## H. M. C. S. Saguenay Team Lose Hard Fought Game 3-0 - Penalty Kick In Last Half Defeats The Sailors.

A nice convert of a penalty kick by Glen Partridge about the middle of the second half gave the Abbies a hard earned margin over a fast travelling squad from H. M. C. S. Saguenay.

The game was hotly contested and despite all Abbie onslaughts the Sailors more than held and repelled them in their efforts to plunge over for a touch. Kicking featured the play. Both teams got in long kicks which momentarily relieved the play and effectively prevented sure touches.

The sailors were weak in the scrum, the ball coming out poorly, but were fast in following up long punts for beneficial gains. The "tars" also showed great class in scooping up a loose ball and dribbling to advantage.

The Abbies played better football than Saturday and on several occasions the three quarter line looked as if it were going over only to have a poor pass end the play. The forwards too were seen to follow up fast, and work well in scrum formation, the ball coming out fast to Currie, who incidentally played a whale of a game, laying down perfect passes to a waiting half-line.

Partridge, Currie and Larter played good ball for the victors, while Spencer, Shaw and Arnett were a tower of strength to the losers.

Many penalty kicks were handed out by the referee Commodore Murray, who handled the whistle in an expert manner.

### Second Half

Opened with the Abbies forcing the play into the sailors' territory, and eventually camping on their ten yard line. A beautiful run by Spencer, who in some manner wriggled through the Abbie forwards to make a nice run relieved the situation. The ball came back to centre field, and Duffy began the run which brought the ball into perfect scoring position for the Abbies when a penalty kick was awarded them. Partridge easily dropped the ball over the bar for the first score from about 25 yards out. Later the Abbies were again awarded a free kick, feet up in scrum, which took the ball to the far end of the field. Here the Abbies again lost an opportunity when a fumble broke up the play. The sailors punted the ball out of danger but Partridge gathered it up for a brilliant run, ending in a free kick which fell low of the cross bar. The sailors now played inspired ball, Arnett using his foot to advantage and Shaw flashing some pretty runs.

They carried the ball deep into Abbie territory and forced the Abbies to a "safety." The whistle blew with the sailors again forcing the play.

Both teams played only fourteen men.

### First Half

Sailors kicked off, kick returned by Abbies and play remained momentarily in centre field. "Hib" Saunders got in a beautiful kick which was followed up for a big gain. Partridge getting away for a fast run. The sailors were awarded a free kick which was returned by Larter. Play wavered back and forth for a few minutes, and then a play started by Currie's kick brought the Abbies to the sailors' five-yard line, but the ball was punted out of danger. An off-side play gave the Abbies a penalty kick from a hard angle. Near the close of the half the Abbies began a perfect play down the backfield, which but for a fumble looked like a score. The Abbies were awarded another penalty kick and follow-

## MacTier Cup Tilt Oct. 29 At Glace Bay

GLACE BAY, N. S., Oct. 27 - Glace Bay, Guards and Caledonia, present holders of the trophy, will play here on Saturday afternoon in an eastern semi-final for the MacTier Cup, played for annually between teams representing the Maritime Provinces and Quebec or Ontario.

## Six Of Nine Teams In Big Loop Will Start Schedule On The Opening Night.

MONTREAL, Oct. 27—When the referee's whistle shrills on the night of November 10, announcing the start of the 1932-33 National Hockey League pennant race, only six of the nine teams entered will go to the post. The others straggle along a few days behind, the New York Americans bringing up the rear with their first test of the season on November 13.

Montreal, Toronto and Detroit will see action on the long and gruelling grind that will not end till late next March.

### Meet Bruins

Toronto's Maple Leafs, world champions and defenders of the Stanley Cup, entertain Art Ross and his revamped Boston Bruins in the Maple Leaf Gardens at Toronto, Thursday, November 10.

At Montreal, Les Patrick and his Rangers face Montreal Maroons, a team of comparative youngsters piloted by astute Eddie Gerard, who returns to the Canadian metropolises after a couple of seasons with the Americans of New York.

Chicago Black Hawks swing into action against the Falcons at Detroit. Both teams will have many new faces. Detroit has lost the Ottawa stalwarts of last season. Danny Cox, Hec Kilrea, Alex Connell and the others have been recalled to the Senators.

Out of National Hockey League competition last year, Ottawa will be back in the thick of things Saturday night, November 12. Montreal Maroons will be the Senators' first opponents, reviving the traditional rivalry between Montreal and the capital.

## TORONTO AND MT'L. TEAMS TO PLAY HERE

## Allan Cup Semi-Finalists And Marlboros Will Engage Abbies Middle Of Next Month.

MONTREAL, Oct. 27—While the opening game of the "Major Maritime" hockey league is set for November 21 in Charlottetown and Moncton's first glimpse of the Big Three circuit on November 23, the hockey season may actually and actively open here on November 16, according to plans discussed at the meeting of hockey generals here yesterday.

It is planned to bring two Upper Canada teams on a barnstorming tour of Halifax, Charlottetown and Moncton, the second team to follow close on the heels of the first one, during the week of November 14 to 21.

The proposed visiting teams were not named although the Toronto Marlboros and Montreal Royals, last year known as the Winged Wheelers and semi-finalists for the Allan Cup, are known to have been negotiating with the powers that be for invasion of these provinces.

The first team, according to plans will open their Maritime invasion in Halifax on November 16 and in Moncton on the 18th. The second team from the Upper Provinces will play in Moncton on November 16, in Charlottetown on the 18th and in Halifax on November 21, the same night that the Hawks and Abegweits are plying the lid off the senior league in Charlottetown.

Definite announcement regarding these teams will probably be made at a later date.

## THE HOCKEY MEETING AT MONCTON

MONTREAL, Oct. 27—The Dalhousie Rangers, 1932 Maritime champions, will not compete in the Maritime circuit this year.

At a meeting of club representatives from Halifax, Charlottetown, Dalhousie and Moncton held here yesterday, at which a new Maritime Senior Amateur Hockey League was formed, the Rangers declared they would be unable to enter such a circuit unless financial assistance was forthcoming from the other clubs. The proposition was flatly refused by the other representatives.

### Function as "Big League"

And so the major circuit of the Maritime Amateur Hockey Association will function with only three teams, Charlottetown, Moncton, and Halifax, although provision was made for the entry of Saint John should that city be in a position to form a team of sufficient strength to warrant its entry after the completion of the first section of the schedule which opens on November 21 and concludes on December 30. In any event St. John will re-enter hockey competition after an absence of two years when their rink was burned in 1929, either in the newly organized Maritime Senior League, or in a circuit with Sussex, Fredericton and probably St. Stephen or St. Andrews.

Saint John was represented by Alden Clark, head of the Saint John Forum Limited, and Brad Gilbert, former manager of the Saint John Fusiliers. These delegates told the meeting Saint John would have a rink, ready "about Christmas" but at this time they were not prepared to say whether it would be possible to muster a team of sufficient strength to warrant entry in the "major league."

### Opposed Waiving on Players

In their efforts to form a team, the Saint John delegates were assured of co-operation and assistance from the three teams, Moncton, Charlottetown and Halifax, but Dalhousie and the North Shore demurred when it came to waiving on players who are not attached to any hockey club but who reside in that district.

It was stated by H. O. Schryer, former president of the M. A. H. A., speaking for the North Shore clubs, that it was their intention to play senior hockey the same as in former years and intimated they would not be willing for players to leave that section of the country to play for Saint John.

The Saint John delegates asked for an expression of opinion from the other clubs present regarding chances of forming a team of sufficient strength for competition with the "Big Four" and to what extent other clubs were willing to co-operate. Charlottetown, Moncton and Halifax representatives went on record as being in favor of waiving on all players not signed by the clubs in order that these players might be available for Saint John.

The M. A. H. A. officials also expressed willingness to co-operate insofar as the rules and regulations of the association permitted. A list of players, not attached to any club, will be submitted to the M. A. H. A. in an effort to secure their services for Saint John through the waiver route.

The suggestion was made by one of those sitting in at the session that the Dalhousie Rangers might play their home games in Saint John, but the suggestion was given a cold shoulder by both Saint John and Dalhousie.

R. P. Freeman, who with Thomas Troy, represented the Dalhousie Rangers, spiked a number of rumors which had been making the rounds in hockey circles of late. He declared that although business conditions were not the best in Dalhousie, the report that the mills of the International Paper Company might be closed, was absolutely absurd. The mill was not operating at full time but it was hoped that this condition would right itself. So far as the hockey players all of whom are working in the plant, were concerned he declared there was no unrest and they were satisfied with their possibilities there.

## WHY—take a chance on your health—your Job!

A sudden chill is often the starting point for serious illness.

It may come from insufficient bodily warmth or overheating.

So, it is important to wear just the right type of underwear.

## Gridiron Notes

### Turms Fro

Jumbo Morano, star fullback of the Sing Sing Blacksheep eleven until his "graduation" a week ago, has been signed as a member of the Paterson Nighthawks of the Eastern Professional Football League.

### MacTier Cup Semi-Finals

Glace Bay Guards and Caledonia, present holders of the trophy, will play in Glace Bay on Saturday afternoon in an eastern semi-final for the MacTier Cup, played for annually between teams representing the Maritime Provinces and Quebec or Ontario. The Guards and Caledonia are the only Maritime teams challenging this year.

### P. W. C. Vs. Mt. A.

The Mount Allison Academy squad will play here on Saturday afternoon with the Prince of Wales College squad. The game should be fast and interesting. The Red and Blue team tied the Mt. A. squad on their home field at Sackville some time ago, and since have defeated Second St. Dunstons' 6-0 in the first game of their Intermediate League series. The academy team on the other hand is unusually strong and heavy and play an excellent game.

### Abbies Practice

The Abegweit squad will hold a full practice this afternoon at 5 o'clock. The work-out should be a most successful one with yesterday's game fresh in mind, and the memory of the weak points before the players.

### Abbies Improve

The game between the Abegweits and the team from the Saguenay yesterday was interesting to watch. The Abegweits' style of play had improved a hundred percent over that of Saturday last. The ball went back from the forwards to the three-quarter line more frequently, and the latter played a more effective game than it did against the Saints. The stel-

lar work of Harry Currie behind the scrum is worthy of special mention. The navy men proved themselves adepts at kicking, passed the ball well, and were in excellent condition. Sport for sport's sake was the maxim of the afternoon.

### The Seniors

The question of when the next senior game will be held is still undecided apparently. The probability of its being held on Saturday following the P. W. C.-Mt. A. game is slight, as a double-header is not looked upon with favour. St. Dunstan's, it is reported, leave for the mainland on Tuesday next to play Acadia.

## Holy Name Club Bowling

On the Holy Name Club Alleys last night the Co-ops defeated the Cardinals by a majority of 184 pins. High single W. Coyle 332. High three E. Robin 723. Next Monday night the Boosters meet the Alerts at 8.15. The scores:
