### SCARF GOES NEAT AND TIDY ON US

Have you noticed the evolution of the scarf in regard to neatness? Once upon a time it was a big bow and ends affair, then it was knotted, with long ends dangling, then it

was cut shorter, and now it is tucked away into the neckline or coat or dress until it only shows as a soft drapery about the throat. Now and then it breaks out in brilliant strips and thrusts ends into view, but more often it is disciplined into neatness.

### Farewell Gathering

An enjoyable evening was spent at the home of Mr. Edgar Gillespie on April 21st, when the Community Club of French River and

Spring Brook, on hearing of their departure from French River, gathered to bid them farewell. The evening was spent in games and music on the organ till about ten o'clock when Mr. William Harding read an address and Mrs. Preston Stewart presented them with a well filled purse. Mr. and Mrs. Edgar Gillespie and Family.

Dear Friends:—Having learned of your intended departure from our midst, we your neighbors and friends have met with you to-night to bid you farewell; and to express our appreciation of the services you have rendered to this community of which you have always been worthy citizens. You have taken an active part in the general welfare of the community, and have been ever ready to give of your best when opportunity arose. We wish you success and happiness in your new home; and should you decide, at some future time, to return to your native community, you are assured of a hearty welcome. On behalf of those present, we ask you to accept this little gift as a tangible expression of good-will and esteem.

Signed on behalf of your neighbors and friends,  
Dear Jean:—We your fellow members of the Girls Branch of the W. A. wish to express our regret that you are about to depart from our midst. You have been one of our most valued members and you have always been willing to give of your time and your talents. We shall miss you very much in our meetings and we feel we cannot let this occasion pass without expressing to you our deep appreciation of the help you have rendered for our branch. And now saying "farewell" we ask you to please accept this gift expressive of our true friendship and best wishes. May happiness and success ever be yours. Signed on behalf of The French River Junior W. A.
