EXCELLENT MUSIC—The Citizens Band rendered some excellent selections of music at the band concert in the Public Gardens, last evening, and greatly delighted the great number of persons present.

APPOINTMENTS—By circular of September 1st, the jurisdiction of Mr. Owen Cameron, Freight Claims Agent, Moncton, is extended to the P.E.I. Railway, and the appointment is made effective of Mr. A. McDonald, Division Freight Agent, Charlottetown, in charge of P.E. Island territory.

PRIZE WINNERS—In the list of prize winners in the Fine Art Department, at the Dominion Fair held at Brandon, Manitoba, July 15th to 25th, appears the name of Miss Rose Stanway, Charlottetown, who wins 1st prize for "Burned woodwork Tray" and 1st for "Burned woodwork Plaque."

W.F. AND H.M.S. CONVENTION—The W. F. and H. M. S. Convention will be held in Zion Church, Charlottetown, September 10th and 11th. Delegates arriving by Pictou boat and the evening train from Summerside will be met and allocated. Those arriving on Wednesday will go at once to Zion Church and there will be allotted to their homes.

MR. WM. WAYE—The funeral of the late William Waye of Hunter River took place on Saturday, Aug. 30th, at Hunter River cemetery, being very largely attended. Deceased, who passed away on the 27th ult. was in his 83rd year and was one of the pioneers of that section and was highly respected by all. He leaves to mourn a widow, four daughters and four sons. One of his daughters is Mrs. George Mugford of this city. The pall-bearers were his four sons Fred, Robert, James and George, Jacob Smith and George Mugford.

RECEIVES CALL—At a meeting held Tuesday evening by the congregation of the First Presbyterian church, a unanimous call to the pastorate was extended to the Rev. J. M. McInnis, of Park street Presbyterian church, Halifax. The church is the leading Presbyterian church of this city and has a membership of 1000. Seen yesterday and asked about the above, Mr. McInnis, whose wife was formerly Miss Coffin of Charlottetown, stated that he had received a telegram acquainting him of the call. He has, he said, never preached in the Syracuse church, but was waited upon about three weeks ago by a committee representing the congregation.

TEE LIGHTING QUESTION—As decided at the special meeting of the City Council which was held on Wednesday night, His Worship the Mayor, Mr. C. Lyons, and the Recorder, Mr. K. J. Martin, last night had an interview with the president and directors of the Charlottetown Light and Power Company with respect to the question of the city taking over the company's plant. In case it is decided to close down the business as at present carried on. Some of the discussion was along the lines of an estimate being made of the plant possessed by the company. It is understood that the company desire the city to make them an offer for the business as a going concern, and there will probably be another informal meeting of the City Council to night to receive the report of the Mayor and the Recorder and settle the matter of making an offer to the company.

ENJOYED THEMSELVES—Mrs. Geo. C. Peters, Mrs. J. McD. Cooke, Mrs. W. L. Creighton and Mrs. G. W. Maddison Moncton, returned on Saturday last from Charlottetown where they were attending the annual meet of the Ladies Maritime Golf Association. The Moncton ladies speak in the very highest terms of the hospitality of the Charlottetown ladies. From the time they arrived until the close of the meet their every wish seemed to be anticipated, and the stay in the beautiful island city was made most enjoyable, and they will long cherish the most pleasant recollections of the Association's annual in the "Garden of the Gulf." Teams were placed at the disposal of the visiting golfers to carry them to and from the links, luncheon and tea were served every day at the club house, and the ladies of the entertaining club seemed to vie with each other in their efforts to give their visitors a royal good time.
