) held their second meeting at Kensington on 18th inst. The attendance was large and the meeting profitable and successful. The financial system is on a good basis and the results are satisfactory. All the officials present expressed appreciation of the pastor's labors during the time he has spent among them, and a unanimous and urgent invitation to remain a fourth year was extended to him. This, however, the Rev. Mr. Thomson did not accept. He remarked gratefully on the existing harmonious relations and the co-operation that has been maintained between the pastor and the Board, and bespoke for his successor their continued kindness and support.

OBITUARY.—The funeral of the late Mrs. Lamont took place from her home Fountain road on the afternoon of the 3rd inst. at 2 o'clock. After a short service at the house by the pastor R. V. A. Sterling, her remains were conveyed to the Presbyterian church at Clifton, where the funeral sermon was preached by the Rev. gentleman from Rev. 22nd chapter 2nd verse, being a very able and appropriate discourse. Immediately after the remains were conveyed to the Clifton cemetery for interment. The deceased was very highly respected by her wide circle of acquaintances, full evidence of which was given by the large concourse of people gathered to pay their last respects to the departed. The funeral was one of the largest ever seen in this section of the country, and upwards of one hundred and sixty carriages following the remains to its last resting place. The pall bearers were: Thomas Reid, John McEwen, Alexander Buntain, John Bernard, Alexander McLeod and John W. McKay. To the bereaved husband and near relations we extend our sympathy for the loss of a loving wife mother and sister.
