Mr. Stewart plans to take special classes only so as to complete his degree course for Acadia University which he has been attending for the past three years.

The community of Murray Harbour North celebrated the 65th anniversary of the founding of the Presbyterian Church in that locality on Sunday, September 5th. Very lovely services were held both morning and evening with a large attendance at both services at which the present minister, Rev. C. D. Henderson presided. The theme for the celebration was taken from the 127th Psalm, verse 1, "Except the Lord build the house, they labour in vain that build it." The choir rendered many beautiful hymns during the service and the ladies of the church sang "In the Garden". The gentlemen of the choir sang "Sweetly Resting". For the evening service the church was filled to capacity with almost three hundred attending. The guest speaker for the evening was Rev. F. Norman Young, B.A., of Marshfield Street, Sydney, who took over the Rev. Andrew's charge of Montague, Lower Montague and Cardigan. On Monday evening a delicious supper was served in the community hall with invited guests bringing the people from various points. A special service was held in the church on Monday evening with the Brooklyn trip in attendance. They were joined by Mr. Malcolm MacIntyre of Charlottetown and the quartette rendered many lovely numbers. Historically the first church service held in the community was on July 8th, 1883 when the Rev. William Graham when Rev. James MacGregor crossed over from Picoua, N. S., to conduct the service. As the community grew with many new residents the church was soon realized, and in 1883 the foundation of the present church was laid, and in the same year was opened for worship by Rev. Baynes as the first minister. Since then there have been many additions such as the choir loft, furnace heating, new organ and a bell in tower donated by Mrs. William MacLure in memory of her husband. The church has also been completely redecorated on the inside and newly painted on the outside. A new shed has been added for the shelter of the horses and wagons. The church stands beautifully located on excellent land directly in the centre of the community. As a note the Junior Mission Band of Murray Harbour North Church won the Presbyterian Banner for best attendance to classes, and also as the largest band in the field. During the sixty-five years that the church has been in existence there have been many changes and much has been accomplished in helping the general temporal and above all the spiritual welfare of the people. May the next sixty-five years bring results as gratifying as have been accomplished during the past sixty-five--Lan.

In Memoriam

In loving memory of Mrs. William Bogerson who passed away August 25th, 1946. The blow was hard, the shock severe. To part with her we loved so dear, so quick, so quiet, was her call. Her sudden death surprised us all. Her memory is as dear today, as in the hour she passed away. Sadly Missed by Husband, Son and Daughter.

In Memoriam

In loving memory of our dear daughter and sister Gwendolyn Besborough Fall, who passed away September 9th, 1946. Our darling Gwendolyn has gone to rest. Our hearts are very sore, for we know that we cannot see her again. Till we meet on that beautiful shore. But oh what a blessed thought I know. We can see her again. We know she is now in a better home. And free from sickness and pain. Lovingly Remembered by Mother, Daddy, Sisters and Brothers.
