—**NOT SERIOUSLY HURT**—It was currently reported in Summerside over the weekend that Miss Frances Brewer, daughter of Mr. and Mrs. Brewer, was knocked down by a car and hurt. The Guardian has been informed that is not correct. The little girl was coasting with her sled and ran under a horse's feet. The little girl escaped with a few bruises and a bad shaking up, but was able to go to school on Monday; at the same time she had a miraculous escape from being kicked by the horse.—S.

—**REMEMBRANCE DAY**—On Saturday Oct. 11th the Legion at Tignish fittingly commemorated Remembrance Day. At 8.45 a.m. the war veterans met in the town hall and were arranged in parade which moved along Main Street and up to the church of St. Simon and St. Jude where a High Mass of Requiem was celebrated by the Rev. J. D. McNeill who also preached an appropriate sermon. After Mass the parade was reformed and returned to its base where practically the entire congregation assembled to

observe the two minutes of silence. This was followed by a splendid program of patriotic songs and speeches. At 12.30 p.m. the veterans and a large number of their guests enjoyed the annual Remembrance Day dinner which was served at the O'Brien House.—T.

—**STEAMER IN PORT**—The S. S. Ranier from Stockholm, Sweden arrived at the Marine Wharf, Summerside about 11 a. m. yesterday. Her last call was St. John's Newfoundland. She will load potatoes for the Associated Shippers of P. E. Island for the Cuban and New York markets.—S.

—**C.Y.M.L.**—On Friday, Nov. 3rd the C.Y.M.L. of St. Simon and St. Jude's Church, Tignish, held their annual meeting. It will be remembered that just one year ago the branch was organized under the direction of the Rev. J. W. McNeill who has since then been an interested and devoted worker for its cause. After the calling to order of the meeting by the president, Mr. Alex MacDonald, reports were read by the Executive and chairman of the different committees which showed the great amount of good work which had been accomplished by the organization since its inception. Social, athletic and educational committees have succeeded in doing great things. One of the notable features cultivated by the members was the art of debating what may be called "thinking on your feet." In order to further this culture a

debating club was organized and during the winter of 32-33 the members met once every week for the purpose of "breaking lance" with their opponents. Under the influence of this prolix atmosphere some sturdy orators grew. The athletic committee had the gratification of having a beautiful trophy brought home by their hockey team. Some very pleasant social evenings were enjoyed by everyone. For these we are indebted to the entertainment committee, chairmen of membership and sick committees have done splendid work for which the Society is grateful. After the completion of all business for the past year the nominating committee conducted the election of new officers with the following result: Mr. Hubert Gaudet, president; Mr. Hollis Morrissey, vice president; Mr. Alex MacDonald, Chancellor; Mr. W. J. Handrahan, Treasurer; Mr. Hector Buote, Secretary; Mr. Leo Arsenault, Assistant Secretary; Mr. Joseph Gaudet, door-keeper; Mr. John Gillis, Chairman on education committee; Mr. Louis Harper, Chairman Athletic Com; Mr. Peter P. Gaudet, chairman entertainment com; Mr. Alex Shea, chairman membership com; Mr. William Milligan, chairman sick com. After the installation of officers Mr. Adrian Richard read a very complimentary address to the retiring president, Mr. Alex MacDonald. Mr. Hollis Morrissey making the presentation of a beautiful crucifix. Mr. MacDonald graciously thanked the members for their words of appreciation and promised

his whole-hearted support to every endeavor of C.Y.M.L. The Rev. J. D. McNeill, Chaplain, then addressed the meeting. At the close of this address a vote of thanks was tendered the Reverend speaker. On motion the meeting adjourned.—T.
