...OUR WIVES.—The play "Our Wives" was put on in the Hall in Georgetown on Thursday night, April 4th with a great deal of success. The whole party drove from Montague to Georgetown on the ice and had a very pleasant trip.—T.

...THE BIRTHDAY SOCIAL at the Montague Hotel, on Tuesday evening April 2nd passed off very nicely. Quite a little company gathered, and spent a real pleasant evening. The roads being in such a bad condition prevented the friends from the country attending and although the social was a success both socially and financially, it seemed a very small affair, compared with other years, when there was scarcely room for all, and when the finances soared very high indeed. However, as it was one of the social side that was being emphasized there was no real loss, and there will be plenty fine evenings after the church basement is finished when the members can have all the pleasant gatherings they desire.—T.

...FUNERAL YESTERDAY.—The funeral of the late Mrs. J. T. Parker took place Wednesday. There was an exceptionally large attendance the service was conducted by the Rev. Mr. Greenlee. The remains were laid to rest in the English Church Cemetery, Georgetown. Among the donors of floral tributes were the following from New Glasgow friends: Mrs. Sarah McAulay, Mr. and Mrs. L. Wright, Mr. and Mrs. Rod McAulay, Miss Lena McLean, Mrs. Walker, Mrs. Sydney Johnson and little son Edward, Mr. Sydney Johnson, Mr. and Mrs. N. Reid, Mr. and Mrs. Orling Murray, Mrs. R. H. SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied. Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days. This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

\$5,000 provision for your home — plus — \$50 a month indemnity for yourself

Guaranteed to You Under Our New Special Indemnity Plan

Whatever your income may be, a certain part of it is vital to your existence. Let us suppose that vital sum is

\$50 a Month

That you must have.

But--

If some day, before you reach age sixty, you should become totally and permanently disabled through accident, paralysis, nervous break-down, blindness, rheumatism, or any mishap or illness that would leave you without an income and unable to earn a living—

How Could You Get Along?

From a financial standpoint that would be worse for you, for your family, and for your business than the loss of your life because, while your income would stop, your expenses would go on just the same.

Suppose, however, now that you are in good health, you take out a Canada Life Special Indemnity Policy—

Your Problem is Solved.

The Canada Life would become responsible for sending you \$50.00 a month (or more, as you may have arranged) for the rest of your life.

When totally disabled you cannot earn premiums, so the premiums cease.

You will also need immediate funds. By allowing your dividends to accumulate for a few years you would have a substantial cash sum at your credit ready for an emergency.

The Policy will go on earning dividends which will be paid to you in addition to your income.

What Then?

It makes no difference how long you may live and continue to draw the monthly income, the Policy still carries the full \$5,000 payable to your beneficiary. In other words, not one dollar of all that you receive in monthly payments will be deducted from the amount of the Policy.

Nothing Left to Chance.

This is the Policy you will want when you know how completely it does away with hazards that you are now taking. The premium required for all these benefits is very moderate.
