—Now that the tourist season is about opening, there are several items of house cleaning and general preparations that citizens will do well to look into at once. Summerside is sleeping comfortably at present, too comfortably in fact, but if anything is to be made out of the glorious Prince Edward Island summer, it is time now to lay plans for it. There are several things in contemplation which citizens will be interested in and it is proposed to hold a meeting in the very near future to discuss these; and to elect an organization for carrying out. Those interested in athletics, in the general betterment of the town and in making hay, who let the sunshine, are asked to look out for an announcement of this meeting.
