BILLIARDS

Frank Acorn advanced to the finals in the second section of the provincial billiard tournament last night at the Sunnyside Billiard Parlor when he won from W. McTague 300 to 206. Acorn drew the bye in the finals and tonight Johnny Garnhum meets Clifford MacDonald in a 500 point match to decide who will playoff with him. The officials were

Brackley Rovers Are Tendered Big Dinner By Supporters

The hockey minded boys of Brackley Point Road, after a lay off last season, decided to reorganize the Brackley Rovers and try and retain the cup, that they had won and offered again, in competition with Milton and Glasgow Road.

Although their team was scattered along a 10 mile road and some players had an 8 mile drive to Milton Rink, they persevered, but finished 3rd in the league. Not discouraged in the least they beat Milton 2 straight in the semi-finals and were just hitting their stride. The Jonah that followed them all winter when they played Glasgow Road was mislaid, and they were routed in 4; some say it should have only taken 3.

Their supporters wishing to show their pride and appreciation of the 'Rover's' tendered the boys a banquet, at the home of Mr. and Mrs. Harold Stead, which was attended by about 75. The hockey players, with their coach and manager, were seated at the first table, which was tastefully decorated with the coveted cup in the centre.

Mr. Will MacKay was asked to act as chairman and after saying a few well-chosen words called on the Captain, Edward Younker, who showed that hockey wasn't his only accomplishment.

Short speeches were then given by Wallie Stead, Leighton Phillips, Raymond Sellick, Smith MacFarlane, Harold Stead, Fred Hughes, Frank Johnson, Percy Gay, and Major McRae.

By the talk, one heard, the 'Rovers' will be ready to start next winter, where they left off. So Milton and Glasgow Road beware.

The evening was spent playing bridge, auction, and Chinese checkers.

At a late hour the party broke up, everyone thanking Mr. and Mrs. Stead, who worked so hard to make the banquet a success.

MT. A. STUDENTS PLAN RINK

SACKVILLE, N. B., April 1—(CP)—The students union of Mount Allison University met this afternoon to discuss the possibility of erecting a rink entirely by student effort. A bond issue was suggested as the most satisfactory method of financing the $20,000 project. A committee will investigate the matter further.

North Bedeque 4; Lower Freetown 2

The third game between Lower Freetown and North Bedeque was played in Bedeque rink Friday night, March 29th with a very good crowd in attendance. During the first period Lower Freetown had a slight edge on the play. The only goal of the period was scored by W. Reeves for Lower Freetown.

In the second period North Bedeque tried to force the play only to have S. Reeves come through and make it 2 to 0 for Lower Freetown. However N. Bedeque played hard and made it 2-all before the second period ended. The first goal for North Bedeque was scored by A Arsenault from a mixup in front of the net. A few minutes later N. Tucker broke clear and scored the second goal for North Bedeque. The period ended 2-2.

The third period opened with both teams trying to break the tie. The first goal came about midway through the period by a shot from A. Arsenault's stick. A few minutes later N. Tucker made it 4 for North Bedeque. In this period North Bedeque had a decided edge on th play. Lower Freetown tried hard until the end, but they couldn't get another tally. The game was very capably handled by Alec Lefurgey. The three stars were Bobby Barwise, goaltender, Anthony Arsenault and W. Reeves.

LINEUPS:

North Bedeque: Goal Bobby Barwise; Defence, W. Tucker, A. Waugh D. Barwise; Forwards, N. Tucker, L. Lefurgey, D. Clark, A. Arsenault, and W. Arsenault. Coach, S. MacKay.

Lower Freetown: Goal, R. Cairns; Defence S. McCarville, W. Reeves, S. Reeves; Forwards, A. Hill, G. Hamill, L. McCarville, R. Reeves, P. Hamill. Coach Walter Stavert.

NEW ANNAN GET EDGE IN FINALS WITH 7 TO 4 WIN OVER FREETOWN

In a fast, rugged, hard fought game on Saturday evening, which kept approximately 700 fans in a constant uproad from gong to gong in the Kensington rink the New Annan "Stars" last year's champions of the North Shore League, took a strangle hold on the Baker Trophy to make them favorites to take the final series three straight when they set down the Freetown Maple Leafs by a 7 to 4 score, and once again look like sure winners of this much coveted prize.

The ice conditions were not of the best for the fast hard working Leafs, who seemed to tire quickly on the slushy surface, and were unable to take advantage of the breaks, when their opponents, especially at one stage of the game had two men sitting along with the penalty timer.

The big feature of the game came in the final frame, when with tempers at the breaking point, and with only six minutes to go James Mill and Clow who had been having a battle royal all through the contest decided to mess one another up, with their bare knuckles and no sooner had they come together when the remainder of the players dropped sticks and gloves and went after their respective opponents, to make a general clean-up and give the highly excited fans an idea of first how they do it in the National League, after the fast and furious free-for-all was got under control no less than six players evenly divided sat out comfortable major penalties with the penalty timer, doing their stuff, splitting even on making the red lights glow.

The opening frame got away fast with the Stars forcing the play and before the period ended had jumped into a three goal lead which was never threatened, Tuplin, Jabez Mill from James Mill and G. Mill from Jabez Mill doing the scoring. The second session although plenty fast and rugged produced no counters, but two major and two minor penalties were handed out and midway through the period the Leafs lost a glorious chance of tieing it up, when the Stars were playing two men short.

See Only Reds And Cardinals In League Race

By Whitney Martin
Associated Press Sports Writer

NEW YORK, April 1 —(AP) — It is generally agreed that the National baseball league race this year will be a two-team affair, with Cincinnati Reds and St. Louis Cardinals taking after each other and the other six clubs taking after their folks.

This corner falls right in line with the common idea, and after a month spent watching the various contenders has decided that, with all due respect to the Cardinal power and pitching, the Reds still seem to have what it takes.

The opening of the campaign still is better than two weeks away, so the following selections are subject to change without notice:—

1. Cincinnati; 2. St. Louis; 3. New York; 4. Brooklyn; 5. Pittsburgh; 6. Chicago; 7. Boston; 8. Philadelphia.

Only the Pirates and the Cubs were not observed so their positions are selected by hearsay and a recollection of their 1939 performance. The Pirates, under Frankie Frisch, are moved up a notch to fifth place and the Cubs are dropped back two notches to sixth.

World Record Miler Is Fireman Now

LONDON, April 1 —(CP) — Sydney Wooderson, the world mile record holder —is a fireman now and liable to become a soldier soon.

Sydney a solicitor, who normally would be dashing about in preparation for the 1,500 metres at Helsinki's Olympics this summer is going about his chores as a member of the auxiliary fire service. He has a good chance of changing into an army uniform before the year is out, Sydney is 25 and the intention is to call up his class starting the latter part of this week.

Wooderson's present duties are confining but not hard. The A. F. S. was organized to take care of blazes caused by enemy bombing. To date there has been no bombing. So Wooderson, in common with thousands of others, keeps his buttons bright, practices shinnying down fire poles and the like and spends 48 of every 72 hours on duty.

Sydney, who was involved in that bumping incident in the Princeton invitation mile last June, is beginning to feel sorry he didn't run more often in the United States.

"If I had thought this war was going to start, I probably would have stayed over there and entered two or three more races," he said. "As it was I thought I'd gain my revenge at Helsinki."

The holder of the world outdoor record of 4:06.4 may do some running of a sort soon. He has been invited to run in meets at Manchester and Birmingham but hasn't made up his mind. He'd like to go, but the thought of what six months of A. F. S. has done to his form sends a shudder over his spindly frame.

Told that Chuck Fenske, who licked him at Princeton, was running the legs off the boys, including Glenn Cunningham, and had turned in two 4:07.4 miles he replied:

"Gracious, that's fast! I certainly would like to have another go at him."

Rangers Out To Take Stanley Cup After 7 Years

NEW YORK, April 1 —(CP) — The New York Rangers bandwagon fairly creaked today as the boys hopped aboard and called the blueshirts to knock the stuffing out of Toronto Maple Leafs in five or six games and with their first Stanley Cup in seven years.

Coming out of the six-game series against Boston Bruins without an injury and with their game at a peak, the Rangers found themselves as high as 2-to-1 in the Broadway books to knock off the Leafs in the best-of-seven final opening tomorrow night. This despite the fact that only the opener and the second game Wednesday night will be played on New York ice.

"The Rangers will win in six games," manager Lester Patrick said gravely. "They will win because that are the beter hockey team or, to be more precise, because they have a better defence than anything the Leafs can produce out of their five blue-line guardians."

The recently-vanquished Art Ross, who matched Patrick prediction for prediction until his Bruins went down, muttered "much better balance than Toronto . . . I don't see how they can lose."

And Frank Boucher, No. 2 man on the Ranger board of strategy, declared: "Toronto can't be as tough as Boston. We must stop Syl Apps, Gordie Drillon and Sweeney Schriner. They're the Leafs' most dangerous players."

By this time Lester had gazed intently at the crystal a second time, and continued:

—True, we have only two home games and the Leafs have five, if necessary. Although this is a great advantage for them, it is not fatal for us. Examine the records. We played them at home four times, beat them once 4-1 and tied the other three games. On our own ice we lost one and won three. Add all this up and you see why we'll win."

Verdun Down Perth Blue Wings 7-5

OTTAWA, April 1—(CP)—Verdun Maple Leafs defeated Perth Blue Wings 7-5 here tonight to qualify for the Eastern Canada finals of the Dominion Junior Hockey Championship. Verdun won the opening game 9-4 at Montreal Saturday night.

Sports Forum

Sir:—With due respect to all Maritime horsemen racing under the United States Trotting Association, I can see no reason why we should be nor why our money should go to the United States, which is of no advantage to us, as we as Canadians race on Canadian soil and have just as reliable an association in Canada whose membership is much less expensive. Besides, the Maritime Provinces are the only ones in the Dominion not represented in our Canadian Association.

In racing under the Canadian Association, it costs $2. for an Eligibility Certificate; the ruling reads $4. after the first of June, but this has never been enforced and I am informed it is not liable to be. There is no registration fee.

On the other hand— to quote a letter just received from the United States Trotting Association under date of March 25th, 1940 —"The fee for registering all ages, up to July 1, 1940, is $5. After July 1 the fee will be $5. for weanlings, $15. for yearlings and $25. for two-year-olds and over. Only foals of 1937 and thereafter must be registered Standard or Non-Standard in order to get Eligibility Certificate for racing. Eligibility Certificates are $2. up to May 1, 1940 and $4. after."

This might be all right in the United States where the greater majority of colts are raised on stock farms and are registered as weanlings.

Some people might be under the impression that members of the United States Trotting Association would be eliminated from racing here, but this is not so, as all they would need is an Eligibility Certificate under the Canadian Association to have their horses eligible to their own classes. At the same time, Canadian horses are also permitted to race in the United States by taking out papers with the American association.

As far as I have been informed, this is how the associations stand. However, I would be glad to be corrected in any of the above statements as this letter was prompted only by my sincere interest in horse racing in the Province.

I am Sir etc.,
CLAUDE O'BRIEN

Annual Speed Skating Meet Here Friday

The annual Provincial speed skating championship will be held Friday night at the Forum, it was announced last night.

This big event has been looked forward to for a long time by the speed skaters of the Province, and a large entry list has already signified their intentions of competing for honors. 68 entries have been received so far and many more are expected.

The classic of the year will be the race between Peter Millburn of Montague, former Provincial Champion, and George MacLeod of Charlottetown, the present champion. So close was the race between these two contenders in last year's meet, it was not known until the next day who was the real winner.

The cream of the Island skaters will vie for honors Friday night and sport fans in the City will be given an opportunity of witnessing plenty of speed.

The meet is shaping up to be even better than the past performances and that should be plenty recommendation for an evening's enjoyment. Don't fail to see this exciting event.

Rockettes Win Girls Hoop Game At Moncton

The Holy Name Rockettes proved to be worthy representatives of the basketball supremacy of Charlottetown when they defeated the Moncton Shamrocks by a score of 19-15 on Friday night in St. Bernard's gym. The local girls took the lead in the opening quarter and held it throughout the game, but they were hard pressed in the final quarter when their more experienced opponents tried hard to overcome the clever playing Rockettes. "Peanie" Peters of Charlottetown was high scorer having piled up eight of her team's nineteen points. E. Trites of Moncton followed with total of seven. By winning this game the Rockettes clinched the home-and-home series by a score of 32—28 on the round, the first game ending in a deadlock 13—13 at Charlottetown. The team was accompanied by Grace Campbell as chaperone. The game was held in a capable manner by Francis Dunphy of Moncton.

The Lineups:

Moncton Shamrocks; L. Murphy P. Murphy 4, E. Trites 7, B. Dunphy, M. Henuisach, M. Cormier 2, N. McGivity 2, E. Dallamont, R. DeGrace, M. Owens. Coach, Fred Dunphy.

Charlottetown Rockettes: "Peanie" Peters 8, E. Gallant 2, K. Duffy, H. Campbell 3, P. Peters 1, H. Cahill 1, M. Campbell 4, M. MacCarville, C. Crosby, G. Chaisson. Coach—Ted Wilson.

Referee—Francis Dunphy.
Scorers: Ernest and Johnny Richard.

Maple Leafs Head To N. H. L. Finals; Confident In Third Stanley Cup Bid

TORONTO, April 1 —(CP) —Undefeated in four playoff games, Toronto Maple Leafs headed for New York tonight to make their third consecutive bid in the National Hockey League finals for the Stanley Cup.

"We are more confident that we can beat the Rangers than we were against Boston last year," Coach Dick Irvin said. "And I think the boys are facing this series with a better attitude than they carried into the 1938 finals, when Chicago upset them."

The Leafs haven't won the cup since 1932, when they stopped the Rangers in three straight games. This is their sixth appearance in the finals since that time.

Adding to Toronto's chances was the fact that every game in the best-of-seven series after the first two will be played here. The first and second contests will be played at New York tomorrow and Wednesday and whatever others are needed to complete the round will be staged at Maple Leaf Gardens.

Jack Church, injured when the Maple Leafs knocked off Chicago in the first round two weeks ago, will return to the defence against the Rangers. When he suffered a hip injury he was replaced by Reg Hamilton for the semi-finals with Detroit.

"We're ready with the same lineup that started the playoffs," Irvin said. "I understand the Rangers are in the same boat, so I look for a hard-skating series in which the breaks will decide the winner. I'm sure that if Syl Apps had been with us all season we would have had just as good a record as the Rangers and then everybody would agree with me when I say the breaks will swing the series."

WINNIPEG, April 1—(CP)—Kenora Thistles, Manitoba Junior Hockey Champions, entered the Western final with Edmonton Athletic Club by beating Port Arthur's Thunder Bay representatives 4-0 here tonight to take the best-of-three series two games to one. Kenora won the first game 5-4 and Port Arthur the second by the same score.

Mr. April First Prize To Be Up Thursday

The prize for guessing who Mr. April First was at the Forum last night was not awarded on account of the guessers being two of the rink sweepers and as the rink staff or anyone connected with the Forum are not eligible for the award the $5. will be put up again on Thursday night.

These contests are for the skating public and the guesser must be someone not connected with the rink in any way. The Mystery man will be on the ice Thursday night. Call him by name and win the prize.
