Most every person has something to dispose of. All who reside in this county should hand an advertisement of same to their nearest Guardian Branch Agent and thus sell it quickly.

A heavy rainstorm accompanied by a gale of wind and thunder and lightning passed over the western part of this Province yesterday. At Summerside there was a heavy shower of hail lasting for several minutes.

If you wish to become acquainted with the many new things that are being shown in Millinery this season we could suggest nothing better than a visit to the Millinery Display being made by R. T. Holman at their Opening Saturday Sept. 28th. 9-25111.

The home M. Rand Mrs. Leavj, Alberton was the scene of an interesting event recently when their eldest daughter Miss Retta G. was united in marriage to S. H. Sierns, of the Canadian Bank of Commerce. The ceremony was performed by the Rev. E. A. Westmorland pastor of the Methodist Church Alberton. Mr. and Mrs. Sierns left yesterday morning for Winnipeg where they will reside. With many friends the Guardian extends good wishes.

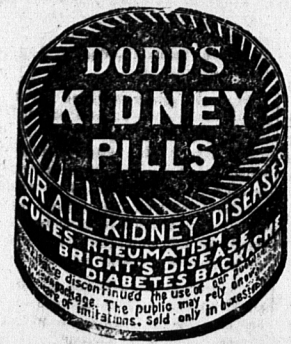

At St. Mary's Church Tuesday morning Miss Mary Jane McMillan daughter of the late Joseph McMillan, Clermont and Charles T. Hynes of Darnley were united in marriage by Rev. Mon. Gillis. The bride was attended by her sister Miss Louisa McMillan with Miss Nettie Turner as maid of honor, while the groom was supported by his brother Urban Hynes of Summerside. A large number of spectators witnessed the ceremony. After the ceremony invited guests to the number of about forty drove to the home of the bride's mother where breakfast was served. The party then drove to Summerside and had dinner at the Queen Hotel. In the evening a reception was held at the bride's home and a very enjoyable evening was spent. The bride was the recipient of an unusually large display of wedding presents. The Guardian joins in congratulations.

Dr. Alley with a party of five have arrived in Alberton with his automobile on a shooting excursion.

We are holding our Fall Opening of Millinery, Furs and Dry Goods Saturday of this week, and request your presence R. T. Holman Limited. 9-25111.

No one should miss seeing the immense display of beautiful Furs being made by R. T. Holman Limited at their Fall Opening Saturday the 28th inst. 9-25111.

The marriage was solemnized yesterday afternoon of Miss Lucy B. Locke, daughter of the late John Locke, Sherbrooke and Chester M. Cox Superintendent of the Condensed Milk Factory, Charlottetown. The ceremony took place at the home of the bride's sister Mrs. Saml. Hall, Sherbrooke, and was performed by Rev. H. Johnson in the presence of a number of immediate relatives. The bride was suitably dressed in a suit of pearl grey and was given away by her brother J. H. Locke, Summerside. The wedding presents were exceedingly handsome and many of them costly, among them being a clock from the Condensed Milk Company of Charlottetown in whose employ the bride spent three years as stenographer and book-keeper. After the ceremony and supper Mr. and Mrs. Cox left by the evening train for Charlottetown. Quite a number of friends assembled at the station to bid them good bye and extend good wishes in which the Guardian joins.

# Correct fall dress fabrics

## Important showing

### a great sale

By careful comparison, you will note that the display of Fall dress fabrics here is the finest and most complete to be found in the City. There is immense variety. There are not only the wanted materials, but the wanted colors also, and in many cases, there are the colors hard to get in most places.

There are striking new effects in Broad-cloths, Venetians, Habit Cloths, West-of-England Serges, Queens Cloth, Chiffon Panamas, Ombre Shadings, beautiful Tweed effects, Plaids, and a host of other weaves in the best and most desirable colorings, such as rich Blacks, Navy, Royal, the fashionable deep Wine, Golden Brown, Dark Brown, Greens, Reds, Greys, Fawns and mixtures of the most beautiful kinds, all direct from the British Markets. In fact you cannot fail to get suited from our immense and well chosen stock.

The prices on all lines, you will find the most moderate, and range from 25cts to \$2.70 a yard, so that there is abundant variety both in materials and price to suit all tastes and purses.

We have beautiful trimmings to suit all shades in plain and fancy braids, Appliques, Persian bandings &c.

Besides these splendid new attractions in our dress goods dept, there is a large range of stylish dress fabrics left over from last season, which we are obliged to clear out from sheer want of room, owing to installing a new pattern dept, and extending our ready-made blouse dept.

These goods are all in splendid condition, up-to-date fabrics and colorings but as we must have the room, we shall clear them out at 1-3 off.

This is a splendid chance to secure Fall dress fabrics at manufacturers prices—one which you do not often get at this season—and which you will do well to profit by immediately, as they are being rapidly picked up.

Hundreds of critical ladies have signified their approval of our superior showing of Fall Fabrics by placing their orders, and to those who have not already seen them, we extend a cordial invitation to do so.
