—COTTON-WOOD—A quiet and pretty wedding took place on the evening of January 4th, at St. Eleanors at the home of Mr. and Mrs. Harry Cotton, when their only daughter, Mary Ellen was united in marriage to Norman Foster Wood, only son of Mrs. Irene Wood, of North Tryon. The marriage ceremony was performed by the Rev. L. P. Campbell, Summerside, in the presence of immediate friends and relatives. The bride looked charming in a costume of brown and was attended by Miss Lyla Perry, while the groom was ably supported by Mr. Lawson Cotton, brother of the bride. After the ceremony the bridal party partook of a sumptuous wedding supper, which was served in Mrs. Cotton's best style. The house was artistically decorated with evergreen and bouquets of pink and white roses. Later in the evening a merry bunch of chivaliers invaded the house and wished the happy couple a bon voyage through life. Previous to the marriage a shower was tendered the bride by her girl friends. She received a number of pieces of linen, glassware and aluminum ware. On January 8th, Mr. and Mrs. Wood arrived in North Tryon, where they have taken up residence.

Owing to the fickle nature of the winter, it has been impossible to establish a lucrative "open air" rink, consequently the League has to look to its dramatists rather than its hockeyists to produce the coin. It was decided to repeat an entertainment which was much appreciated when presented at Tignish recently. Mr. Alex MacDonald presided.—T

IN MEMORIAM

MRS. CATHERINE MATHESON

There passed away at the City Hospital, Boston, Mass., on January 26th, 1933, Mrs. Catherine Matheson. The late Mrs. Matheson was born in Little Sands, a daughter of the late Alexander and Mary Gillis. Some few years ago she went to Roxbury, Mass., to live with her daughter, Miss Mabel MacLean, who very tenderly looked after her in her declining years. She enjoyed fairly good health up to a week before her death when she developed pneumonia and removed to the City Hospital, Boston, where the best of medical skill and nursing was done but all in vain and she peacefully passed away on the above mentioned date.

The late Mrs. Matheson was an earnest christian woman. Early in life she professed her faith in Christ by uniting with the Presbyterian Church and during her residence in this province was closely connected with the work of her own church. She was twice married; her first husband was Mr. Alex MacLean, Hopefield, and to them was born one daughter, Miss Mabel MacLean. Some years after

Georgetown The Rev. Canon Malone, M. A. of St. Peter's Cathedral, Charlottetown, and priest in charge of the church at this point, preached at Evensong last Wednesday. The service was conducted by Capt. Kelly, C. A. The Canon spoke on the presentation of Christ in the temple. Though Mary had no need of purification for that which was born of her was Holy, yet she was obedient to the rules of her religion. In the temple was one called Simon who desired to see the Lord's Christ and with the coming of Saint Joseph and Mary his desire was filled. He took the child from Mary and blessed it. This is another lesson, the Son of God in the temple. He who had no need to be presented was presented. These people found the Christ because they were present not absent from the temple. The psalmist declared that he would rather be a door-keeper in the house of his God than dwell in the tents of the ungodly, but this is not so with a number today; it is just the opposite. But to such does not come the consolation; it comes only to those who are waiting and found in the temple. On Thursday morning, the Feast of the Purification of St. Mary, Canon Malone celebrated Holy Communion in the church and returned to Charlottetown on Friday morning. The services on the Sunday within the Octave were conducted by Captain Kelly, C. A.

Mrs. Herman Lavandier who has been visiting her daughter Dora, in Moncton, has returned home. Misses Mary and Susie Hemphill, spent the week-end at their home in Georgetown. Miss Agnes Macdonald is visiting in Little Pond.—A

MARSHFIELD HOCKEY

The fun ran high in Marshfield Friday night when the Maple Leaf Sisters challenged the Foxy Grandpas for a friendly game of hockey. Twenty, thirty and even forty years slipped away and the times they used to play with Adam behind the barn seemed to return. The game ran high from the very start, first period ending two to two. Second period ended three to five in favour of the Sisters, when age and a pampered life seemed to be showing up, but in the third period, second childhood came to the fore, and just as the bell sounded, Grandpa Scott with a whirlwind finish, sent a goal into the twine, which evened up the score six to six. Elmer Duffett refereed the game to the satisfaction of everybody, although he kept some of the Grandpas on the roost for long and short periods. The only penalty handed out to the Sisters was to

RACKING COUGH RELIEVED IN A NIGHT

How Mother Conquered Child's Chronic Chest Cold. Do you know what it is to lie in bed at night, listening to a racking cough tearing at your child's lungs? Then read how another mother fought the constant chest colds to which her son was subject. You may bless the knowledge before the winter's over. "My boy has suffered from persistent colds on the chest, and seems to be continually suffering from a persistent cough," writes this mother. "He could not get any sleep, and I was on the point of seeking medical advice. However, I sent for 'Thermogene' and made a jacket to cover the throat and chest. And the remarkable part is as follows: He slept without coughing until morning - the persistent, racking cough had gone completely. He has now no sign of chest trouble whatever." Isn't that marvellous news? For what? "Thermogene" Medicated Wadding did for the child - it will do for you and yours. The pain-relieving essences with which "Thermogene" is impregnated never fall. Unlike drugs, which give only temporary relief - they attack the trouble at its source. "Thermogene" is a clean, soft, fleecy cotton wool. It can be applied without any of the mess and fuss of poultices, and can easily be worn beneath your clothes without the slightest inconvenience. Neither does it stain. It keeps on working until you're better. Get a box today from your nearest druggist, and use it for all the ailments mentioned on the container.

The Grandpas complain that they did not seem to get the support from the bleachers that their age would seem to deserve. "Ye have turned very industrious lately, Tim," said one Tipperary man to another. "That I have, beaded," replied the other. "I was up before the magistrate last week for batterin' Cassidy, and the judge told me if I came back on the same charge he would fine me ten dollars." "Did he?" said the first speaker. "And ye're working so as to keep yer hands off Cassidy?" "Don't ye believe it," said the industrious man. "I'm working hard to save up the ten dollars."—Buffalo Courier-Express.

ISLAND TELEPHONE COMPANY, LIMITED advertisement with image of a woman and text: 'I want my Telephone put back, please' ALMOST daily people who discontinued their telephones during recent months are ordering their service restored. They found that the small cost of the service had been repaid many times each month in convenience, in time and actually in money saved. Others missed the close and personal contact with friends made possible by telephone service. Still others mentioned the loss of many pleasant, impromptu social gatherings when their friends were unable to reach them by telephone. It is all true—what these subscriber friends of ours say. Telephone service costs so little and its value is so great that it really doesn't pay to try to do without it.'

When Your Cough Hangs On, Mix This at Home Saves \$2. So Easy! No Cooking! The best cough remedy that money could buy can easily be mixed at home. It costs very little, yet it's the most reliable, quick-acting medicine you ever used. The way it takes hold of stubborn coughs, giving immediate relief, is astonishing.
