The annual general meeting of St. Paul's congregation was held in the St. Paul's schoolroom last night. A large attendance was present, including a number of ladies. Rev. T. W. Murphy was in the chair. The accounts and reports for the past year proved to be very satisfactory. The following vestrymen were elected for the ensuing year: H. J. Cundall, Percy Pope, Charles Leigh, J. E. Bell, Ernest Kemp, H. F. Pethick, W. S. Louson and W. W. Clarke.

In St. Peter's Cathedral in this city on Sunday, the Easter services were conducted by Canon Simpson assisted by Revs. Scott-Smith, Assistant Priest and Rev. T. H. Hunt. The congregations at all services were very large. Holy Communion was celebrated at 7.15 and 8.00 a. m., the latter being a full choral service, Rev. Simpson preaching. In the evening Rev. T. H. The meeting in the Baptist Church was held last night in the main audience room of the church. If any one feared that the change from the School Room of the Church to the Main Room would have a dampening effect he was mistaken, for it was the best meeting that has been held. The service of testimony was spontaneous. A number asked for prayers for their dear ones. It was a most impressive service. Tonight the service will be held in the main audience room, and the Rev. E. P. Calder will preach. The service of prayer begins at twenty minutes to eight in the School Room. The main service begins at eight o'clock in the other room.

The boys from this city belonging to H. M. C. S. Niobe, who have been here for the past week on their Easter holidays, leave this morning on the C. G. S. Minto on return to Halifax. They will rejoin their ship tonight, their leave expiring at midnight. The boys were greatly concerned over the possibilities of their getting away today owing to the Minto being stuck off Pt. Prim, but they were considerably relieved last night on being informed that they would be able to get away this morning all right. Should they have failed to get away today they would have been liable to arrest and when this is known good reason is apparent for their anxiety. Not only this, but the Niobe sails tomorrow for St. John and they would have had an extra trip to make in order to rejoin their vessel. During their stay in this city the boys enjoyed themselves thoroughly and will look forward with pleasure to their return to their home port.
